News from Brading CE Primary School

Headteacher: Mrs B Gilbert

Our Christian Values: **TRUST - TRUTH, RESPECT, UNITY, SINCERITY, TOLERANCE** -

This week our focus has been on **RESPECT**

5th June 2026

Dear Parents and Carers,

The summer term is always one of the busiest and most rewarding time of the year, and it has been a pleasure to see our school buzzing with energy, enthusiasm and achievement.

Reading Festival with a Famous Author – On Wednesday the children took part in an online reading session called the 'York Festival of Ideas' event with Author Michael Morpurgo. He read from his book 'All Aboard the Story Time Express'.

Pyjamarama Day – Wow, it was amazing so see how many children came into school all comfy in their pyjama's today.

Westridge Golf Centre – We have been given a discount code to share with our parents/carers and staff. 20% off golf bay booking until end of September 2026 using code XJ3PD6ENDF, please visit <https://yourgolfbooking.com/venues/westridge-golf-centre/booking/bays> to book.

What's happening at Brading - We have lots of exciting things happening up until July. We will providing you all with more information over the coming weeks but here is a list of what we have planned.

19th June – Class and School Leaver Photographs

26th June – New Zealand class to lead Collective Worship – All New Zealand parents/carers invited to come along

29th June – 2nd July = Y6 Leavers Trips (information has been sent to parents/carers)

6 – 9th July – Sports Week

7th July – Whole Island Transition day (Y6 to Secondary Schools)

8th July – Whole School Sports Day

10th July – Y6 Leavers service at St Marys Church AM

10th July – Leavers Afternoon (Party and awards)

13th – 21st July – Move up for all classes – where children will be spending time in their new classes with their new teachers

Have a lovely weekend and see you all on Monday.

Mrs Gilbert

School Reminders

Safeguarding Reminders

Early Pickup – We have noticed an increase of children being picked up early at the end of each school day. If you need to collect your child from school for any reason you will need to email admin@bradingcepri.iow.sch.uk to request this along with any supporting documentation you have to confirm the reason for collection before the end of the school day. This will need to be agreed by Mrs Willshire or Mrs Gilbert.

Safety End of the day Pick up - We have reminded all of the children that they should stay with their adult when they leave. Once you have picked up your child from school please make sure that they stay with you. Year 5 & 6 children who leave school without an adult, please remember you are representing the school and to be safe at all times. All roads are dangerous and I don't want any accidents happening, especially as the evenings are still quite dark. In addition, can I please remind you about parking sensibly. There are residents who also live along this road and we all should be considerate of this. – If your child is not attending their fun club, you will need to let the office know and sign them out. Children attending clubs in Years 5&6 still need to be collected by an adult after. Don't forget that we need to keep the entrance of school clear in case the emergency services need to attend. This includes the yellow zigzag zone is strictly no parking.

Medicine – Just a reminder in regards to medicines. Our policy states we are only allowed to give children medicine for EYFS when the prescription states 3 x daily and 4 x daily for Years 1 – 6. If the prescription does not have the named child on the packaging we cannot administer this either. We can only take medicine that has been prescribed by the GP.

Wraparound Care Booking – Remember that there is a new way to book Wraparound. Ideally, we will need a **week's notice** of any bookings for Wraparound. To make sure the booking is secure for wraparound, we will require you to send us an email and make payment on School Money. Do not assume your child has a place until you receive an acknowledgement from the school office. Any bookings made on school money without contacting the office will be invalid. Without an email sent to the office and a confirmation email back from the school office we cannot book any Wraparound.

Other Reminders

Absences/Illness - Please make sure if your child is going to be absent from school due to illness, medical appointments or any other reasons, you need to provide the office with a phone call, email or pop into the office (also any supporting letter you may have) on the day of the absence to inform them. Remember to please keep your child off of school for 48 hours after the last episode of diarrhoea and vomiting before bringing your child back into school. If we do not hear from you by 9.15am we will ring you. This is part of our duty of care and our safeguarding to ensure everyone is kept safe. We have changed our answer phone so you are unable to leave a message, you will need to ring the office from 8.45am daily and talk directly to us and let us know the reason your child is unable to attend school.

