News from Brading CE Primary School

Headteacher: Mrs B Gilbert

Our Christian Values: **TRUST - TRUTH, RESPECT, UNITY, SINCERITY, TOLERANCE** –

This week our focus has been on **TOLERANCE**

10th July 2026

Dear Parents and Carers,

Sports Week

What an amazing but warm Sports Week we have had here at school. The children have enjoyed taking part in every sporting activity throughout the week. Thank you to all the parents/carers and family members that came along to support the children in their Sports Day and for taking part in the adult race.

Transition Day – Our Y6 children all went to their new High Schools this Tuesday for their transition days. They all had an amazing time and are looking forward to their next journeys come September.

Just a few reminders before the end of term.

Mobile Phone Update

Due to changes in regulations, just a reminder that mobile phones and other smart technology (including watches, glasses and rings) with similar functionality (for example, the ability to send and/or receive notifications or messages via mobile phone networks or the ability to record audio and/or video) are not able to be used throughout the school day including before lessons, during lessons, between lessons at breaktimes or lunchtimes. We ask that all Parent/carers and families support the school in adhering to this new policy and not using them on site. Staff will also be showing the same consideration when working around the children.

Communication outside school

I am writing to remind everyone that as a school our motto is that **we are a TEAM that TRUST each other**, where our values are based on being truthful, respectful, having unity, being sincere and showing tolerance to everyone.

It has been brought to my attention that parents have their own online groups to communicate with each other. The way the online world is working means this is a fantastic way to make sure that we all keep in contact with each other relatively quickly and stay on top of what is going on. However, if you are part of these groups, I would like everyone to make sure that any facts that are shared are truthful and have been checked by school staff, because mis-communicated and incorrect facts can cause further heightened responses. It is often the case that the full facts of any incident are only known to the people involved and speculating or sharing one side of the story can have a detrimental impact on everyone.

In addition, commenting on individual children or adults, online or in person, could also be seen as discrimination or harassment and could lead to further investigations having to be undertaken, which if necessary, will take place.

My door is always open and I am more than happy to support in any way, including talking through any incidents confidentially and providing you with as much information and reassurance that I can. Teaching staff are also present straight after school to discuss any issue you may have. If we have any concerns, staff will also approach you to ensure you have the facts of any matter. Mrs Willshire is always available as well to help.

Thanking you for your ongoing support with this.

NEXT SCHOOL YEAR REMINDERS

Lunch boxes/Bags – Thinking about next year and before you all go to buy anything; please can I remind you that the children can only use hard plastic lunches boxes in school. Please do not send your child in with a material one. Also, we cannot have rucksacks/book bags in the classrooms. Please send your child in with a drawstring bag. I have added some examples below.

Weather Kits – Please be reminded that for the children's comfort in school whilst the weather is getting hotter, they are encouraged to come into school with their PE Kits on every day. Please also bring refillable water bottles, hats and had sun cream applied before coming to school.

New Class Set up for 26/27

Mrs Gilbert

P.S – Please don't forget Mrs Willshire and myself are available from 8.30am everyday if you need to discuss anything. All teaching staff are not available in the mornings but will be available after school only

School Reminders

Safeguarding Reminders

Early Pickup – We have noticed an increase of children being picked up early at the end of each school day. If you need to collect your child from school for any reason you will need to email admin@bradingcepri.iow.sch.uk to request this along with any supporting documentation you have to confirm the reason for collection before the end of the school day. This will need to be agreed by Mrs Willshire or Mrs Gilbert.

Safety End of the day Pick up - We have reminded all of the children that they should stay with their adult when they leave. Once you have picked up your child from school please make sure that they stay with you. Year 5 & 6 children who leave school without an adult, please remember you are representing the school and to be safe at all times. All roads are dangerous and I don't want any accidents happening, especially as the evenings are still quite dark. In addition, can I please remind you about parking sensibly. There are residents who also live along this road and we all should be considerate of this. – If your child is not attending their fun club, you will need to let the office know and sign them out. Children attending clubs in Years 5&6 still need to be collected by an adult after. Don't forget that we need to keep the entrance of school clear in case the emergency services need to attend. This includes the yellow zigzag zone is strictly no parking.

