News from Brading CE Primary School

Headteacher: Mrs B Gilbert

Our Christian Values: TRUST - TRUTH, RESPECT, UNITY, SINCERITY, TOLERANCE –

This week our focus has been on SINCERITY

26th June 2026

Dear Parents and Carers,

Well, what can I say. That was a very hot week here in school this week. I just want to say a massive thank you to all of our students and staff for coping so well in school with the extreme heat this week. We are looking forward to a much cooler week next week.

Sports Day – We have our whole school sports day on Wednesday 8th July. We will be welcoming parents in school from 8.45am. Please can you make sure that all children are in their full PE kits along with a sun hat and sun cream applied before coming into school. Parents/carers are welcomed to bring along blankets to sit on. Thursday 9th July will be our backup sports day if Wednesday decides to have bad weather.

CUBA Class – Mrs Gardner will contact all parents/carers via tapestry regarding start times.

Sporting Event in Winchester – 9 Children went to Winchester Sports Centre to take part in the Hampshire Games. The children participated in 'Create a game' where they produced the best game of the day winning a large bag of PE equipment for school. They the learnt how to 'stack cups' before Karate and Yoga. The children were a credit to the school and although it was a long and hot day the children and staff thoroughly enjoyed it. I have a popped a photo further down the newsletter.

New Zealand Collective Worship – Please be reminded that New Zealand class leading Collective Worship has been postponed until next Friday 3rd July due to the recent weather warning (a text was sent on Thursday). New Zealand class parents and carers are welcomed to come along.

REMINDERS

FUN CLUBS – Please be reminded that next week is the last week for Fun Clubs for this school year.

Free School Meals Form – Last week all year 2 students were sent home with an FSM Form. Please can these be returned to the office filled out. From year 3 onwards, children are no longer in receipt of a free meal unless they meet the criteria for Free School Meals moving forward. **These need to be returned as soon as possible.**

NEXT YEAR REMINDERS

Lunch boxes/Bags – Thinking about next year and before you all go buy anything, please can I remind you that the children can only use hard plastic lunches boxes in school. Please do not send your child in with a material one. Also, we cannot have rucksacks in the classrooms. Please send your child in with a drawstring bag. I have added some examples below.

What's happening at Brading - We have lots of exciting things happening up until July. We will providing you all with more information over the coming weeks but here is a list of what we have planned.

29th June – 2nd July = Y6 Leavers Trips (information has been sent to parents/carers)

3rd July – New Zealand class to lead Collective Worship – All New Zealand parents/carers invited to come along

6 – 9th July – Sports Week

7th July – Whole Island Transition day (Y6 to Secondary Schools)

8th July – Whole School Sports Day

10th July – Y6 Leavers service at St Marys Church AM

10th July – Leavers Afternoon

10th July – Leavers Prom (16.30 – 18.30)

13th – 21st July – Move up for all classes – where children will be spending time in their new classes with their new teachers

14th – Cuba Class Trip to Wildheart Animal Sanctuary

16th – Hawaii Class Trip to Yaverland Beach

Have a lovely weekend and see you all on Monday.

Mrs Gilbert

P.S – Please don't forget Mrs Willshire and myself are available from 8.30am everyday if you need to discuss anything. All teaching staff are not available in the mornings but will be available after school only

School Reminders

Safeguarding Reminders

Early Pickup – We have noticed an increase of children being picked up early at the end of each school day. If you need to collect your child from school for any reason you will need to email admin@bradingcepri.iow.sch.uk to request this along with any supporting documentation you have to confirm the reason for collection before the end of the school day. This will need to be agreed by Mrs Willshire or Mrs Gilbert.

Safety End of the day Pick up - We have reminded all of the children that they should stay with their adult when they leave. Once you have picked up your child from school please make sure that they stay with you. Year 5 & 6 children who leave school without an adult, please remember you are representing the school and to be safe at all times. All roads are dangerous and I don't want any accidents happening, especially as the evenings are still quite dark. In addition, can I please remind you about parking sensibly. There are residents who also live along this road and we all should be considerate of this. – If your child is not attending their fun club, you will need to let the office know and sign them out. Children attending clubs in Years 5&6 still need to be collected by an adult after. Don't forget that we need to keep the entrance of school clear in case the emergency services need to attend. This includes the yellow zigzag zone is strictly no parking.

