## A reminder about expectations for drop off and collection

- All children are to stay with their parent/carer on the playground (holding hand or next to them)
- Parent's in year 1-6 will wait for their child behind the blue line.
- Parent's in EYFS will stand in their designated pick up area (Please be in this area to ensure our younger pupils in year 1 and 2 can safely cross the playground to their parent/carer) Once you have collected your child, please stand behind the blue line if you are waiting for a sibling.

We have observed an increasing number of children at the top of the playground without adult supervision. Please be aware that Mr. Brandrick is not always available at the gate, which poses a risk of children leaving the playground unnoticed. We kindly ask for your cooperation in ensuring your child's safety.
