Dear Parents/Carers,

Year 6

We would like to say a huge "Well done!" to the pupils in year 6 that have spent the week completing tests. The week is always difficult but the children have displayed amazing resilience throughout the week and they should all be very proud of the effort that they have put in! We cannot wait to begin some of the end of year activities with the year 6s and auditions for the end of year production have already started!

Year 5 Footballers

It has been lovely to hear that the Sharp Lane values were on display when some of our year 5 footballers faced off against each other in the recent Robin Hood V Carlton match. Whilst competition was high throughout, the Sportsmanship, respect and friendship on display was the thing that really stood out. Well done to Dylan, Ben, Owen, Harri, Freddie, Evan, Oliver and Leo for the excellent way in which you conducted yourself during the match. We are all very proud.

Parking

Please can we remind parents about the importance of safe and considerate parking at the start and end of the school day. This is becoming particularly problematic near the Dolphin Road entrance as people park their cars directly outside the main school gate.

Signs around school and road markings clearly show areas in which cars should not park at certain times. We understand how tricky parking is around school but would ask you to be mindful of safety for each other's safety at busy times.

Additionally, please can we ask those parents that collect from OOSC to think carefully about where they park. Recently staff have had near misses pulling out of the school car park due to cars being parked on the road markings and them being unable to see traffic. Thank you in advance for your cooperation.

Social media

More and more of the amazing activities completed at school are now being shared through our social media platforms. If you want to know what your child has been doing in school, follow us [@SharpLaneLeeds](#) [#SharpLaneSchool](#)

Year 3 Sleepover

On Friday, the Year 3 children were able to tick off another part of their Sharp Lane Bucket list with a sleepover at school. They were able to take part in den building, orienteering and team games. After all of the fun and excitement outside, they settled inside in PJ's to watch a movie with popcorn and hot chocolate. Luckily, everyone managed to get some sleep after the movie (including the teachers!).

School Telephone Number

Please be aware after the half-term our old telephone number will no longer be live. Can you please make sure you have changed the schools contact details in your phones. Our new telephone number, which came into effect on 20th February, is:
