News from Brading CE Primary School

Headteacher: Mrs B Gilbert

Friday 10th May 2024

Office Administrators: Mr Campbell, Ms Barnard

Our Christian Values: Trust

Truth, Respect, Unity, Sincerity, Tolerance

This week our focus has been on FORGIVENESS.

Dear Parents/Carers

I hope you all enjoyed the long weekend. As mentioned last week the weather is starting to warm up and I would kindly ask that you make sure your child has sun cream applied at home before the start of the new school day as we are unable to provide this and also make sure your child has their water bottle with them each day.

KS2 SATS:

Next week our Year 6 children will be undertaking the National Assessment tasks for KS2 SATs. They will take place Monday to Thursday morning.

Monday 13th – EPGS and spelling.

Tuesday 14th -Reading.

Wednesday 15th- Maths paper 1 (Arithmetic) and 2 (Reasoning 1)

Thursday 16th Maths paper 3 (Reasoning 2).

All the children in year 6 will be provided with a breakfast from normal school time. We are so so proud of everything they have achieved and know they will be proud of what achieve next week.

Please let us know by 8am if your child is unwell and won't be in school on the day as the tests are mandatory they will then have to sit them the next day – thank you for your support with this.

Have a lovely weekend and enjoy the sunshine! Don't forget if this weather continues to be warm to make sure your child has a hat for outside.

Remember my door is always open.

Mrs Gilbert.

Collective Worship this week...

In Collective Worship this week we have continued our theme of Forgiveness. On Tuesday we looked at how no crosses are the same. On Wednesday we looked at the story of how Jesus made Zocchis good.

Bible reflection

Luke 1:37

For with God Nothing shall be impossible.

School Dinner Taster Day
Next Thursday 16th May
Every child will be given the opportunity try school tomato pasta and shortbread biscuit!
We hope to encourage more children to have school dinners – enjoy!

Healthy Lunch Boxes:

Dear Parents/Carers

Further to my request in last week's Newsletter to ensure that you child has a healthy lunch box, please can I also remind you that we a Nut Free School. Please can you make sure that you do not put **ANY** nut related food into your child's lunch box – this includes products such as Nutella, cereal bars etc as these may also contain nuts, we all need to do everything we can to keep the children safe.

Many thanks for your understanding, if you would like to talk to me about any of these issues please do come and see me, thank you.

Mrs Gilbert

What we have been learning this week...

ANTIGUA	This week in Antigua we have continued our theme of super heroes! We have had a great week making captain America shields, making hand print super heroes with capes, built superhero cities in the sand pit and so much more! Superhero yoga was a real hit, we moved like superhero's and acted out all of our superhero powers. We dressed up as superhero's today which was so lovely to see all the fabulous outfits!
ST LUCIA	This week in St Lucia we have been finishing our week on superheroes. We have been reading the book Supertato! We helped the frozen vegetables escape from The Evil Pea! We made words from supertato and created our own superhero assault course. The children have loved this topic and have really impressed me with their work, including writing questions for the super heroes such as "why did you choose to help people?" We have had a blast during superhero dress up day and loved all the costumes!!
MALDIVES	This week in Year 1 we have been counting in 2's, 5's and 10's. We have then been deciding if groups are equal or unequal. We then made equal groups with counters. In Geography we have been looking at similarities and differences between the Isle of Wight and the Isle of Struay. In PE we have been working on our fitness by playing fun games on the astro turf.
NEW ZEALAND	This week in New Zealand class has been super exciting! We have been working hard on fractions - looking at what makes the whole. In English, we've been writing our very own portal narratives inspired by the book 'Journey'. For PE, we've been hitting the courts and perfecting our tennis skills. And in Science, we've been learning all about the life cycle of plants - from seed to blooming beauty! It's been a jam-packed week filled with learning and fun activities.
MALTA	This week in Malta class we have published a non- chronological report on the Blitz. As part of our topic, the children researched the significance of the Blitz in World War 2 and applied their knowledge to their final piece of English writing using prepositions and inverted commas. On Thursday, we looked at P.E activities in French. The children learnt a range of movements and matched them to French picture cards.
GALAPAGOS	We've had a very packed all be it shorter week this week! We've been polishing our biking stories, investigating which electrical items are powered by mains and battery. In PE we've been practicing controlling the ball in tennis. In maths we've been learning about the value of money and in French we've learned what countries are in each continent.
ICELAND	This week in Iceland we have had lots of fun with our topic 'Welcome to Brading' and our Science top: Forces! Let's Get into it! In our topic 'Welcome to Brading' we have been using our creativity skills and making ancient buildings in their old form! We are working to make the full village. Next in science we identified forces on objects and we drew detailed diagrams to show it. By Sophia.
JAMAICA	This week in Year 6 we have had an excellent week. In maths we have been doing arithmetic tests and revision in preparation for our SATs. In English we have been doing revision on SPAG also for our SATs. In computing we have been doing a qui, 3D model and making a game. IN P.E. we have done endzone.
CUBA	This week in Cuba Class we have enjoyed the second week of our superhero topic. We have had lots of fun cleaning the superheroes, creating our own superheroes out of playdoh and mark making a superhero on the interactive whiteboard. We have read lots of superhero stories and especially enjoyed Superdaisy - we even made our own daisy's using cotton buds and playdoh. We have really enjoyed the last day of our topic spent dressed as superheroes!
HAWAII	This week in Hawaii Class the children have been watching how their sunflowers have germinated. They compared the sunflowers in the greenhouse to the sunflower on the windowsill to see how the greenhouse has helped them grow. The children have also been sharing magical moments that have happened through the day and working as a team to earn more!

This week in pictures...

This week in Football Club...

In football club this week we wore our kit that we won from the premier league girls football competition! It looked so good and the girls were playing so well in it we can't wait for our first game!

Toddler Talk

Would you like to learn new games and activities to play with your child that will help develop their speech and language? This 2hr Toddler Talk Workshop will help you find out how children's speech and language develops and will give you different ideas of how you can support your child and help them learn new words.

The workshop is available to you if your child is between 18 months to 3 years.

Visit our website at
www.isleofwightfamilycentres.org.uk or
scan the QR code for more information.