Medicine – Just a reminder in regards to medicines. Our policy states we are only allowed to give children medicine for EYFS when the prescription states 3 x daily and 4 x daily for Years 1 – 6. If the prescription does not have the named child on the packaging we cannot administer this either. We can only take medicine that has been prescribed by the GP.

Wraparound Care Booking – Remember that there is a new way to book Wraparound. Ideally, we will need a **week's notice** of any bookings for Wraparound. To make sure the booking is secure for wraparound, we will require you to send us an email and make payment on School Money. Do not assume your child has a place until you receive an acknowledgement from the school office. Any bookings made on school money without contacting the office will be invalid. Without an email sent to the office and a confirmation email back from the school office we cannot book any Wraparound.

Other Reminders

Absences/Illness - Please make sure if your child is going to be absent from school due to illness, medical appointments or any other reasons, you need to provide the office with a phone call, email or pop into the office (also any supporting letter you may have) on the day of the absence to inform them. Remember to please keep your child off of school for 48 hours after the last episode of diarrhoea and vomiting before bringing your child back into school. If we do not hear from you by 9.15am we will ring you. This is part of our duty of care and our safeguarding to ensure everyone is kept safe. We have changed our answer phone so you are unable to leave a message, you will need to ring the office from 8.45am daily and talk directly to us and let us know the reason your child is unable to attend school.

Headlice – We have started to see a rise with Headlice in school. It is important to check your child's hair for head lice. The best technique is to use a head lice comb when the hair is wet, leaving in conditioner and combing the hair in sections. When the hair is wet, head lice cannot move so they are easier to comb out. Please note that they do not jump or fly, you can only catch head lice from head to head contact. Treat appropriately: the wet combing technique eradicates the lice and eggs. This should be done every 3 to 4 days over a 2-week period to break the life cycle. If you require further information please have a look at the following website: <https://www.chc.org/how-to-treat-head-lice-and-nits-successfully/> Children who become clear of head lice can be re-infected at school. You can help to tackle this by following good prevention, by being vigilant to spot any new infections or re-infections and by seeking prompt treatment if you find any head lice.

Facebook – Please pop onto Facebook and follow our new page. We will be posting what your children have been getting up to here at school and wonderful photos for you to enjoy.

Getting Warmer - Now that the temperature has started to rise can you please ensure children still bring a warm, waterproof coat into school every day, it's not quite warm enough to be wearing only a jumper and we still have the wind and rain making an appearance every now and again. Please make sure all items are named to prevent them from getting lost!

Lunch boxes/Bags – Please remember that the children can only use hard plastic lunches boxes in school. Please do not send your child in with a material one. Also, we cannot have rucksacks in the classrooms. Please send your child in with a drawstring bag.

Food Snacks – Please can I remind all parents/carers that are sending their children in with grapes in their packed lunches, that these have been cut into at least **halves or quarters**, especially for EYFS children as this is a choking hazard.

Collective worship this week – we have been continuing to focus on Sincerity
"Little children, let us not love in word or talk but in deed and in truth." — 1 John 3:18

Weekly Focus

Sun Safety – Now the weather is getting warmer, please can you send your children with sun cream applied every morning. We are unable to apply this to them in school. Also, they will need to bring in a sun hat everyday for break and lunchtimes.

Penalty Notice Fines for School Attendance are Changing.

As set down by the Department for Education, penalty notices can be issued for unauthorised absence. With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued after 19th August 2024.

Per Parent, Per Child

Penalty Notice Fines will now be issued to each parent, for each child that was absent.

For example:

3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

5 consecutive days of term time leave

Penalty Notice Fines will be issued for Term Time Leave of 5 or more consecutive days. INSET training days are school days and can be included in the 5 or more consecutive days where there was intent to be absent for term time leave.

10 sessions of unauthorised absence in a 10-week period

Penalty Notice Fines will be considered when there has been 10 sessions of unauthorised absence in a 10 week period.

