

Spring Newsletter

Welcome to all students!

The children are settling really well and have been busy exploring the environments, especially the nursery garden.

Please do not send your child to nursery in jewellery. We are a busy setting and this can cause injury to your child or other children or can easily be lost.

Polite reminders

Mobile phones should not be used when dropping off or collecting children from nursery.

This is the time that practitioners and / or children will be wanting to talk to you, so please keep your phones away. Please do not smoke or vape on school ground, this is for the health and safety of staff and children.

Thank you for your understanding.

Sickness

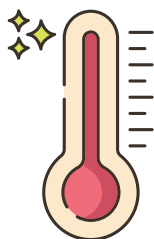

Your child may have snuffles and sneezes, but if they are well enough they can still come into school.

If your child has suffered from sickness and/or diarrhea they can only return 48 hours after the last bout, and only if they are well enough to do so.

If your child needs over the counter medication e.g Calpol, they are not well enough to attend and need to recuperate in the comfort of their home.

If your child has been prescribed antibiotics, they need to remain at home for the first 24 hours of starting the medication. This is to ensure they do not have an adverse reaction to the medication and to also give the medication chance to get into their system and start to work.

Please let us know when your child is unwell by calling us on 01709 828983/834354 press 2 to leave a message.

Lunches, Uniform and Social Media

From September 2024 we will be introducing an optional uniform for all children, which can be purchased from Pinders in Rotherham town. Alternatively you can purchase bottle green cardigans/jumpers, white school shirts and school skirts/trousers from any high street store.

We will also be giving children the option to bring a packed lunch or have a fresh hot meal for dinner/tea. Please let a member of our staff or reception know which option you would like for your child. Please be aware that once you have made your selection this preference will not be able to be changed until the following half term.

Our 2-3's provision has a parent Facebook group where pictures of our most recent events and rhymes of the week will be posted for parents to see. Please add Jade Arnold-Nursery as a friend to be added into the private group.