Headlice – We have started to see a rise with Headlice in school. It is important to check your child's hair for head lice. The best technique is to use a head lice comb when the hair is wet, leaving in conditioner and combing the hair in sections. When the hair is wet, head lice cannot move so they are easier to comb out. Please note that they do not jump or fly, you can only catch head lice from head to head contact. Treat appropriately: the wet combing technique eradicates the lice and eggs. This should be done every 3 to 4 days over a 2-week period to break the life cycle. If you require further information please have a look at the following website: <https://www.chc.org/how-to-treat-head-lice-and-nits-successfully/> Children who become clear of head lice can be re-infected at school. You can help to tackle this by following good prevention, by being vigilant to spot any new infections or re-infections and by seeking prompt treatment if you find any head lice.

Facebook – Please pop onto Facebook and follow our new page. We will be posting what your children have been getting up to here at school and wonderful photos for you to enjoy.

Getting Warmer - Now that the temperature has started to rise can you please ensure children still bring a warm, waterproof coat into school every day, it's not quite warm enough to be wearing only a jumper and we still have the wind and rain making an appearance every now and again. Please make sure all items are named to prevent them from getting lost!

Lunch boxes/Bags – Please remember that the children can only use hard plastic lunches boxes in school. Please do not send your child in with a material one. Also, we cannot have rucksacks in the classrooms. Please send your child in with a drawstring bag or a book bag that can fit in their trays.

Food Snacks – Please can I remind all parents/carers that are sending their children in with grapes in their packed lunches, that these have been cut into at least **halves or quarters**, especially for EYFS children as this is a choking hazard.

Collective worship this week – we have been continuing to focus on Respect
"So, in everything, do to others what you would have them do to you, for this sums up the Law and the Prophets."

Weekly Focus

Early Pickup – We have noticed an increase of children being picked up early at the end of each school day. If you need to collect your child from school for any reason you will need to email admin@bradingcepri.iow.sch.uk to request this along with any supporting documentation you have to confirm the reason for collection before the end of the school day. This will need to be agreed by Mrs Willshire or Mrs Gilbert.

Dates for Your Diary

June

19th – Class and School Leaver Photographs

29th – 2nd = Y6 Leavers Trips (information has been sent to parents/carers)

July

6-9th – Sports Week

7th – Whole Island Transition Day (Y6 to their Secondary Schools)

8th – Sports Day

10th – Visit to St Mary's Church for Y6 Leaver Service AM

10th – Y6 Leavers Afternoon

13th – 21st – Move up for all classes

21st – Last day at school

22nd – Summer Holidays

Sept

2nd – Back to School

Foodbank Vouchers

Mrs Willshire is able to issue Foodbank Vouchers to anyone who may be struggling. Please email Mrs Willshire to request one if required.

Jo.willshire@bradingcepri.iow.sch.uk

Attendance

Whole School Target: 95%
Current weekly % = 87.35%

Class	% Last Week
Antigua	94.1%
St Lucia	100%
Cuba	88.9%
Hawaii	86.4%
New Zealand	86.7%
Galapagos	89.5%
Jamaica	82.6%

Penalty Notice Fines for School Attendance are Changing.

As set down by the Department for Education, penalty notices can be issued for unauthorised absence. With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued after 19th August 2024.

Per Parent, Per Child

Penalty Notice Fines will now be issued to each parent, for each child that was absent.

For example:

3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

5 consecutive days of term time leave

Penalty Notice Fines will be issued for Term Time Leave of 5 or more consecutive days. INSET training days are school days and can be included in the 5 or more consecutive days where there was intent to be absent for term time leave.

10 sessions of unauthorised absence in a 10-week period

Penalty Notice Fines will be considered when there has been 10 sessions of unauthorised absence in a 10 week period.

1 First Offence

The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be:

£160 per parent, per child paid within 28 days.

Reduced to £80 per parent, per child if paid within 21 days.

2 Second Offence

Within 3 years

The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: £160 per parent, per child paid within 28 days.

3 Third Offence

And Any Further Offence (Within 3 years)

The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court. Magistrates' fines can be up to £2500 per parent, per child.

Cases found guilty in Magistrates' Court can show on the parent's future DBS certificate, due to 'failure to safeguard a child's education'.

Our Brading Attendance Values

TRUST

Being honest straight away about the reasons why children are not in school.
Telling us straight away how you are feeling.
We will be honest and tell you what is going to happen.

RESPECT

Be fair and we will listen as to why your child is not in school and provide help.

UNITY

We need everyone to be friendly and, as a school, we will do our best to help.

SINCERITY

We will be genuine in our correspondence with you and look together at all the impacts of how not attending affects everyone in all aspects.

TOLERANCE

We should accept that we all need to work together to improve attendance at school even if it is challenging.

