

WRAP AROUND CARE

Mailing

Dear St M's families,

This week's newsletter is part of our ongoing 'focus' series, designed to keep you updated on all things St M's. So far this term, we've shared newsletters on Attendance, SEND, and Curriculum, which have been really well received by parents.

Today, we're shining a spotlight on our wraparound care and extended schools provision.

As you know, we're proud to run a PLATINUM-rated breakfast club with a 5-star hygiene rating, thanks to the dedicated team led by Miss Carroll. Our breakfast club offers a nutritious start to the day alongside a range of physical and creative activities.

We've kept the price the same since launching over five years ago, but due to rising food and operational costs, we've had to review this. From January 2026, the cost will increase by 50p to £4.00 per session. This still includes all food, activities, and childcare—after benchmarking against other Brighton & Hove schools, we remain among the most affordable options.

Looking ahead to the Spring Term, we're excited to introduce new clubs:

- Target Sports
- Musical Theatre
- Dodgeball

We're always seeking fresh opportunities for our children - below you'll find details of all next term's clubs and booking information. Please note that some clubs have limited spaces, so places will be allocated on a first-come, first-served basis. Flyers for each club are also included in this newsletter.

Finally, we're heading into the full swing of Christmas next week with our productions—I'm looking forward to seeing many of you there!

Best wishes,
Rachel & the St M's Team
