

ST MARGARET'S

Mailing

Dear St M's families,

Welcome back to a new school year and a very warm welcome to all of our new families! We have had a fantastic start to the term, with classrooms full of enthusiastic learning, happy children and many examples of the kindness, respect and positive attitudes that make St M's such a special place.

This week in assembly, I shared the 'The Path' story with the children. This beautiful story reminds children that our journey this year will be filled with both ups and downs and that we can all focus on creating a path this year that is uniquely ours to help us achieve our goals and ambitions. I am looking forward to seeing all of the children's achievements this year!

We are also delighted to begin the year with some very exciting news regarding our inclusion provision. We have been successful in our application to establish an Inclusion Intervention Space (IIS), funded by the Local Authority. This is a significant development for the school and will further strengthen our ability to meet the needs of all learners. We will be working alongside a group of local schools as we develop and implement our provision, which will be led by Miss Malone, our new SEND Specialist Teacher. We are incredibly excited about the opportunities this will bring and look forward to seeing the positive impact of the IIS over the coming months as we continue to enhance our inclusive approach.

As always, we greatly value the partnership between home and school. Working closely together with families is key to ensuring that every child is happy, supported and able to achieve their very best. We look forward to collaborating with you throughout the year and celebrating the many successes and achievements of our children.

With very best wishes for a happy and successful year ahead,
Rachel and the St M's Team

You are warmly invited into school on Monday 14th September at 3.30pm to meet your child's new teacher and hear about the year ahead! The meetings will take place in your child's new classroom.

Y6 parents - this meeting will also include important PGL visit information. We hope to see lots of you there!

In this newsletter we have tried to include lots of key dates for the year and an enrichment calendar, as well as the INSET days - please do take note of them so you don't miss out on anything this year!

ST M'S BRAND NEW OUTDOOR GYM

We are delighted to share that our brand-new outdoor gym has now been installed and is already proving a huge hit with the children! Over the past week, pupils have been introduced to the equipment during their PE lessons and have been shown how to use each station safely and effectively.

The children have thoroughly enjoyed exploring the new facilities, which will help to promote fitness, strength, coordination and overall wellbeing. We are excited to see the outdoor gym become a valued part of playtimes, lessons and active learning in the school.

YEAR 5 TRIP TO HERSTMONCEUX

On Wednesday, Year 5 enjoyed their first educational visit of the year. The children had a fantastic time learning about the lunar cycle and exploring the different phases of the moon through engaging, hands-on activities. They also thoroughly enjoyed the Water Works exhibit, with many describing it as "great fun!"

The children also spent time exploring the interactive playground area, discovering a range of fascinating and unusual scientific exhibits. The entire trip provided an exciting opportunity to investigate science through practical exploration, and all of the children were fully engaged and enthusiastic throughout the day.

Violet and Aimee summed up the experience perfectly, saying, "Our class absolutely loved it. It was a 10/10 trip!" We couldn't ask for a better review than that!

THE STORY TRAIL

I am delighted to let you know that we are part of the amazing story trail launching tomorrow across Brighton and Hove. With our partner schools in the Brighton City Education Alliance, we have sponsored a story bench and created it. It is particularly poignant for us as an Alliance, as Middle Street feature on our bench with us, before they were sadly closed.

Amaze who is your local charity supporting families with disabled children, has partnered with Wild in Art to bring you The Story Trail—a free, fun and family-friendly adventure. Between 12th September and 8th November 2026, you can explore a city-wide gallery of more than 30 BookBenches. Each one is an open book, designed by a talented local artist and waiting to be discovered.

The story continues with a heartwarming collection of smaller BookBenches, lovingly decorated by local schools and community groups, adding their own chapters to our city's tale. Our bench is in the **JUBILEE LIBRARY**.

I would encourage you all to wander through our vibrant city, pause, and take a seat. Immerse yourself in a world of stories our community has to tell. The Book Benches are more than just beautiful art; they are a place for us all to belong. A link to all the details about the story trail are here: <https://amazesussex.org.uk/thestorytrail/>

CULTURAL CAPITAL AND ENRICHMENT AT ST MARGARET'S 2026-2027

Please find below the trips and planned events for each year group this year.

Following feedback from families, we have included indicative costs where possible so that you have an overview of what is coming up throughout the year and can plan and budget accordingly.

Whilst we endeavour to keep costs as accurate as possible, some prices may be subject to change depending on provider charges, transport costs and final pupil numbers.

We hope this information helps families to plan ahead and enables all children to benefit from the wide range of enriching experiences we have planned for the year.

IMPORTANT UPDATE: CHANGES TO FREE SCHOOL MEAL ELIGIBILITY FROM SEPTEMBER 2026

We would like to make families aware of important changes to Free School Meal (FSM) eligibility, which will take effect from the start of the 2026-2027 academic year.

The government has confirmed that all children from households receiving Universal Credit (UC) will be eligible for free school meals, regardless of income. We want to ensure that every eligible child is registered so families receive the support they are entitled to and the school can continue to access vital funding.

From September 2026, there will be two FSM categories

Targeted Free School Meals

Children will qualify if their household:

- receives Universal Credit, and
- has annual earnings of £7,400 or less

Children in this category will receive:

- free school meals
- Pupil Premium funding for their school
- access to the Holiday Activities and Food (HAF) programme
- for secondary pupils, the extended rights element of school travel assistance (where applicable)

Extended Free School Meals

Children will qualify if their household:

- receives Universal Credit, and
- has annual earnings above £7,400

Children in this category will receive:

- free school meals only

Why registering matters

- your child can receive a free meal each school day
- the school receives extra funding to support learning, wellbeing and enrichment

Even if your child does not usually have a school meal, registration is still very important. Please contact the office for support in doing this.

You may be eligible if you receive:

Universal Credit, Income Support, income-based Jobseeker's Allowance, income-related ESA, Child Tax Credit (with an income limit), or support under the Immigration and Asylum Act. (You do not need to be working or unemployed.)
