## News from Brading CE Primary School

Headteacher: Mrs B Gilbert

Our Christian Values: **TRUST - TRUTH, RESPECT, UNITY, SINCERITY, TOLERANCE** –

This week our focus has been on **TRUST**

5<sup>th</sup> June 2026

Dear Parents and Carers,

I hope everyone had a great break and feel refreshed ready for the last term before the summer holidays.

**Time to Shine Cricket** - On Monday and for the next 5 weeks all of the children are having cricket coaching which is being run by the Isle of Wight Cricket Boards. Each week they will look at a new area of cricket. This week they looked at throwing and catching for different circumstances whether it was for a high ball, one handed catch and throw or a catch that was difficult to get to. This was extended during the afterschool club where they had target practice too and had to knock down the stumps before the other groups!

Can all children come into school in their PE kits on a Monday for the extra cricket lessons. This will be for the next 5 weeks.

**Visit from Jess Ong** – On Wednesday, we had a wonderful workshop called 'Songs in Place'. The children are writing their own spooky song! So far, we have written verses and a chorus and have begun to create a tune. In a couple of weeks, we will be finalising our song and recording it!

**Attendance Week** – We have just completed our first Attendance Week here at Brading for this term. We would really like to thank you for your support as parents/carers helping us with this to raise attendance during this week and every week moving forward for the rest of the school year.

**Pyjamarama Day** – Please be reminded that the children are welcome to come into school next Friday 12<sup>th</sup> June to celebrate Pyjamarama Day. Please make sure that the children are still wearing sensible shoes and make sure your clothing is weather suitable. Coats will still be needed if the weather is not great.

**What's happening at Brading** - We have lots of exciting things happening up until July. We will providing you all with more information over the coming weeks but here is a list of what we have planned.

8<sup>th</sup> June – Sea Safe Y5&6

12<sup>th</sup> June – Pyjamarama Day

19<sup>th</sup> June – Class and School Leaver Photographs

26<sup>th</sup> June – New Zealand class to lead Collective Worship – All New Zealand parents/carers invited to come along

29<sup>th</sup> June – 2<sup>nd</sup> July = Y6 Leavers Trips

6 – 9<sup>th</sup> July – Sports Week

7<sup>th</sup> July – Whole Island Transition day (Y6 to Secondary Schools)

8<sup>th</sup> July – Whole School Sports Day

10<sup>th</sup> July – Y6 Leavers service at St Marys Church AM

10<sup>th</sup> July – Leavers Afternoon (Party and awards)

13<sup>th</sup> – 21<sup>st</sup> July – Move up for all classes – where children will be spending time in their new classes with their new teachers

Have a lovely weekend and see you all on Monday.

Mrs Gilbert

**P.S** – Please don't forget Mrs Willshire and myself are available from 8.30am everyday if you need to discuss anything. All teaching staff are not available in the mornings but will be available after school only

# School Reminders

## Safeguarding Reminders

**Early Pickup** – We have noticed an increase of children being picked up early at the end of each school day. If you need to collect your child from school for any reason you will need to email [admin@bradingcepri.iow.sch.uk](mailto:admin@bradingcepri.iow.sch.uk) to request this along with any supporting documentation you have to confirm the reason for collection before the end of the school day. This will need to be agreed by Mrs Willshire or Mrs Gilbert.

**Safety End of the day Pick up** - We have reminded all of the children that they should stay with their adult when they leave. Once you have picked up your child from school please make sure that they stay with you. Year 5 & 6 children who leave school without an adult, please remember you are representing the school and to be safe at all times. All roads are dangerous and I don't want any accidents happening, especially as the evenings are still quite dark. In addition, can I please remind you about parking sensibly. There are residents who also live along this road and we all should be considerate of this. – If your child is not attending their fun club, you will need to let the office know and sign them out. Children attending clubs in Years 5&6 still need to be collected by an adult after. Don't forget that we need to keep the entrance of school clear in case the emergency services need to attend. This includes the yellow zigzag zone is strictly no parking.

**Medicine** – Just a reminder in regards to medicines. Our policy states we are only allowed to give children medicine for EYFS when the prescription states 3 x daily and 4 x daily for Years 1 – 6. If the prescription does not have the named child on the packaging we cannot administer this either. We can only take medicine that has been prescribed by the GP.

