Dear Parents and Carers

Users of the Apex wraparound club will know that they will stop offering their services to the school community at the end of this academic year and the new Woodlands Wraparound Care run by the school will start from September. To ensure that we run a club that the children enjoy and meets our families' needs, we are asking families to let us know what they would like the club to be like. If you would like to contribute your family's views, please fill in the short questionnaire here <https://forms.gle/NBsLtCbMwyV5dqUe9>

Elm class parents will have seen that part of the playground has been barriered off whilst we prepare the ground for our new climbing frame for the children to use next year. Please do not let your child beyond the barrier as it will not be safe. There will be a period before the end of term when we will need to stop using the KS1 gate to access the school due to the works; I will let you know when this is. We will all need to use the KS2 gate to access Elm class for a short while whilst this is completed and I apologise for the inconvenience.

We had two residential trips recently. First, Year 6 travelled to the Isle of Wight where they visited castles, a zoo, the theatre and the beach. They had a wonderful time and their behaviour was impeccable.

This week, Year 4 went camping to Phasels Wood. We learnt shelter building, and did archery, wall climbing, bungee running and lots more. All children (and I) had a wonderful experience and they were a credit to our school with the enthusiasm and determination they showed when facing the challenging activities.

Finally, we are due to experience another mini heatwave next week, so please ensure your child has a sun hat, water bottle and sun cream applied when they come into school.

Have a wonderful week end.

Mr Brewis