We are a **TEAM** that **TRUST** each other

Green attendance

Above 95%

96 – 100% attendance equates to
4 – 7 days absent each year

Children

Children arriving at school on time.
Coming into school every day.

Parents / carers

Arriving at school on time.
Provide accurate and up to date details.
Providing school with more than one emergency contact number.
Updating school if their details change.
Ensuring children attend daily.
Complete all absence forms.
Contact by email / phone a reason for absence before 8.15am daily.
Keep school updated in regards to medical appointments and provide evidence where possible.
Book medical appointments around school hours.
In regards to absence of more than 3 days or 10 days in a term, parents are expected to provide a signed letter explaining absence.
If asking for leave of absence, 2 weeks notice is required.

School

Keep you up to date on any changes in regards to attendance.
Provide leave of absence forms and reply with reasons for the decision.
Once register closed, school will contact parents daily if we have not heard from you.
Reminders in the newsletter.

Yellow attendance

90%-95%

Attendance equates to 8 – 20 days absent
each year and 50 – 100 lost lessons

Children

Children will have to catch up on the lessons they missed
15 minutes – 10 school days lost per year
5 minutes per day loses 3 school days per year

Parents / carers

Arriving at school on time.
Provide accurate and up to date details.
Providing school with more than one emergency contact number.
Updating school if their details change.
Ensuring children attend daily.
Complete all absence forms.
Contact by email / phone a reason for absence before 8.15am daily.
Keep school updated in regards to medical appointments and provide evidence where possible.
Book medical appointments around school hours.
In regards to absence of more than 3 days or 10 days in a term, parents are expected to provide a signed letter explaining absence.
If asking for leave of absence, 2 weeks notice is required.

School

Hold termly meetings with any parent where there are concerns about attendance.
Meetings will be with the EWS service.
We will check and look for patterns and codes and speak to parents to find ways to improve their child's attendance.
If a child has missed 10 days a term, we will inform the Local Authority.

Red attendance

Below 90%

Attendance equates to more than 20 days absent
each school year and over 100 lessons lost

Children

There will be serious gaps in my learning.

Parents / carers

15 minutes a day loses 19 school days per year.
Arriving consistently late to school without prior arrangement.
Not letting us know at school why they are absent.
Not informing us.

School

If required, and if attendance does not improve, appropriate legal action will be considered after a referral to Education and Inclusion Department.

Every
Minute

Custard Shortbread	Strawberry Jelly	Banana Cake	Lemon Drizzle Cake	Chocolate Flapjack

There is a change to the pudding on Friday 26th June. Chocolate Fudge Cake will replace Berry Blondie.

THIS WEEK AT BRADING

ANTIGUA

This week in Antigua we have continued our topic of transport. Our book this week has been I Wish I Were A Pilot and the children have enjoyed learning about aeroplanes. They have watched videos of a pilot going along the runway and the plane going up into the sky. They then enjoyed making their own aeroplanes and taking turns at being the Captain and also serving the drinks and food in the cabin. Mrs Pearson bought in her old cabin crew uniform and the children tried it on. The children also enjoyed making their own paper aeroplanes, made hot air balloons and made car tracks by rolling the cars through paint. Mrs V bought her passport in for the children to see, we talked about how you need a passport if you are going to a different country on holiday. The children then had a go at making their own passports. The children also had fun with a car wash tuff tray and making transport shape shortbread, which they then enjoyed eating! Today we invited the children to wear their pyjamas to school. They had fun talking to each other about what was on their pyjamas.

CUBA

This week in Cuba Class we have been exploring transport and our book was called wheels. The children have liked rolling cars down ramps and using cars in paint. We have decorated boats and cars using the paint dabbers. The highlight of the week was building a bus with the large construction and pretending to go on holiday.

ST LUCIA

This week we have continued our transport topic, we made our own aeroplanes and flew them using ribbons. We have also had a range of ramos made of different materials and have tested how different toy transport moved down the ramp. Finally, we ended the week enjoying sharing stories pyjamarama day.

THIS WEEK AT BRADING

NEW ZEALAND

Wow what a week! The year one children undertook the 'Phonics Screening Check' and all tried their hardest. The progress that they have all made has been amazing and I am very proud of each and every one of them. In English, the children have been writing sentences/paragraphs all about 'The King's Pants.' In maths, we have been learning all about unit and non-unit fractions and this has really stretched our brains. We had another fun cricket session and we discussed our new history topic 'Kings and Queens.'

