

27TH MARCH 2026

PEEL BROW'S WEEKLY

NEWSLETTER

Mrs Mort's Update

This week has been a powerful reminder of how proud we are to be nurturing the next generation of thoughtful leaders and changemakers. Through the various opportunities and events pupils have taken part in, we've seen their curiosity, compassion and sense of responsibility shine.

These experiences continue to help them find their voice, think deeply about the world around them, and understand the positive influence they can have on their communities. It is a privilege to watch them grow—not only academically, but as young people who recognise their potential to help shape a more hopeful future.

Remember that you can stay up-to-date with important messages by checking your emails and via our website.

Spotlight On: Year 6 SATS

Year 6 pupils will be taking their End of Key Stage 2 SATs during the national assessment week beginning Monday 12th May 2026. The

SATs provide an opportunity for pupils to demonstrate the knowledge and skills they have developed throughout Key Stage 2.

We are continuing to support pupils in preparing for these assessments through their regular lessons, revision activities and opportunities to practice the style of questions they will encounter. As always, we encourage pupils to focus on doing their best and approaching the week with confidence.

To help parents and carers understand the SATs process and how they can support their child at home, we would like to invite you to an information meeting on Tuesday 31st March at 3.00pm. During this session we will explain what the tests involve, outline the timetable for the week and provide guidance on how you can support your child in the lead up to the assessments.

PARENT MEETING
TUESDAY 31st MARCH
3:00pm**

What's been going on in school this week?

This week, The Hive have continued exploring a wide range of sensory activities as they learn about different farmyard animals, showing growing confidence as they investigate new textures, sounds and movements. Ducklings have been working hard on their sentence writing, using what they can see around them to inspire their ideas. Robins have impressed everyone with their brilliant reading routines, remembering to bring their books in every day and talking enthusiastically about the stories they're enjoying. Kingfishers have shown real determination as they practise their times tables each morning in preparation for the multiplication check later in the year. Meanwhile, Falcons were thrilled to receive a response from 10 Downing Street to their persuasive letters about protecting the environment—a moment that sparked lots of pride and thoughtful discussion.

PUPIL LEADERSHIP EVENTS

This week, we were incredibly proud of our pupil leadership teams at Peel Brow. Our School Council and Values Ambassadors represented the school brilliantly as they attended two events at Parrenthorn High School—one with other schools across the Trust and another with schools from across the borough. Our School Councillors worked collaboratively with pupils from other settings to plan an exciting inter-school event for the summer, while our Values Ambassadors contributed thoughtfully to the United Against Hate campaign for Bury. Their enthusiasm, confidence, and commitment to making a positive difference shone throughout both events.

