

FLORA GARDENS PRIMARY SCHOOL

13th February 2026

Dear Parents and Carers,

As we come to the end of another half term, I wanted to take a moment to reflect on what has been a wonderfully busy and successful few weeks here at school.

There has been so much to celebrate. Our Year 1 children took part in a fantastic Teddy Bear Workshop, where they explored important themes around health, wellbeing and staying healthy in an engaging way. It was lovely to see them learning such valuable life skills with enthusiasm and curiosity.

Our Year 6 pupils had an incredible experience attending IntoUniversity for the week, where they embraced life as university students and proudly graduated in a special ceremony. We are so proud of the maturity, commitment and ambition they demonstrated throughout the programme.

Year 4 and Year 5 also represented the school brilliantly during their collaboration with the Bach Choir, joining other local schools for their singing afternoons. It was a joy to see their confidence grow as they performed together. Meanwhile, several of our Key Stage 2 classes have represented the school in Hammersmith & Fulham School Sports Association tournaments, showing excellent teamwork, determination and sportsmanship.

Alongside all the exciting learning and fun happening in classrooms, we have also seen positive changes to our school grounds. I am sure many of you have noticed our new playground markings and active trail, which the children are absolutely loving. In addition, we now have a "Mile A Day" track installed on the back playground to help keep our pupils fit and active.

A special shout out must go to Mason in Year 6 and Hunter in Year 3, who were the very first children to complete all 17 laps of the track — officially running a mile! What a fantastic achievement boys!

I continue to thoroughly enjoy my weekly assemblies and Head's Hot Chocolate sessions. Thanks to Kosta and Maia in Year 5, I am already looking forward to adapting my Hot Chocolate menu for the Summer Term!

As we look forward to next half term, we have so many exciting opportunities continuing! Year 5 will continue learning their instruments thanks to St Paul's Girls School; Year 4 and 5 will be having their own IntoUniversity sessions; Year 3 will be visiting Kew Gardens; and the entire school will be having Art workshops with a specialist thanks to a collaboration with Urban Wise. These are just a snapshot of the fun events that we have planned for next half term - there will be many more to come so look out for details in the newsletters, class dojo and class letters.

As always, thank you all for your continued support and for contributing to such a positive and successful half term. I wish you a restful and enjoyable break.

Yours sincerely,
Katy Aserati