GALAPAGOS

We have had a great week in Galapagos class this week. The children thoroughly enjoyed this cricket session on Monday, as well as our outdoor learning in our second PE session where we focused on teamwork. In Art we continued to develop our crime and punishment collages by experimenting with creating mood, feeling, areas of interest and movement. In topic we held an Anglo-Saxon vs Modern day courtroom where the children were given the role of jury, judge. They listened to the arguments presented and the suggested punishments for the crime committed and then as a class we made a final decision. Have a great weekend!

JAMAICA

This week in Jamaica class, we have started our new topic: The Shang Dynasty. We researched the civilisation and recognised that they lived in Beijing. We then created timelines displaying different occasions that took place during the Shang. On Thursday, we started our Art day for this half term. We looked at shading, and then applied this to cross/ hatching.

HAWAII

This week the children started learning about micro bits and how they can be used the answer questions. We talked about what data is and the data that the code has set the micro bit to collect. We then thought of questions we could try and answer using the data. The children looked for areas with the most and least light.

Class HOOKS for this Term

ANTIGUA

Transport - Train Ride
Pirates - Walk the plank
Under the Sea - What's at the bottom of the ocean exploration

CUBA

Transport- we used the large construction to make a train to ride to the seaside. Pirates- we are going to walk the plank dressed as pirates. Deep sea divers- we are going to enjoy paddling pool fun

ST LUCIA

Transport - Train Ride
Pirates - Walk the plank
Under the Sea - What's at the bottom of the ocean exploration

NEW ZEALAND

New Zealand class is learning all about King and Queens this half term. The topic hook was a letter from the King! We then painted knickers using primary and secondary colours and made clay knicker sculptures fit for Queen Victoria! Our text driver is 'The King's Pants' as we are going to be writing a diary entry.

GALAPAGOS

This half term our topic is 'Crime and Punishment'. For our hook we have researched the famous highwayman Dick Turpin. We have explored historical evidence as well as myths and legends about him. We then had a class debate answering the question 'Should Dick Turpin be remembered as a hero or a villain?'

JAMAICA

This half term, our topic is the Shang Dynasty. For our hook, we will be carrying out a research report on the Shang Gods. For our outcome, we will be creating multiple art pieces displaying Shang Dynasty artefacts and will display these as part of a museum.

HAWAII

We talked about hunters and gatherers in the stone age and tools and weapons they would have used. We then looked around our local area for materials they could use to make them.

This week in photos

This week in photos

These children won the Young Artists Nature Explorers competition. The children were invited to draw a nature-inspired picture and the winners will be included in a collection of books featuring artwork of reception children from all over the UK. Well done to the winners, they have been given a certificate and stickers!

Suggested Apps and Games For 7-11 YEARS

Learning

MAGIC PIANO BY SMILE

While Magic Piano doesn't strictly teach you how to play the piano, it does teach hand-eye coordination and can help spark creativity in young minds. Users can play along to a variety of popular songs, a range of different levels in an attempt to get through the song with as few mistakes as possible, increasing difficulty and reaction times. From an iOS and Android, the game does contain some ads and in-app purchases, so be sure to check these out before letting younger players unleash their musical side. Magic Piano is PEGI 3-rated but requires slightly more nimble hands to master so older kids will get the most from this.

AZOOMIE

Azoomie boasts over 1,000 games, stories and activities for kids of all ages to play, have fun and most importantly, develop their key skills in. The app is award-winning, RMTV nominated, supported by the NSPCC (according to the description on their app page) and comes with a suite of parental controls built in. As well as educational games, activities and lots of cartoon TV shows, the app also has a built-in chat feature where they can talk to their friends safely. It also offers a feature that if you buy a subscription to Azoomie for unlimited premium content for 24.99 a month, a portion of the money raised goes towards supporting the NSPCC. The app is available on iOS, Android and Amazon.

POLY BRIDGE

While Poly Bridge would be easily enjoyed solely as a game, it actually an incredibly clever way to learn critical thinking and engineering skills in a fun, friendly way. It's set in a colorful, cartoonish world and has extremely simple gameplay. In Poly Bridge, it's your task to get cars, buses, trucks and more safely to their destination by designing bridges that are safe and practical. These structures are created entirely upon you. With over 100 levels, a endless mode and almost infinite replayability, Poly Bridge is available on PC, Android, iOS and Nintendo Switch at various price points, so be sure to check which is the best option for you.

