News from Brading CE Primary School

Headteacher: Mrs B Gilbert

Our Christian Values: **TRUST - TRUTH, RESPECT, UNITY, SINCERITY, TOLERANCE** –

This week our focus has been on **UNITY**

17th July 2026

Dear Parents and Carers,

I just want to thank everybody and can quite believe this is the last newsletter of the year. So much has happened over the last year. Thank you to all our amazing staff for all their hard work over the last year along side the governing board and for all of your continued support.

Its that time of year where we say good bye to our year 6 students. We wish them all the very best on their next school journeys in Secondary School. We know they will continue to reach for the stars.

We would like to also wish Mrs Hayward all the very best in her new job and thank you for all of the hard work she has put in over the years she has been at Brading. We as staff and the students are going to miss her very much.

Id like wish you all a fabulous Summer and look forward to seeing you all on 2nd September 2026.

Communication outside school

I am writing to remind everyone that as a school our motto is that **we are a TEAM that TRUST each other**, where our values are based on being truthful, respectful, having unity, being sincere and showing tolerance to everyone.

It has been brought to my attention that parents have their own online groups to communicate with each other. The way the online world is working means this is a fantastic way to make sure that we all keep in contact with each other relatively quickly and stay on top of what is going on. However, if you are part of these groups, I would like everyone to make sure that any facts that are shared are truthful and have been checked by school staff, because mis-communicated and incorrect facts can cause further heightened responses. It is often the case that the full facts of any incident are only known to the people involved and speculating or sharing one side of the story can have a detrimental impact on everyone.

In addition, commenting on individual children or adults, online or in person, could also be seen as discrimination or harassment and could lead to further investigations having to be undertaken, which if necessary, will take place.

My door is always open and I am more than happy to support in any way, including talking through any incidents confidentially and providing you with as much information and reassurance that I can. Teaching staff are also present straight after school to discuss any issue you may have. If we have any concerns, staff will also approach you to ensure you have the facts of any matter. Mrs Willshire is always available as well to help.

Thanking you for your ongoing support with this.

Year 5 & 6 walking to and from school alone – Please make sure that if your child will be late and not make their school start time of 8.20am they **MUST** be signed in by their adults at the school office. They should **NOT** be coming into school by themselves at any time if they are late. This is to keep everyone safe.

Mobile Phone Update

Due to changes in regulations, just a reminder that mobile phones and other smart technology (including watches, glasses and rings) with similar functionality (for example, the ability to send and/or receive notifications or messages via mobile phone networks or the ability to record audio and/or video) are not able to be used throughout the school day including before lessons, during lessons, between lessons at breaktimes or lunchtimes. We ask that all Parent/carers and families support the school in adhering to this new policy and not using them on site. Staff will also be showing the same consideration when working around the children.

NEXT SCHOOL YEAR REMINDERS

Lunch boxes/Bags – Thinking about next year and before you all go to buy anything; please can I remind you that the children can only use hard plastic lunches boxes in school. Please do not send your child in with a material one. Also, we cannot have rucksacks/book bags in the classrooms. Please send your child in with a drawstring bag. I have added some examples below.

P.S – Please don't forget Mrs Willshire and myself are available from 8.30am everyday if you need to discuss anything. All teaching staff are not available in the mornings but will be available after school only

School Reminders

Safeguarding Reminders

Early Pickup – We have noticed an increase of children being picked up early at the end of each school day. If you need to collect your child from school for any reason you will need to email admin@bradingcepri.iow.sch.uk to request this along with any supporting documentation you have to confirm the reason for collection before the end of the school day. This will need to be agreed by Mrs Willshire or Mrs Gilbert.

Safety End of the day Pick up - We have reminded all of the children that they should stay with their adult when they leave. Once you have picked up your child from school please make sure that they stay with you. Year 5 & 6 children who leave school without an adult, please remember you are representing the school and to be safe at all times. All roads are dangerous and I don't want any accidents happening, especially as the evenings are still quite dark. In addition, can I please remind you about parking sensibly. There are residents who also live along this road and we all should be considerate of this. – If your child is not attending their fun club, you will need to let the office know and sign them out. Children attending clubs in Years 5&6 still need to be collected by an adult after. Don't forget that we need to keep the entrance of school clear in case the emergency services need to attend. This includes the yellow zigzag zone is strictly no parking.

Medicine – Just a reminder in regards to medicines. Our policy states we are only allowed to give children medicine for EYFS when the prescription states 3 x daily and 4 x daily for Years 1 – 6. If the prescription does not have the named child on the packaging we cannot administer this either. We can only take medicine that has been prescribed by the GP.

Wraparound Care Booking – Remember that there is a new way to book Wraparound. Ideally, we will need a **week's notice** of any bookings for Wraparound. To make sure the booking is secure for wraparound, we will require you to send us an email and make payment on School Money. Do not assume your child has a place until you receive an acknowledgement from the school office. Any bookings made on school money without contacting the office will be invalid. Without an email sent to the office and a confirmation email back from the school office we cannot book any Wraparound.