Medicine – Just a reminder in regards to medicines. Our policy states we are only allowed to give children medicine for EYFS when the prescription states 3 x daily and 4 x daily for Years 1 – 6. If the prescription does not have the named child on the packaging we cannot administer this either. We can only take medicine that has been prescribed by the GP.

Wraparound Care Booking – Remember that there is a new way to book Wraparound. Ideally, we will need a **week's notice** of any bookings for Wraparound. To make sure the booking is secure for wraparound, we will require you to send us an email and make payment on School Money. Do not assume your child has a place until you receive an acknowledgement from the school office. Any bookings made on school money without contacting the office will be invalid. Without an email sent to the office and a confirmation email back from the school office we cannot book any Wraparound.

Other Reminders

Absences/Illness - Please make sure if your child is going to be absent from school due to illness, medical appointments or any other reasons, you need to provide the office with a phone call, email or pop into the office (also any supporting letter you may have) on the day of the absence to inform them. Remember to please keep your child off of school for 48 hours after the last episode of diarrhoea and vomiting before bringing your child back into school. If we do not hear from you by 9.15am we will ring you. This is part of our duty of care and our safeguarding to ensure everyone is kept safe. We have changed our answer phone so you are unable to leave a message, you will need to ring the office from 8.45am daily and talk directly to us and let us know the reason your child is unable to attend school.

Headlice – We have started to see a rise with Headlice in school. It is important to check your child's hair for head lice. The best technique is to use a head lice comb when the hair is wet, leaving in conditioner and combing the hair in sections. When the hair is wet, head lice cannot move so they are easier to comb out. Please note that they do not jump or fly, you can only catch head lice from head to head contact. Treat appropriately: the wet combing technique eradicates the lice and eggs. This should be done every 3 to 4 days over a 2-week period to break the life cycle. If you require further information please have a look at the following website: <https://www.chc.org/how-to-treat-head-lice-and-nits-successfully/> Children who become clear of head lice can be re-infected at school. You can help to tackle this by following good prevention, by being vigilant to spot any new infections or re-infections and by seeking prompt treatment if you find any head lice.

Facebook – Please pop onto Facebook and follow our new page. We will be posting what your children have been getting up to here at school and wonderful photos for you to enjoy.

Getting Warmer - Now that the temperature has started to rise can you please ensure children still bring a warm, waterproof coat into school every day, it's not quite warm enough to be wearing only a jumper and we still have the wind and rain making an appearance every now and again. Please make sure all items are named to prevent them from getting lost!

Lunch boxes/Bags – Please remember that the children can only use hard plastic lunches boxes in school. Please do not send your child in with a material one. Also, we cannot have rucksacks in the classrooms. Please send your child in with a drawstring bag.

Food Snacks – Please can I remind all parents/carers that are sending their children in with grapes in their packed lunches, that these have been cut into at least **halves or quarters**, especially for EYFS children as this is a choking hazard.

Collective worship this week – we have been continuing to focus on Tolerance
Colossians 3:12-14: Commands believers to clothe themselves with compassion, kindness, humility, and forgiveness.

Weekly Focus

Sun Safety – Now the weather is getting warmer, please can you send your children with sun cream applied every morning. We are unable to apply this to them in school. Also, they will need to bring in a sun hat everyday for break and lunchtimes.

Penalty Notice Fines for School Attendance are Changing.

As set down by the Department for Education, penalty notices can be issued for unauthorised absence. With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued after 19th August 2024.

Per Parent, Per Child

Penalty Notice Fines will now be issued to each parent, for each child that was absent.

For example:

3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

5 consecutive days of term time leave

Penalty Notice Fines will be issued for Term Time Leave of 5 or more consecutive days. INSET training days are school days and can be included in the 5 or more consecutive days where there was intent to be absent for term time leave.

