Springhead Newsletter

Dear Parents,

It is almost time to say goodbye as Mrs Anderson and myself retire at the end of next week. After 22 years as Headteacher at Springhead, I have seen many children grow up—and some have become parents of children currently at the school! It is always lovely when past pupils come back to school to tell us how they are getting on.

It has been a great privilege to serve as headteacher and as I sit down to write my last newsletter and farewell, I am feeling mixed emotions: it is with a heavy heart that I will be saying goodbye to the lovely children and school community, however, I am also extremely grateful to have led such a fantastic school.

Thank you for all of the support you have given your children and the way that you have also supported me as headteacher. The school motto “Working together to achieve our best,” has been truly reflected in the community of the school. I would also like to personally thank all of the members of the school community that have come into school to wish us well in our retirement. We have both viewed Springhead as part of our extended family.

I would like to wish Mr Jones, the whole staff team, all the families and most of all the children, past and present, the very best for the future and I look forward to hearing about the school as it moves on successfully over the years and how the school remains a special place. The school has been very close to my heart.

Summer Fair

The summer fair was a massive success yesterday. I really enjoyed the community feel to the event. Can I thank the PTFA, staff and all of the volunteers who helped organise and run the fair and the other events over the year. The events would not be able to take place without their support and time they volunteer for the school. Well done everyone!
