OCTOBER

PATHS Quote of the Month

***Good manners make
us feel comfortable.
Try to remember to be
polite in the corridors,
lunch hall, classrooms
and playground. When
we are polite people
like to be
around us.***

Stay well

for the ***moments
that matter***

Flu can make
young children
very unwell,
sometimes
requiring
hospital care.

The flu vaccine is available to book now for children aged 2-3 years from your GP and some local pharmacies. School-aged children are offered a vaccination in school. You decide what's right for you and for those you love.

Don't miss a moment this winter.