**Wraparound Care Booking** – Remember that there is a new way to book Wraparound. Ideally, we will need a **week's notice** of any bookings for Wraparound. To make sure the booking is secure for wraparound, we will require you to send us an email and make payment on School Money. Do not assume your child has a place until you receive an acknowledgement from the school office. Any bookings made on school money without contacting the office will be invalid. Without an email sent to the office and a confirmation email back from the school office we cannot book any Wraparound.

## Other Reminders

**Absences/Illness** - Please make sure if your child is going to be absent from school due to illness, medical appointments or any other reasons, you need to provide the office with a phone call, email or pop into the office (also any supporting letter you may have) on the day of the absence to inform them. Remember to please keep your child off of school for 48 hours after the last episode of diarrhoea and vomiting before bringing your child back into school. If we do not hear from you by 9.15am we will ring you. This is part of our duty of care and our safeguarding to ensure everyone is kept safe. We have changed our answer phone so you are unable to leave a message, you will need to ring the office from 8.45am daily and talk directly to us and let us know the reason your child is unable to attend school.

**Headlice** – We have started to see a rise with Headlice in school. It is important to check your child's hair for head lice. The best technique is to use a head lice comb when the hair is wet, leaving in conditioner and combing the hair in sections. When the hair is wet, head lice cannot move so they are easier to comb out. Please note that they do not jump or fly, you can only catch head lice from head to head contact. Treat appropriately: the wet combing technique eradicates the lice and eggs. This should be done every 3 to 4 days over a 2-week period to break the life cycle. If you require further information please have a look at the following website: <https://www.chc.org/how-to-treat-head-lice-and-nits-successfully/> Children who become clear of head lice can be re-infected at school. You can help to tackle this by following good prevention, by being vigilant to spot any new infections or re-infections and by seeking prompt treatment if you find any head lice.

**Facebook** – Please pop onto Facebook and follow our new page. We will be posting what your children have been getting up to here at school and wonderful photos for you to enjoy.

**Getting Warmer** - Now that the temperature has started to rise can you please ensure children still bring a warm, waterproof coat into school every day, it's not quite warm enough to be wearing only a jumper and we still have the wind and rain making an appearance every now and again. Please make sure all items are named to prevent them from getting lost!

**Lunch boxes/Bags** – Please remember that the children can only use hard plastic lunches boxes in school. Please do not send your child in with a material one. Also, we cannot have rucksacks in the classrooms. Please send your child in with a drawstring bag or a book bag that can fit in their trays.

**Food Snacks** – Please can I remind all parents/carers that are sending their children in with grapes in their packed lunches, that these have been cut into at least **halves or quarters**, especially for EYFS children as this is a choking hazard.

Collective worship this week – we have been continuing to focus on Tolerance  
Romans 15:7: "Accept one another, then, just as Christ accepted you, in order to bring praise to God."

## Weekly Focus

**Food Snacks** – Please can I remind all parents/carers that are sending their children in with grapes in their packed lunches, that these have been cut into at least **halves or quarters**, especially for EYFS children as this is a choking hazard.

### Penalty Notice Fines for School Attendance are Changing.

As set down by the Department for Education, penalty notices can be issued for unauthorised absence. With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued after 19th August 2024.

#### Per Parent, Per Child

Penalty Notice Fines will now be issued to each parent, for each child that was absent.

#### For example:

3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

#### 5 consecutive days of term time leave

Penalty Notice Fines will be issued for Term Time Leave of 5 or more consecutive days. INSET training days are school days and can be included in the 5 or more consecutive days where there was intent to be absent for term time leave.

#### 10 sessions of unauthorised absence in a 10-week period

Penalty Notice Fines will be considered when there has been 10 sessions of unauthorised absence in a 10 week period.

#### 1 First Offence

The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be:

**£160 per parent, per child paid within 28 days.**

**Reduced to £80 per parent, per child if paid within 21 days.**

#### 2 Second Offence

##### Within 3 years

The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: £160 per parent, per child paid within 28 days.

#### 3 Third Offence

##### And Any Further Offence (Within 3 years)

The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court. Magistrates' fines can be up to £2500 per parent, per child.

Cases found guilty in Magistrates' Court can show on the parent's future DBS certificate, due to 'failure to safeguard a child's education'.

