Truth, Respect, Unity, Sincerity, Tolerance

*This week our focus has been on TRUST.*

Dear Parents/Carers,

A big thank you

I just want to say a really really big thank to all the staff, parents and carers and especially children that came along last night to help support the consultation on the current place planning proposals. It made me realise how proud I am for being head here at Brading. I know that together we can continue to fight and provide the Local Authority with an alternative plan. Please, please make sure that you respond to the consultation on [strategic.planning@iow.gov.uk](mailto:strategic.planning@iow.gov.uk). We will be working with the children in school to do their own responses, but if you would like to do this individually at home that would be great as well.

## ASDA Cashpot for Schools: We've got some exciting news for you:

Parentkind – a charity that supports school PTAs - have teamed up with Asda, who is making millions of pounds available to donate to primary schools across the UK through their 'Cashpot for Schools' initiative. To support our school, all you have to do is opt-in through the Asda Rewards app, shop and scan in store or shop online at Asda.com.

Between 2<sup>nd</sup> September and 30<sup>th</sup> November 2024 – every time you shop with Asda using your Asda Rewards app, Asda will donate 0.5% of the value of your shop to your chosen Primary school. Also, every time somebody opts-in to support our Primary school, Asda will give an additional £1 to the school Cashpot. Plus, it doesn't stop there – Asda are also giving £50 to every school to get them started. The supermarket has joined forces with Joe Wicks to support the initiative – look out for the TV advert, radio ads and social media coverage!

# WHAT WE HAVE BEEN LEARNING ABOUT THIS WEEK

BAHAMAS	This week in Cuba and Bahamas we have been focusing on the story of Goldilocks and the Three Bears. We made porridge together, we have used playdough and our amazing fine motor skills to create different goldilocks themed objects and we have used all of our senses to explore oats and flour in our sensory tray doing lots of mixing, scooping and pouring. Last but not least we have been practicing our song ready for the Harvest Festival! What a Great week!
CUBA	
HAWAII	This week in Hawaii Class, the children carried out a science experiment to see how water travels through a flower. We practised the key words root, stem and flower and used these in sentences to describe the movement. The children then each had a flower to prepare and put in food colouring to see the water move through the flower.
ANTIGUA	This week in Antigua we have been looking at “The Three Little Pigs” story! We have made our very own play dough pigs and worked as a team to build wooden, straw and foam brick houses. We have also been practising huffing and puffing like the big bad wolf to investigate what materials fall down when we blow them. As well as this, the children have created a variety of super crafts to depict our story and its characters! Finally, we played a very fun game of “Pin the Tail on the Pig”!
ST LUCIA	This week in St Lucia our book focus has been The Tiger Who Came to Tea! The children had great fun making food for the tiger, having their very own tea party and invited the Tiger. We decorated tigers, tea pots and tiger food. We made shopping lists to go shopping for the tea party. We are looking forward to next week, The Three Little Pigs!
MALDIVES	Year 1 has been busy writing about The Three Little Pigs. We used Talk for Writing to help us to correctly sequence the story. In maths, we have been ordering and comparing numbers. In science, we looked at which objects change shape! In PE, we are still enjoying golf lessons. In geography, we have been looking at extreme weather. We have also been learning about technology around us in computing. In art and design, we have been making sculptures in the style of Henry Moore.
NEW ZEALAND	In year 2 we have been counting in 2s 5s and 10s in Maths. In literacy we have made our own Supertato stones. The children came up with their own Superhero to save the supermarkets vegetables from their village. In Golf we learnt how to hit the ball so that it would fly at different angles.
MALTA	This week in Malta we have had another exciting week! We had an author visit from Eloise Smith which the children thoroughly enjoyed. We have worked on finalising our non-chronological reports and publishing them in our writing books. In science we continued to explore forces and magnets and carried out an investigation test the strength of different types of magnets. In Topic we have entered the Bronze Age and looked at how life changed and houses and tool developed from the Stone Age. Another fabulous week Malta class!

GALAPAGOS	<p>This week in Galapagos class we have been rounding numbers to the nearest 10, 100 and 1000 in our maths lessons. We have also been learning about life in the arctic circle and understanding how the daylight hours compare to here in the UK. You thought the evenings might be drawing in here, but imagine if the sun never rose in the winter and never set in the summer. This week we also welcomed the author Eloise Smith visit who told us about her book, 'Winner takes Gold'. We discussed and thought about working towards our dreams.</p>
ICELAND	<p>Iceland have had a brilliant week this week. We looked up our names in French to hear the pronunciation, in art we've been printing from different textures and in geography we travelled around pirate maps! In PE we practiced athletics and hockey and in guided reading we dusted off our acting skills to portray different characters. We've also had author Christopher Stevens in to talk about his new book.</p>
JAMAICA	<p>This week in Jamaica we have been doing lots of exciting activities. We have been practicing hard on our class worship focused on Jamaica since it's our class country. Grinding hard, we got our exploring-Jamaica play perfect! We all enjoyed singing and dancing to Jamaica's iconic resident, Bob Marley's song at the end. We all had lines and were all included. In conclusion, we had a fantastic class worship. In maths, we practised long multiplication and succeeded in completing the equations fast, and correctly. In English, we wrote a persuasive letter convincing a chosen person to go on holiday to the Americas; And that was Year six's week!</p> <p>By Sophia (head girl)</p>

## Penalty Notice Fines for School Attendance are Changing.

As set down by the Department for Education, penalty notices can be issued for unauthorised absence. With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued after 19th August 2024.