Other Reminders

Absences/Illness - Please make sure if your child is going to be absent from school due to illness, medical appointments or any other reasons, you need to provide the office with a phone call, email or pop into the office (also any supporting letter you may have) on the day of the absence to inform them. Remember to please keep your child off of school for 48 hours after the last episode of diarrhoea and vomiting before bringing your child back into school. If we do not hear from you by 9.15am we will ring you. This is part of our duty of care and our safeguarding to ensure everyone is kept safe. We have changed our answer phone so you are unable to leave a message, you will need to ring the office from 8.45am daily and talk directly to us and let us know the reason your child is unable to attend school.

Headlice – We have started to see a rise with Headlice in school. It is important to check your child's hair for head lice. The best technique is to use a head lice comb when the hair is wet, leaving in conditioner and combing the hair in sections. When the hair is wet, head lice cannot move so they are easier to comb out. Please note that they do not jump or fly, you can only catch head lice from head to head contact. Treat appropriately: the wet combing technique eradicates the lice and eggs. This should be done every 3 to 4 days over a 2-week period to break the life cycle. If you require further information please have a look at the following website: <https://www.chc.org/how-to-treat-head-lice-and-nits-successfully/> Children who become clear of head lice can be re-infected at school. You can help to tackle this by following good prevention, by being vigilant to spot any new infections or re-infections and by seeking prompt treatment if you find any head lice.

Facebook – Please pop onto Facebook and follow our new page. We will be posting what your children have been getting up to here at school and wonderful photos for you to enjoy.

Getting Warmer - Now that the temperature has started to rise can you please ensure children still bring a warm, waterproof coat into school every day, it's not quite warm enough to be wearing only a jumper and we still have the wind and rain making an appearance every now and again. Please make sure all items are named to prevent them from getting lost!

Lunch boxes/Bags – Please remember that the children can only use hard plastic lunches boxes in school. Please do not send your child in with a material one. Also, we cannot have rucksacks in the classrooms. Please send your child in with a drawstring bag.

Food Snacks – Please can I remind all parents/carers that are sending their children in with grapes in their packed lunches, that these have been cut into at least **halves or quarters**, especially for EYFS children as this is a choking hazard.

Collective worship this week – we have been continuing to focus on Tolerance
Colossians 3:12-14: Commands believers to clothe themselves with compassion, kindness, humility, and forgiveness.

Weekly Focus

Sun Safety – Now the weather is getting warmer, please can you send your children with sun cream applied every morning. We are unable to apply this to them in school. Also, they will need to bring in a sun hat everyday for break and lunchtimes.

Penalty Notice Fines for School Attendance are Changing.

As set down by the Department for Education, penalty notices can be issued for unauthorised absence. With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued after 19th August 2024.

Per Parent, Per Child

Penalty Notice Fines will now be issued to each parent, for each child that was absent.

For example:

3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

5 consecutive days of term time leave

Penalty Notice Fines will be issued for Term Time Leave of 5 or more consecutive days. INSET training days are school days and can be included in the 5 or more consecutive days where there was intent to be absent for term time leave.

10 sessions of unauthorised absence in a 10-week period

Penalty Notice Fines will be considered when there has been 10 sessions of unauthorised absence in a 10 week period.

1 First Offence

The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be:

£160 per parent, per child paid within 28 days.

Reduced to £80 per parent, per child if paid within 21 days.

2 Second Offence

Within 3 years

The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: £160 per parent, per child paid within 28 days.

3 Third Offence

And Any Further Offence (Within 3 years)

The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court. Magistrates' fines can be up to £2500 per parent, per child.

Cases found guilty in Magistrates' Court can show on the parent's future DBS certificate, due to 'failure to safeguard a child's education'.

GALAPAGOS

What a lovely first week in our new class! The children have settled so well and have been enjoying all the fun activities we have completed. We have written autumn poems and created some autumn art for the horticultural show in September. We have also learnt all about our class name Malta! We explored the weather, locations, cuisine, the flag and even some traditions. We created our own masks and headdresses and learnt a dance from a previous Malta carnival and had our very own carnival in the classroom!

JAMAICA

This week in Australia class, we have been busy settling into our new class. On Tuesday, we had "Australia" day where we looked at maps of Australia, located famous landmarks and recognised the flag. On Wednesday, we went to the faith festival at Oakfield primary school. We took part in a range of activities and worked together as a team

HAWAII

This week Hawaii class went on a school trip to the beach. We looked for rocks and fossils along the coastline and found some very interesting objects buried in the sand. We learnt about the tide coming in and out and being safe around the bottom of the cliff. The children had a fantastic time and represented our school amazingly!

Cold water shock hits fast though.

They panic.

They could climb on you to stay afloat.

Now it's two of you in trouble.

What actually saves lives:

Call 999.

Tell them to float on their back.

Throw something that floats.

Phone, Float, Throw.
