24TH EDITION 26.06.25

## SPOTLIGHT NOTICES

Don't forget to book your SEND parents' meetings on 7<sup>th</sup> July 2025

Our celebration showcase will be on 10<sup>th</sup> July 2:30 - 4:30

School reports coming out to parents on 7<sup>th</sup> July 2025

## Stars of the Week

Who has been shining bright this week?

### Class

### Name

### Reason

Wrens

Beatrice C  
Jacob

For your excellent enthusiasm and engagement at Millennium Green

Robins

Lorrie  
Joe

For being wonderful ambassadors on their school trip to Atwell Farm

Blackbirds

Sofia  
Lily-Rose

Excellent focus and vocabulary in writing  
A fantastically imaginative approach to writing

Woodpeckers

Whole  
Class

For brilliant behaviour on their trip to Millennium Green

Swans

Ivy  
Fred

Stand out singing at our visit to the Memory Café  
Being a role model student showing Inky Values

Kestrels

Henry C  
Lucy

Excellent focus and concentration in History discussion

Owls

Year 5 and 6  
Football Team

Superb determination in their matches this term

### Head Teacher's Award

James MJ

for his amazing progress with phonics and reading

## UPCOMING DATES:

27.06.25 Quiz Night  
27.06.25 Y6 Transition Day PHS & 30.06.25  
08 & 09.25 Y6 Transitions Days - Ridgeway  
09.07.25 Instrument Assembly (Invited parents only)

# Love to Learn, Learn to Care

## WHAT HAS BEEN HAPPENING?

### ROBINS' TRIP TO THE FARM

During their visit, the Robins had the opportunity to explore a range of animals. They learned all about what they eat and how to look after them and even got to stroke them! It was truly delightful to see their faces lighting up with curiosity and enthusiasm as they engaged with the farm's activities.

We are pleased to that the children behaved exceptionally well and represented our school beautifully. It was wonderful to see them so engaged, asking questions and soaking up all the knowledge being shared. Their enthusiasm was infectious!

### MILLENNIUM GREEN

Wrens had a delightful morning filled with exploration and discovery, providing the children with the opportunity to embrace their inner scientists! During their visit, they engaged in observing a variety of wildflowers and had the chance to investigate different parts of a tree. This hands-on learning experience not only reinforced their knowledge of local plants and fauna but also sparked their curiosity and love for nature.

### WITH YOU IN MIND

On Thursday this week, our Year 4 students' had a visit to the local With You in Mind Café. Our children had the delightful opportunity to perform four songs for an audience, and I am thrilled to report that they sang beautifully!

The atmosphere at the café was warm and welcoming, and it was evident that the children were excited to showcase their talents. Their hard work and enthusiasm shone through in their performance, making it a memorable experience not only for them but also for those in attendance.

A special thank you goes out to Melanie Hart for inviting us to be part of this lovely event.

### WORLD MUSIC DAY

Last Thursday, we were treated to a visit from Pershore High School's Music Department. The children in Key Stage 2 had the opportunity to listen to a range of live music on a range of instruments.

### YEAR 6 TRIP

Some exciting news about our Year 6 trip to the Medical Museum at Worcester Hospital that took place earlier this week. The visit was an integral part of our current topic, "Plague, Pox and Antibiotics," and provided the children with an engaging opportunity to explore the fascinating world of medicine throughout the ages. The children were able to immerse themselves in the history of medicine, witnessing first-hand how medical practices and technologies have evolved over the years. They viewed various exhibits, which included historical medical instruments and fascinating stories about cures from the past. The visit truly brought to life what they have been learning in class and sparked many lively discussions among the students.

### SCARF PSHE SESSIONS

Over the course of two days, all our classes had the opportunity to participate in an engaging and enriching workshops provided by SCARF, focusing primarily on well-being and self-care. The sessions were designed to help our students explore their feelings and emotions in a supportive environment. Engaging with these important topics not only equips them with valuable skills for managing their mental health but also encourages them to communicate openly about their feelings. We believe that by fostering this understanding from a young age, we can help our students develop resilience and a greater sense of emotional intelligence.

# SCHOOL ATTENDANCE

Who gets the trophy this week?

W/B June 16<sup>th</sup> 2025

Whole School Attendance

95.85%

WRENS	95.93%
ROBINS	94.99%
BLACKBIRDS	95.81%
WOODPECKERS	97.23%
SWANS	95.60%

# SPORTS DAY

AND THE WINNERS ARE

congrats!

129

WELL  
DONE

122

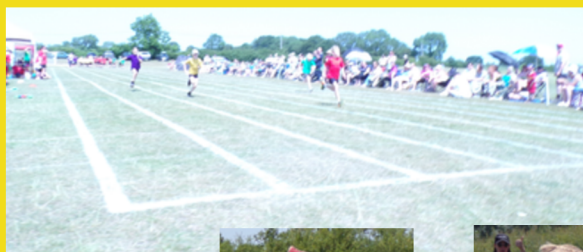

144

GREAT  
JOB!

143

Sports Day is always a much-anticipated event that brings us all together in a celebration of teamwork and school spirit. This year's Sports Day was no exception, with children, teachers, and Young Leaders eagerly participating and supporting a variety of events. From the relay races and discus to the more laid-back activities like egg and spoon and bean bag throwing, there was something for everyone. The field was a sea of colours as teams wore their house colors with pride, cheering each other on with enthusiasm. Beyond the competition, Sports Day served as a wonderful opportunity to foster camaraderie and perseverance, highlighting the importance of physical fitness and fun. A special thanks to all the volunteers, the young leaders from Ridgeway Secondary School and Mr. Coy, who made this day a memorable success. Here's to celebrating the champions and the spirit of participation! I am sure we will all congratulate Cedar on their win!

Congratulations!
