HAVE A WONDERFUL WEEKEND!

FRIDAY 13TH MARCH 2026

## HEAD'S BLOG

As it is Mother's Day this Sunday, I wanted to celebrate the incredible mums, grandmothers, carers and mother figures who play such an important role in our children's lives this week.

Mother's Day gives us the opportunity to show appreciation for all the love, care and encouragement that mums give every single day. At school, we often talk about our core values and Mother's Day is a perfect time to show some of these - respect, personal wellbeing and trust.

Showing respect might mean listening carefully, helping when asked, or saying a sincere "thank you" to your Mum/care giver for all that they do. Supporting personal wellbeing could be helping mum relax for the day or doing something kind that makes her smile. And trust is built through thoughtful actions and keeping promises—perhaps promising to help a little more around the house.

There are many simple but meaningful ways you can all spoil your mums this weekend. You might:

- Make a handmade card or picture
- Help prepare breakfast in bed (with help)
- Make a cup of tea (with help) for your mum
- Tidy your bedroom without being asked
- Help with a job at home
- Write a short message telling mum why she is special
- Spend some quality time together doing something mum enjoys

Often the smallest things mean the most, and a little extra kindness can make Mother's Day truly special.

I would also like to say a big thank you to all the parents who joined us for our Mother's Day lunch today. It was a wonderful event and it was lovely to see so many families enjoying time together. Your support and involvement in school life makes such a difference to our community. Finally, on behalf of everyone at the school, I would like to wish all of our mums, grandmothers, aunties and carers a very happy and relaxing Mother's Day this Sunday. We hope you are thoroughly spoilt and enjoy a day filled with love and appreciation.

# VALUE AWARD WINNERS

Congratulations to our value award winners this week who started the term well and showcased all of our school values .

## PI DAY WINNER

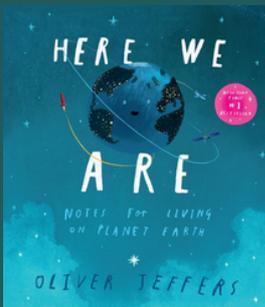

Congratulations to Elaf in Y4 who was our Pi day winner who managed to recite an impressive 173 digits of Pi - the most digits ever recited in the history of Flora Gardens! Well done.

# HEAD'S HOT CHOCOLATE WINNERS

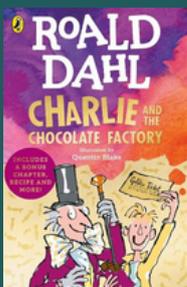

Due to Ramadan, some children were unable to enjoy their hot chocolate with Mrs. Assearti this week. However, she has already reserved a spot in her diary for after the Eid celebrations. This weeks winners were Mohammed K and Raihan in Year 6 for displaying kindness in the playground

# BOOK OF THE WEEK

## Here We Are by Oliver Jeffers

This book helps children think about the world and how we can be kind to each other, with gentle pictures and simple ideas.

## Charlie and the Chocolate Factory by Roald Dahl

This classic tale of chocolate, fun and quirky characters appeals to KS2 readers' imaginations and humour — and various read-aloud excerpts can be found online.