10 sessions of unauthorised absence in a 10-week period

Penalty Notice Fines will be considered when there has been 10 sessions of unauthorised absence in a 10 week period.

1 First Offence

The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be:

£160 per parent, per child paid within 28 days.

Reduced to £80 per parent, per child if paid within 21 days.

2 Second Offence

Within 3 years

The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: £160 per parent, per child paid within 28 days.

3 Third Offence

And Any Further Offence (Within 3 years)

The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court. Magistrates' fines can be up to £2500 per parent, per child.

Cases found guilty in Magistrates' Court can show on the parent's future DBS certificate, due to 'failure to safeguard a child's education'.

Our Brading Attendance Values

TRUST

Being honest straight away about the reasons why children are not in school.
Telling us straight away how you are feeling.
We will be honest and tell you what is going to happen.

RESPECT

Be fair and we will listen as to why your child is not in school and provide help.

UNITY

We need everyone to be friendly and, as a school, we will do our best to help.

SINCERITY

We will be genuine in our correspondence with you and look together at all the impacts of how not attending affects everyone in all aspects.

TOLERANCE

We should accept that we all need to work together to improve attendance at school even if it is challenging.

We are a **TEAM** that **TRUST** each other

THIS WEEK AT BRADING

ANTIGUA

This week in Antigua we have continued our summer topic. We had our sports day and all did brilliantly in our races. Then we made our own medals and had our own little ceremony. We have had fun with lots of different activities, we've decorated our own sunglasses, buckets had fun in an ice cream tuff tray! We discussed what we like on our ice cream and what our favourite flavours are. We have enjoyed making sandcastles, playing with sea creatures. We investigated some ice which we then played with, which was lovely as we were very hot! We were also very lucky to get a new water wall to play with, perfect for this weather.

CUBA

This week we have celebrated sports week! We have enjoyed having our parents joining us for sports day, as well as trying different activities and using different equipment. We especially enjoyed the parachute!

ST LUCIA

This week in St Lucia class we have loved every minute of our last week together. We have been super busy with sports day, cricket and visiting the church for the leavers service. We have also spent time painting ice, planting seeds and painting with sand. We finished the week off with making yummy fruit kebabs for a cooling snack including peeling all the fruit ourselves

THIS WEEK AT BRADING

NEW ZEALAND

Wow what an amazing final week as New Zealand class. We started the week with cricket and team-based sports and the children were fantastic at working together and supporting one another. We have continued to learn about time and the children are becoming more and more confident. In history, we designed a banquet menu and played conscience alley to decide the verdict of whether King Richard was guilty or not guilty. The children displayed great oracy skills - well done! I just want to say how very proud of the year two children I am and I will miss them. Good luck in your new class and please continue to shine!

GALAPAGOS

What a fabulous final week we have had as Galapagos class! Sports week has been filled with lots of super exciting activities including cricket sessions, an interschool sports competition, sports day and dressing as our favourite sports person. We have had so much fun and I'm so proud of how hard the children have worked as a team, cheering each other on and showing good sportsmanship. We have had a great year this year and I hope all the children have a great transition week next week! Have a lovely weekend!

JAMAICA

This week in Jamaica class, we have been busy finishing off our science topic "scientists and inventors". We studied the work of Steve Jobs in our final lesson and made a research report displaying our findings. In topic, we looked at the hierarchy of the Shang Dynasty. On Wednesday, we took part in our sports day. We completed multiple races, and competed against different people from across the school.

HAWAII

We learnt about Hillforts and how archaeologists found evidence of group settlements. We looked at what were inside the houses in the Hillforts and how they were used by the settlers. The children then create their own Hillfort house with a fire, mattresses, seats and a loom. They sat in it together and thought about how people lived during the Iron Age.

NEW ZEALAND

New Zealand class is learning all about King and Queens this half term. The topic hook was a letter from the King! We then painted knickers using primary and secondary colours and made clay knicker sculptures fit for Queen Victoria! Our text driver is 'The King's Pants' as we are going to be writing a diary entry.
