

Quick Quiz!

Reception

'Quick Quiz' is an exciting game we have written for the children. At the end of every topic they will take part in a fun quiz all about what they have learnt over the half-term. You can help your child to succeed and remember what they have learnt by talking about the questions together at home.

Research says that when children repeatedly return to previously learnt information, they are more likely to 'Know and Remember More' in the long term.
