Dear Parents and Carers

You might remember that our Prefects asked you to fill out a questionnaire at Parents' Evening at the end of last term. Gaining your views on how the school is doing, and what you want for your children is very important to us at Sauncey Wood. We will use the information to guide us in our school improvement priorities over the coming months. Some of the results, which will guide us as we further develop our personal development curriculum, are listed below:-

We also asked the parent view questions that Ofsted ask you when they inspect a school. I am very proud that the positive responses have increased steadily since April 2024. Some of the results are below:-

My child is happy at this school.

I am very proud that so many parents would recommend our school to another parent but I am striving to hit 100% for this question! If you don't feel like you would recommend us, or if you would like to give feedback on any other areas of the school, please do contact me by emailing the school office or coming to chat to me on the Elm class gate where I am most mornings and afternoons.

We have taken the feedback about the school having high expectations for all children (where 11% of respondents didn't agree that we had high enough expectations) on board. Over the next term, our staff professional development will focus on the area and our monitoring of standards in books and when observing lessons will have this as a focus.

Again, thank you for the feedback we received. Collaboration is one of our learning behaviours and I firmly believe in working collaboratively with parents to ensure we make Sauncey Wood the very best we can be.

Yours sincerely