# Our Brading Attendance Values

## TRUST

Being honest straight away about the reasons why children are not in school.  
Telling us straight away how you are feeling.  
We will be honest and tell you what is going to happen.

## RESPECT

Be fair and we will listen as to why your child is not in school and provide help.

## UNITY

We need everyone to be friendly and, as a school, we will do our best to help.

## SINCERITY

We will be genuine in our correspondence with you and look together at all the impacts of how not attending affects everyone in all aspects.

## TOLERANCE

We should accept that we all need to work together to improve attendance at school even if it is challenging.

We are a **TEAM** that **TRUST** each other

## Green attendance

### Above 95%

96 – 100% attendance equates to  
4 – 7 days absent each year

# THIS WEEK AT BRADING

## ANTIGUA

This week in Antigua we have started our topic on transport. Our book has been The Train Ride. We have had fun with different tuff tray activities, we've enjoyed transport puzzles, made our own train pictures, looked at a train ticket and talked about where we've been in the train. We also watched a video on a train trip, we talked about safety of getting on and off the train. The children also all worked together to create a train track and drew places on that they remembered from the story and some that they have visited themselves. At the beginning of the week we got the bikes out in the garden and drew a road. We had lots of fun. We talked about how to cross the road safely and added a zebra crossing.

## CUBA

This week Cuba Class has been exploring our new topic, transport. We have indulged in some interesting activities including making a train out of large construction, painting pictures using cars and making tracks in playdough. We also had an exciting opportunity to visit our brand-new sensory room. The children had so much fun!

## ST LUCIA

. This week in St Lucia class we have started our topic of transport. Our hook was creating our own train tickets and taking a train ride on an adventure. We have also made traffic light pictures, built boats that float and built our own transport with the large blocks outside.

# THIS WEEK AT BRADING

## NEW ZEALAND

What a fantastic first week back at school! Our topic this term is 'Kings and Queens.' The children have continued to learn about fractions in maths and we have now looked at a half, a quarter and a third. In English, we had a letter from the King and had an Art and Design day where we painted the Queen's knickers using primary and secondary colours and then made clay knicker sculptures fit for Queen Victoria. We started our six-week sessions of cricket and the children were amazing (this will take place every Monday so please wear a PE kit to school). In PSHE, we looked at the importance of exercise and sleep in order to stay healthy. In science, we started to look at the human body. Next week the year one children will undertake the Phonics Screen Check and I know they are going to be amazing.

## GALAPAGOS

What a lovely first week back we have had in Galapagos class! The children are thoroughly enjoying learning about our new topic 'Crime and Punishment'. We have spent this week exploring a famous highwayman called Dick Turpin. We even had a class debate discussing whether we believe he should be remembered as a hero or a villain. In maths we have continued our decimals topic and the children are grasping this concept really well, we have looked at tenths and hundredths and how these look on number lines, place value charts and hundred squares. We also had a super exciting workshop this week where the children had a chance to create their own song. They have decided to write about a haunted house and have now written all their lyrics to record the song in a couple of weeks! Well done Galapagos class!

## JAMAICA

This week in Jamaica class, we have been busy carrying out a science day. We created a science circuit and discussed the components that make up a circuit. In English, we have been studying Macbeth. We watched the play and carried out character descriptions on Macbeth, Banquo and the three witches. As part of our English lessons, we have thought about the characters' thoughts and feelings; We created a table displaying this.

## HAWAII

This week in Hawaii class the children explored different instruments and how they could make a beat or melody. They enjoyed being able to change the volume of the instruments by using them in different ways and trying to play melodies that they recognised such as twinkle, twinkle little star.

# Class HOOKS for this Term

## ANTIGUA

Transport - Train Ride  
Pirates - Walk the plank  
Under the Sea - What's at the bottom of the ocean exploration

## CUBA

Transport- we used the large construction to make a train to ride to the seaside. Pirates- we are going to walk the plank dressed as pirates. Deep sea divers- we are going to enjoy paddling pool fun

## ST LUCIA

Transport - Train Ride  
Pirates - Walk the plank  
Under the Sea - What's at the bottom of the ocean exploration

## NEW ZEALAND

New Zealand class is learning all about King and Queens this half term. The topic hook was a letter from the King! We then painted knickers using primary and secondary colours and made clay knicker sculptures fit for Queen Victoria! Our text driver is 'The King's Pants' as we are going to be writing a diary entry.

