

Spring 2025 Newsletter

Welcome to all students!

After a chilly start to the year we are pleased to welcome back existing families to our Nursery and get to know our new starters who joined us in January.

All the children have settled really well and have been busy exploring the environments especially the nursery garden.

We were really pleased to welcome PC Paul and PC Karen to nursery. They talked to the children about their job and some of the children had the chance to pretend to be a policeperson.

We look forward to the rest of the Spring term with your children.

Thank you for your continued support.

Lynsey Hadfield
Executive Headteacher

Spring 2025 Newsletter

Sickness

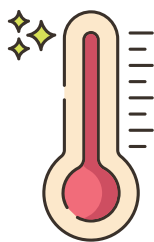

Your child may have snuffles and sneezes, but if they are well enough they can still come into school.

If your child has suffered from sickness and/or diarrhoea they can only return 48 hours after the last bout, and only if they are well enough to do so.

If your child needs over the counter medication e.g Calpol, they are not well enough to attend and need to recuperate in the comfort of their home.

If your child has been prescribed antibiotics, they need to remain at home for the first 24 hours of starting the medication. This is to ensure they do not have an adverse reaction to the medication and to also give the medication chance to get into their system and start to work.

Please let us know when your child is unwell by calling us on 01709 430420 press 1 to leave a message.

Important Notices

Please do not send your child to nursery in jewellery. We are a busy setting and this can cause injury to your child or other children or can easily be lost.

GATES

Please can all parents ensure they are closing the gate during drop off and pick up. This is for the safety of the children.

PARKING

Please do not park in front of our neighbours driveways.

Please do not park on the zig-zags or double park.

A number of our neighbours are elderly & disabled and need to get out of their driveways.

Thank you for your continued support