### Per Parent, Per Child

Penalty Notice Fines will now be issued to each parent, for each child that was absent.

#### For example:

3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

### 5 consecutive days of term time leave

Penalty Notice Fines will be issued for Term Time Leave of 5 or more consecutive days. INSET training days are school days and can be included in the 5 or more consecutive days where there was intent to be absent for term time leave.

### 10 sessions of unauthorised absence in a 10-week period

Penalty Notice Fines will be considered when there has been 10 sessions of unauthorised absence in a 10 week period.

### 1 First Offence

The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be:

**£160 per parent, per child paid within 28 days.**

**Reduced to £80 per parent, per child if paid within 21 days.**

### 2 Second Offence

#### Within 3 years

The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: £160 per parent, per child paid within 28 days.

### 3 Third Offence

#### And Any Further Offence (Within 3 years)

The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court. Magistrates' fines can be up to £2500 per parent, per child.

Cases found guilty in Magistrates' Court can show on the parent's future DBS certificate, due to 'failure to safeguard a child's education'.

# What Parents & Educators Need to Know about IN-GAME CHAT

## WHAT ARE THE RISKS?

Video games are continuing to grow in popularity – including, of course, among children and young people – and the emergence of gaming communities has been accelerated by the inclusion of chat functionality across many different titles. While in-game chat isn't inherently a bad thing, it can create some concerns about online safety and the people that children might be interacting with.

## DIFFERENT TYPES OF CHAT

There are a number of ways that gamers commonly chat with one another online. As the name would suggest, in-game chat happens within the game itself. There's also party chat, a group voice conversation that console users can have with anyone on the same platform. This tends to be more commonly used by players who already know each other. Finally, many gamers – especially on PC – will chat via a third-party app such as Discord.

## CONTACT WITH STRANGERS

Whether it's text- or voice-based, in-game chat is frequently open to all players to use. Many games default to making it an opt-in function, but some don't, meaning a child could start seeing messages within the game from people they're playing with, regardless of whether they know those individuals or not. While most strangers won't necessarily have ill intent, there are some who may behave inappropriately when chatting to a child – intentionally or otherwise.

## DANGER OF GROOMING

It's been reported that some young gamers have encountered older players online who pretend to be a lower age to manipulate children, sending gifts in exchange for chatting and sending photos. Just as on any messaging platform, it's good to advise young people to avoid speaking to strangers; emphasise that they shouldn't accept gifts from anyone online that they don't know.

## BULLYING AND ABUSE

While some in-game chat can turn toxic because of how a match plays out, others turn that way because of people who engage in trolling – in essence, behaving in an offensive and abusive way simply to cause pain or get a rise out of whoever they're talking to. These 'trolls' often lean on racial slurs, anti-LGBT sentiment and other hateful rhetoric; they normally feel most confident preying on younger, more impressionable gamers.

## POTENTIAL FOR PRIVATE CHAT

If a player would like a re-match with a stranger after meeting them in the game, they can send a friend request, or use the party chat together in the future. For the most part, this is harmless – but it might lead to messages being exchanged in private. This could then escalate to the sharing of private information, and potentially attempts to manipulate or scam younger players.

## COMPETITIVE ATMOSPHERE

Certain games are very competitive, and players can sometimes get upset if they feel a teammate is underperforming, an opponent won unfairly, or they're just a bad loser. This can lead to unpleasant messages that stray away from playful 'trash talk' and wander into the territory of bullying. Some players have been known to get incredibly abusive in situations like this, and the impact of this on a young gamer's emotional wellbeing could be severe.

## Advice for Parents & Educators

### LOCK-DOWN IN-GAME CHAT

In-game chat can often be disabled in the game's settings. This allows children to play without risk of contact from strangers – but it will need to be done in each individual game. Text chat appears in the corner of the screen in many titles, so it's normally easy to take a quick glance and see what's being said. With voice chat, explain to children what behaviour is inappropriate, so they can spot the dangers themselves.

### REPORT POTENTIAL OFFENDERS

Most games offer a robust means of reporting other players, so you can flag an account as potentially harmful. This normally leads to the account not being matched with yours in the future and, if that person's conduct breaks any of the game's rules, they may be banned from playing entirely. This is done within the game itself, so each title has a slightly different process, but these tend to be designed for simplicity.

### CONSIDER OTHER CHAT OPTIONS

If a child wants to play with people they know, consider using party chat or a third-party service like Discord. This allows everyone involved to chat on a private server and even enjoy each other's company while playing different games. It's also far more secure, as anyone looking to join will need to request and be granted access – normally by whoever is hosting the chat.

### COMMUNICATION IS KEY

Make sure children understand the difference between being competitive and being abusive. Talk about what constitutes unusual or inappropriate behaviour from strangers online. Be clear that if anything ever concerns or worries them, they should tell a trusted adult as soon as possible. Empower children to identify the risks of in-game chat for themselves and reassure them they won't get in trouble for seeking help if anything goes wrong.