1 First Offence

The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be:

£160 per parent, per child paid within 28 days.

Reduced to £80 per parent, per child if paid within 21 days.

2 Second Offence

Within 3 years

The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: £160 per parent, per child paid within 28 days.

3 Third Offence

And Any Further Offence (Within 3 years)

The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court. Magistrates' fines can be up to £2500 per parent, per child.

Cases found guilty in Magistrates' Court can show on the parent's future DBS certificate, due to 'failure to safeguard a child's education'.

Our Brading Attendance Values

TRUST

Being honest straight away about the reasons why children are not in school.
Telling us straight away how you are feeling.
We will be honest and tell you what is going to happen.

RESPECT

Be fair and we will listen as to why your child is not in school and provide help.

UNITY

We need everyone to be friendly and, as a school, we will do our best to help.

SINCERITY

We will be genuine in our correspondence with you and look together at all the impacts of how not attending affects everyone in all aspects.

TOLERANCE

We should accept that we all need to work together to improve attendance at school even if it is challenging.

We are a **TEAM** that **TRUST** each other

THIS WEEK AT BRADING

ANTIGUA

This week in Antigua we have continued our pirate theme. We have made treasure chest out of boxes we worked in pairs to do this. We made treasure to put in our chests. We threaded straws onto strings to made bracelets. We made shark fins to go into the water and we decorated our own pirates. Our story this week has been Pirate Pete. We have had water play as we tried to stay as cool as we could in this hot weather.

CUBA

This week Cuba has continued with the pirate's theme, our book this week is Pirates Love Underpants. We have enjoyed making treasure maps and using pirate stickers. The children have enjoyed lots of water play to cool off in the hot weather. We have especially liked digging for coins in ice. Some of the children have loved playing with the beach balls.

ST LUCIA

This week in St Lucia, we have continued our Pirates topic. We have felt like real life pirates exploring lots of ice and water to keep ourselves cool. We have also been mapping out Brading and worked as a team to create a treasure map including the school, church and shop. We then looked at Brading on Google Earth to make sure we had included everything. It was a fantastic map and we have now got it up on our wall in our construction area.

THIS WEEK AT BRADING

NEW ZEALAND

This week we have started learning about time in maths. We have learned songs for the days of the week and the months of the year. We know what activities we would measure in seconds, minutes and hours. We are now starting to learn how to tell the time and the children have been using their clocks to show o'clock and half past. In English, the children have been using an apostrophe for singular possession. We have started digital writing in computing and in PSHE we have continued to learn about growing and changing.

GALAPAGOS

What a lovely sunny week we have had! This week we enjoyed our cricket session on Monday and then explored magnetic and non-magnetic materials in science. In art we started our drawing project and designed a wanted poster for Dick Turpin to link with our crime and punishment topic. In English we have begun writing our diary entry and in maths we have been exploring angles by comparing and ordering them. Have a great weekend!

JAMAICA

This week in Jamaica, it has been a hot one! On Monday, we started planning and drafting our recount on Macbeth. We talked through our success criteria, mapped out our paragraphs and then discussed how we could up-level our work but using figurative language. On Wednesday and Thursday, we completed some mosaic work for our "team that trust" sign. Once completed, our mosaic work will be displayed at the front of the school.

HAWAII

During topic this week, the children continued to develop their knowledge about the Bronze Age. We looked at how different structures were built and how Stonehenge was built. The children then got the opportunity to build their own structures based on the Bronze Age.

It can be challenging for parents and carers to know whether children are spending too much time on their devices. Furthermore, it's even more of a challenge to know whether a child is addicted to the internet and social media. As technology is becoming more pervasive, children and young people are experiencing tech-related dependencies. Do we as parents and carers have the knowledge to identify and support children and young people who may be developing an addiction to their devices?

What parents need to know about SCREEN ADDICTION

HEALTH & WELLBEING

Children as young as 13 are attending 'smartphone rehab' following growing concerns over screen time. There are now help centers in the UK which deal with screen addiction for children and adults showing the seriousness of device addiction. The World Health Organisation (WHO) has officially recognised gaming addiction as a modern disease. The condition was confirmed as part of their International Classification of Diseases (ICD) which serves as an international standard for diagnosing and treating health conditions.