CROSSWORLD PUZZLES (WUBU APPS LTD)

Crossworld Puzzles might not sound very clever but it's a learning game for younger kids, but they're incredibly effective at building strong word skills and problem solving. This one by Wubu Apps Limited is available on iOS and even better changes its realm of daily puzzles and challenges, although there are a whole host of apps available but there's nothing else similar things. They're limited in, but would likely be called to take a little while to be convinced are designed for adults as well. In conclusion, Crossworld Puzzles is only available on iOS devices and is free to download but does contain in-app purchases.

SCRIBBLENAUTS UNLIMITED

Scribblenauts is a game like few others in that it actively encourages children to use their imagination to solve a variety of puzzles, limited only by their imagination. Players must complete levels by conjuring potentially useful items for each character they will be utilizing. Barrels and explosives for example. The game helps create strong vocabulary and word associations in a fun 3D building. While any version of Scribblenauts is good, Unlimited is the most readily available, being released on Wii U, PC, Nintendo 3DS, iOS and Android devices, PS4, Xbox One and Nintendo Switch.

SUPER MARIO ODYSSEY

Widely regarded as one of the greatest games Nintendo has ever made, Super Mario Odyssey provides nearly boundless fun and a challenging experience for kids to learn new skills in a video game. Rated PEGI 3, Odyssey can be enjoyed by almost any age range, even those who are young at heart. The caveat to this game is only available on Nintendo Switch, so some investment will need to be made, but the rewards far outweigh that of other child only titles and the ability to play on the go as well as at home.

MINECRAFT

Minecraft is one of those rare, timeless classics that can be enjoyed by every age group. Coming in both a console version and a pocket edition for mobile devices, the sandbox world building game in Minecraft offers an amazing way to let your imagination run wild. The game can be played online with friends, and supports multiplayer, meaning that no matter what device everybody has, it can be played together. While the game isn't free, it will undoubtedly provide hours and hours of fun for the whole family. It's worth the investment of a one-time purchase. As one of the most popular games ever released, it requires critical thinking, problem-solving and more, all, too.

NETFLIX

As obvious as it may sound, Netflix's children's section is built for keeping young ones entertained with a wealth of titles on long journeys and fun. The specific profiles for kids allow them to only view content appropriate for younger audiences, which lets you set their watch list. You can also watch on any device, at any time. Curated playlists, easy navigation through TV series and movies, and no ads make this a great choice for parents. The only downside to the app is that it requires a Netflix subscription in order to use. But if you're happy to pay the monthly cost, it's an absolute must for any parent.

LEGO MOVIE MAKER 2

The LEGO Movie Maker 2 app lets users create their own stop motion movies and upload them to either YouTube or Vimeo. Kids can create a short 30-second stop motion movie they like using a range of easy-to-use tools and are able to add in sound and visual effects to make the videos look super realistic. All movies are uploaded before they make it online so you can be sure no sensitive information is uploaded or shared by third parties. The app is free to download on both iOS and Android but does require a 30-day account to upload videos. The only information needed for an account is the country you live in, your email address and date of birth. While it's rated for 7+, kids will end up will get the most out of this one.

ADVENTURES OF PICO ECO: LOST SOUNDS

If something more story-based and child-centric is on your mind, Adventures of Pico Eco should be able to catch that fish. With an emphasis on creating a rich and exciting world of sound effects over fun game play, the game is perfect for sound-loving young ones, as opposed to challenging them. The single player game is available on all iOS and Android devices, as well as the Amazon Kindle Fire and you can also nab yourself a free copy of the soundtrack with the purchase.

Meet our expert

Mark Foster has worked in the gaming industry for 11 years as a writer, editor and presenter. He is the current gaming editor of one of the biggest gaming magazines in the world, IGN. He's also a frequent speaker at gaming events and has a passion for understanding how games and tech work, but more importantly, how to make them safe and fun.

You won't need to do this each time

Do you shop at Tesco? You could help us win a £1,000 donation - and it won't cost you a penny extra! Please join easyfundraising and every time you shop online, Brading CE Primary School will receive a cashback donation. The best bit? It comes from the retailer you shop with at no extra cost to you. We'd love to have your support! You can join as our supporter via the link below - it takes a couple of minutes. Once done, if you shop with Tesco or F&F Clothing this month via easyfundraising's website or app, we get a cashback donation AND we enter a draw to win a £1,000 bonus, thanks to the Tesco Community Pledge. Any questions do let me know - entry closes 31st May. Thank you so much.
