

# ST MARGARET'S

## Mailing

Dear St M's families,

It's been a busy couple of weeks in school, with lots to share and celebrate. This term is full of opportunities for families to come into school, so please make sure to check the dates and information listed below—we'd love to see as many of you as possible.

Our termly topics have got off to some truly stunning starts, with children already showing great enthusiasm and curiosity in their learning. We are also delighted to share that we have proudly maintained our accreditation for FA Barclays Girls Football in Schools Equal Access in Football, reflecting our ongoing commitment to inclusive sport for all pupils.

As we continue to enjoy our beautiful school grounds, a quick reminder that children need coats and welly boots each day. We make the most of our outdoor spaces in all weathers, and having the right clothing helps keep everyone comfortable and ready for learning.

Best wishes for a lovely weekend,  
Rachel & the St M's Team

Thank you to all those families who came along to our last PACC coffee morning. We will be hosting another one on Tuesday 3<sup>rd</sup> February at 8:50am.

All are welcome - we hope to see you there!

We have been recognised with this award for providing girls with the same opportunities as boys to play football in PE lessons and extracurricular activities. Well done St M's.

#Thisgirlcan

**YEAR 5 JUNIOR ROEDEAN ACADEMY**

Year 5 will be attending Roedean Junior academy for the next few weeks. So far the children have been challenged to create the tallest possible tower from spaghetti, tape, string and marshmallows (as pictured). They have also learnt about witch trials, what the world would be like if there were no rules and played lots of fun and exciting games.

**YEAR 6 ANTARCTICA DAY**

Year 6 had an action-packed outdoor enrichment day as they stepped into the icy boots of Shackleton's Antarctic explorers!

The children threw themselves into every challenge—building makeshift shelters, whipping up their own 'sledging biscuits,' brewing zingy ginger tea and joining forces to haul a very heavy boat across the field. They even created their own expedition songs to keep everyone's spirits soaring. A brilliant day of teamwork, adventure and imagination!

**YEAR 2 CRASH LANDING!**

Year 2 have made an exciting start to their new topic, Safari Salama (Safe Travels), after discovering a mysterious spaceship crash-landed in the school grounds! This was a fantastic way to introduce the story Beegu. The children are using this to support them with their writing and have asked some intriguing questions for the alien!

## **KS2 BASKETBALL**

This week, children in Key Stage 2 had the opportunity to take part in basketball sessions delivered by BTM Basketball, Brighton & Hove's largest primary school basketball provider. These taster sessions gave pupils an excellent introduction to basketball, and it was wonderful to see everyone joining in and enjoying the experience.

The sessions focused on developing fundamental basketball skills alongside important life skills, all within a fun, safe, and supportive environment. BTM Basketball's sessions are led by a fully qualified and highly experienced coaching team, bringing many years of international playing and coaching experience. Following the enthusiasm and enjoyment shown by the children, we are pleased to announce that a Basketball Club will now run on Fridays after school for those who would like to continue developing their skills and love of the game.

Further details about how to sign up below.

## **FOOTBALL MATCH**

Our KS2 football teams played their first fixtures of 2026 this week. Despite torrential rain and challenging conditions, both teams performed brilliantly. The boys showed great grit and perseverance in a closely fought match. It has been fantastic to see so many girls joining local clubs and trying out for the school team. The girls demonstrated excellent teamwork, supported each other throughout, and secured an impressive 4-0 win.

## **REMINDERS**

A gentle reminder that school gates close promptly at 8:50am for registration, so please try to arrive in plenty of time to help children start the day calmly and ready to learn. We have noticed that an increasing number of children are arriving at school still eating 'breakfast', and we kindly ask that, where possible, breakfast is eaten at home before school unless children are attending breakfast club.

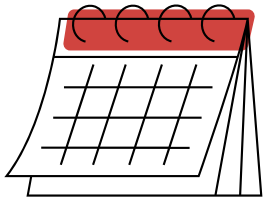

## LET'S DANCE AT THE DOME

Our Year 4 Otters Class have already started rehearsals for the Let's Dance show held at Brighton Dome in March.

You can get your tickets from Brighton Dome Box Office. We will be performing on Friday 20<sup>th</sup> March - we hope to see you there supporting!

<https://brightondome.org/whats-on/Lq0-lets-dance-2026/>

**PINS Coffee Morning Event**  
for parent carers of neurodivergent children

**At St Margaret's Primary School**  
**Tuesday 3 February 2026, 8.50-10.20am**  
*(report to the school reception after school drop-off)*

The Parent Carers' Council (PaCC) is a forum of parent carers of children with additional needs, who work to help improve services and support in the Brighton and Hove area.

PaCC is holding an event at your school for parent carers of children with special educational needs & disabilities (SEND). This is part of a project called PINS - Partnerships for Inclusion of Neurodiversity in Schools. It is funded by NHS England and aims to improve the experience of neurodivergent children in mainstream primary schools.

At this session, we'll talk a bit about the project, the support and services available in the local area, and provide a chance to meet other parent carers and share experiences. We will also talk about parent carer wellbeing and share strategies. There's no need to book—just come along!
