NEWSLETTER

Monday 6th March 2023

Dear Parents/Carers,

What a busy week we had last week! World Book Day, the Shakespeare Company, a Year 2 Trip to Flamingo Land Zoo, a Year 1 Trip to Tropical World and we even had time for a football fixture!

Year 4 Cup Result

2 -1

This week, our under 9-football team were amongst the 16 teams playing in the latest round of the cup. With a late minute goal, we are happy to announce Sharp Lane beat Shakespeare 2-1 in a tight game. The team are now looking forward to their quarter final match in the upcoming weeks.

World Book Day

World Book day was another huge success and there were some amazing costumes on display; Oompa Loompas, Marios, Harry Potters, Sports Stars and many, many more. One of the highlights of the day was that classes spent time with each other reading, as shown in the pictures above, when Year 6 visited Reception. We would like to thank parents for putting together some amazing costumes.

You can download your World Book Day tokens at: <https://www.worldbookday.com/primary-digital-token/> and they can be used in WH Smith, Waterstones, Blackwell, Eason, John Smiths, Foyles and all good independent bookshops across the UK, as well as online.

Hamlet – Shakespeare Company

On Wednesday and Thursday last week, all of Key Stage 2 were able to watch the Young Shakespeare company perform Hamlet. It was a fantastic performance including audience participation, questions and even a sword fight! We are hoping to make the performance of a Shakespearian play an annual event and already have plans for Macbeth to be performed next year. This performance is part of the Sharp Lane Bucket List and will hopefully inspire pupils to think about acting as a pathway they would like to pursue!

Quotes:

"I loved that we were involved, it really felt like we were part of the play." Maisy

"The actors really pulled some great facial expressions, it really showed how the characters were feeling. One of the actors was even able to cry when her character was upset!" Kai

Dahl Class Trip – Flamingo Land Zoo

Dahl class had a fabulous time visiting Flamingo Land last week linked to their journey to Africa. The children saw lots of amazing animals whilst walking around such as rhinoceros, giraffes, cheetahs and tigers! We also watched the hippos, Godzilla and Hoover, being fed which was fantastic to see. The children were so well behaved despite it being a little cold and wet.

Barrie Class Trip – Tropical World

Barrie Class had a fantastic trip to Tropical World last week linked to their journey to Africa. The children saw lots of amazing animals, such as meerkats, crocodiles, monkeys and snakes! The children were extremely well behaved and they had an incredible day learning and exploring together.