## GALAPAGOS

This half term our topic is 'Crime and Punishment'. For our hook we have researched the famous highwayman Dick Turpin. We have explored historical evidence as well as myths and legends about him. We then had a class debate answering the question 'Should Dick Turpin be remembered as a hero or a villain?'

## JAMAICA

This half term, our topic is the Shang Dynasty. For our hook, we will be carrying out a research report on the Shang Gods. For our outcome, we will be creating multiple art pieces displaying Shang Dynasty artefacts and will display these as part of a museum.

## HAWAII

We talked about hunters and gatherers in the stone age and tools and weapons they would have used. We then looked around our local area for materials they could use to make them.

What you need to know about...

# GAMES CONSOLES

## What are they?

### 'Games Consoles'

Much like a television allows you to watch movies or a radio allows you to listen to music, a games console allows you to play video games. The most modern ones are names you might be familiar with – Sony PlayStation, Microsoft Xbox, and Nintendo Switch – and almost all of them can now connect to the internet and be enjoyed online with friends.

## Know the Risks

### Online Content

While modern consoles don't strictly need to be connected to the internet, many of them also double up as an internet browser or provide the ability to stream TV shows and movies, so it's important that the appropriate filters and parental controls are in place to restrict children viewing any unsuitable content.

### Addictive nature

Games consoles require video games, and both can ultimately contribute towards an addictive habit. Playing too much and too often can force children to become reliant on the good feelings released when playing games, making them more likely to want to play them more frequently, and for longer periods of time.

### Hacking risk

It's almost impossible to avoid signing up to different services when using modern consoles. Keeping track of all these accounts can be difficult and in a worst-case scenario, fraudsters could gain access to personal information, addresses and bank details by hacking online profiles.

### Online Chat

Once connected to the internet, players can talk to each other either over headsets or using text chat functions on the consoles. Without the proper protections in place, children could speak to anybody of any age and find themselves building relationships with strangers they know nothing about.

## Safety Tips

### Check contacts

Online predators and hackers often use sly tactics to build relationships with children get them to illicit personal details through gaming platforms or gaming communities. Be on the lookout for suspect communications such as intrusive personal messages or people you suspect might not be who they say they are.

### Look for behaviour changes

Becoming withdrawn, irritable and anxious when not playing on a games console are trademark symptoms of gaming addiction. If children turn angry when asked to stop playing, that could also be a sign that an intervention is needed.

### Keep details private

Games consoles will almost exclusively ask you to enter your details securely on the console itself, or through a trusted website tied to the console maker. If somebody claiming to be working for Sony, Microsoft or Nintendo asks you to share your passwords or account details, do not give it to them.

### Use parental controls

Most gaming consoles will have parental controls which can be used to set up things like family management accounts. From here, parents can often set age limits on games and content, spending restrictions, limit play time and set up passwords and authentications to help keep children safe.

## Further Support

### Block and report

If someone has made your child feel uncomfortable, make note of suspect players, usernames. Often, you'll be able to ban or block these players in a game's settings. If you have proof of their intentions, don't hesitate to contact your local police force or authority with as much information and evidence as you can gather.

### Seek Support

If you're concerned about your child playing too much on their console and think they may have developed a gaming addiction, try and offer them support. The World Health Organisation has classified gaming disorder as a mental health condition and there may be external providers locally who can offer you more targeted help.

### Keep IDs safe

Be sure to talk to your child about the importance of keeping their identity safe. If they ever receive messages claiming to be from companies but something doesn't feel right, tell them not to respond and inform you. Things like odd spelling and grammar, strange email addresses, or asking for personal information are tell-tale signs.

You won't need to do this each time

Do you shop at Tesco? You could help us win a £1,000 donation - and it won't cost you a penny extra! Please join easyfundraising and every time you shop online, Brading CE Primary School will receive a cashback donation. The best bit? It comes from the retailer you shop with at no extra cost to you. We'd love to have your support! You can join as our supporter via the link below - it takes a couple of minutes. Once done, if you shop with Tesco or F&F Clothing this month via easyfundraising's website or app, we get a cashback donation AND we enter a draw to win a £1,000 bonus, thanks to the Tesco Community Pledge. Any questions do let me know - entry closes 31st May. Thank you so much.
