Tuesday 21<sup>st</sup> October 2025

Dear Parents and Carers,

We are excited to let you know that Year 2 will be taking part in a special Explorers Day on Friday 24<sup>th</sup> October 2025.

Throughout the day, the children will enjoy a range of outdoor activities that are linked to our current topic of Explorers. They will take part in:

- Cooking food on the fire
- A science experiment testing materials to make a waterproof shelter
- Orienteering challenges
- Shelter building and wildlife spotting adventures

All activities will take place on the school grounds during the normal school day.

To ensure your child is comfortable and ready for the day, please send them to school dressed in their Forest School clothes. They will remain in these clothes for the entire day, so please make sure they are dressed appropriately for the weather including suitable footwear and coats.

We're looking forward to a fun-filled day of exploration and learning!

Best Wishes,

The Year 2 Team