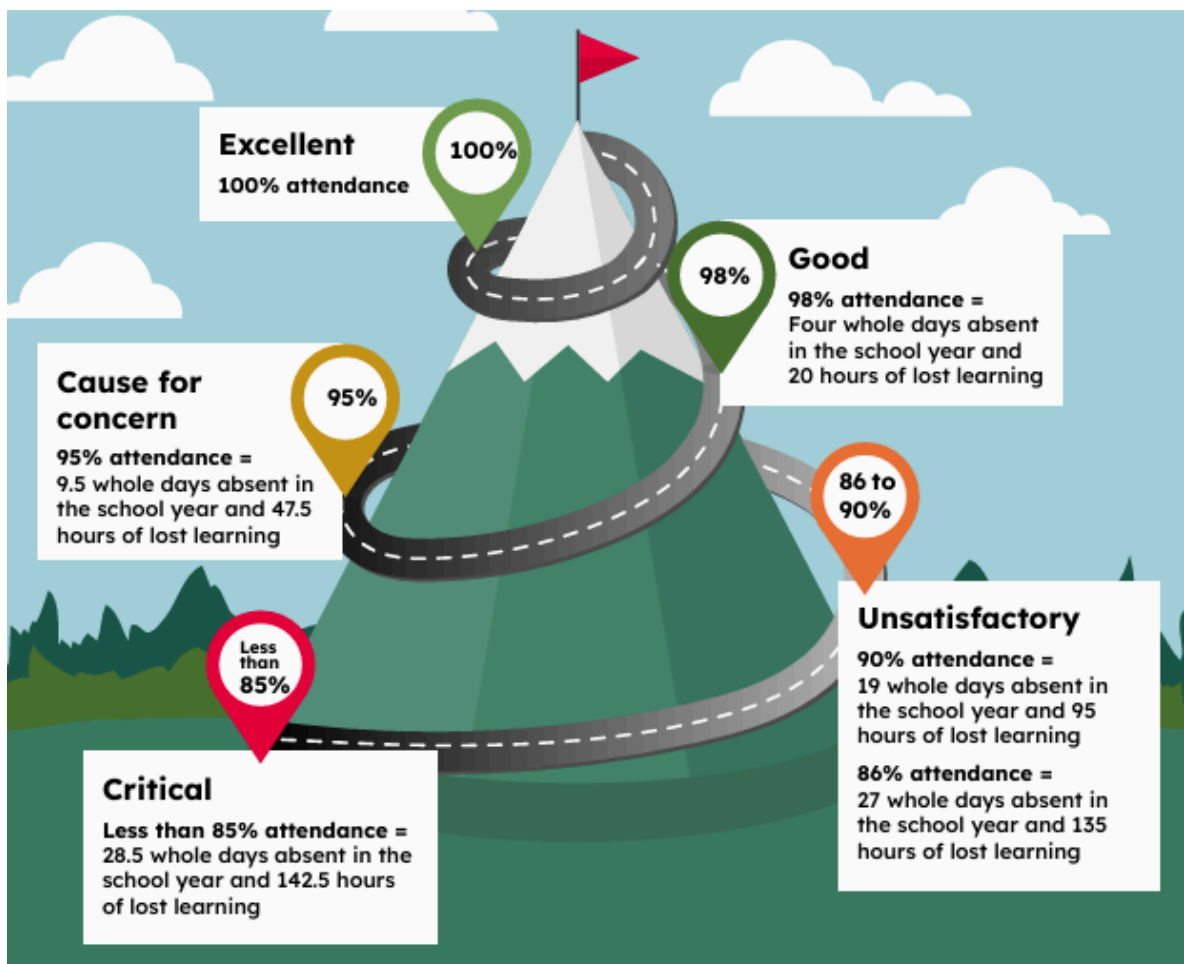

PEEL BROW WEEKLY ATTENDANCE FIGURES BY YEAR GROUP

Nursery	100%
Reception	86.1%
Year 1	82.7%
Year 2	93%
Year 3	92.6%
Year 4	87.3%
Year 5	91.5%
Year 6	88.1%

We know how much great learning happens when children are in school every day, and we appreciate your continued support in helping them arrive on time and ready to start at 8:30am. You'll notice we've included this week's attendance percentages for each year group—sharing these helps us work together to support even better attendance. Even a few late arrivals can have a surprising impact on overall attendance, so every minute truly counts. Thank you for helping us give every child the best possible start to their day and their learning.

Where does your child sit on the attendance mountain?

Safeguarding Update

This week, we are encouraging families to continue supporting children's wellbeing as seasonal bugs circulate. Simple daily habits—such as regular handwashing, covering coughs and sneezes, staying hydrated, and getting good sleep—can make a big difference in helping children stay healthy and ready for learning. We also remind parents to keep children's routine vaccinations up to date, as these play an important role in preventing illnesses throughout the school year.

It is also helpful to keep an eye on any changes in a child's presentation, such as being unusually tired, lacking appetite, or seeming generally "not themselves," as these can be early signs that they may be coming down with something. Early awareness allows families to seek advice if needed and helps us work together to maintain a healthy, thriving school community.