LACK OF SLEEP

7 out of 10 children said they had missed out on sleep because of their online habits and 60% said they had neglected school work as a result. It is important that children get the sleep they need in order to focus the next day.

LOSS OF INTEREST IN OTHER THINGS

Your child may become less interested in anything that does not include their device. You may notice that your child is missing school time and generally being less engaged with other activities in the home. It is important to discuss this with your child as soon as you notice a behaviour change.

CONFIDENCE, SUPPORT & ADVICE

The Children's Commissioner report 'Life in Likes', explored how children aged 8-11 are using social media today. It showed that children are using their devices to speak to their online friends about their problems and seek acceptance and support, removing face to face interactions.

APPS CAN BE ADDICTIVE

Apps have been designed with 'psychological tricks' to constantly keep grabbing your attention. One example of this is on the app Snapchat, where you can gain 'streaks' when interacting with your friends. If you don't respond, you lose the streak. This addictive nature of apps aims to engage children and keep them coming back for more.

National Online Safety

Top Tips for Parents

LIMIT SCREEN TIME

In today's digital age, technology is an important part of a child's development so completely banning them from their device will mean they are missing out on a lot, including conversations and communication with their friends. Rather than banning them from using their devices, we suggest setting a screen time limit. Work out what you think is a suitable and healthy amount of time for your child to be on their device per week. Remember that your child may need to use devices for their school homework so only set screen limits on recreational time on their device. Once you have established this, have the conversation with them to discuss why you are implementing a screen limit. There will be others in your child's friendship group who will not have screen limits set and will be sending messages when they do not have access to their phones.

LEAD BY EXAMPLE

Children model their behavior on their peers, so if their parents are constantly on their device, they will see this as acceptable. Try limiting your own screen time and follow the same rules you have set for them. If you have asked your child to not use their device at the table, make sure you don't. Try setting house rules that the whole family abide by.

LESS TIME MEANS LESS EXPOSURE

There are many risks associated with devices, such as cyberbullying, grooming, sexting, viewing inappropriate content etc. Less time spent on a screen means that a child will be less exposed to these risks.

MOBILE-FREE MEAL TIMES

Have you tried to settle your child by giving them a tablet at the dinner table or restaurant? This may seem like a quick fix to calm them down but in reality, it is encouraging them to use their device as a distraction from conversation and dealing with their emotions. We suggest removing all technology from the dinner table and having conversations with your family about how their day has been.

REMOVE DEVICES FROM THEIR BEDROOM

Setting a rule about removing devices from bedrooms will help your child to get the sleep they need and be more focused the next day at school. 20% of teenagers said that they wake up to check their social network accounts on their devices. Even by having a device switched off in their bedroom, they may be tempted to check for notifications.

52% of children aged 3-4 go online for nearly 9hrs a week

82% of children aged 5-7 go online for nearly 9.5hrs a week

93% of children aged 8-11 go online for nearly 13.5hrs a week

99% of children aged 12-15 go online for nearly 20.5hrs a week

Children and Parents Media Use and Attitudes Report 2018

ENCOURAGE ALTERNATE ACTIVITIES

It may seem like an obvious solution, but encouraging children to play with their friends, read a book, or playing outdoors will help them realise they can have fun without their device. Playing football, trampolining, camping, going for a walk or swimming are all healthy replacements for screen time. Try to join them in their outdoor activities to show your support.

Do you shop at Tesco? You could help us win a £1,000 donation - and it won't cost you a penny extra! Please join easyfundraising and every time you shop online, Brading CE Primary School will receive a cashback donation. The best bit? It comes from the retailer you shop with at no extra cost to you. We'd love to have your support! You can join as our supporter via the link below - it takes a couple of minutes. Once done, if you shop with Tesco or F&F Clothing this month via easyfundraising's website or app, we get a cashback donation AND we enter a draw to win a £1,000 bonus, thanks to the Tesco Community Pledge. Any questions do let me know - entry closes 31st May. Thank you so much.
