Dear Parents,

Following our recent parent consultation on uniform, the Board of Governors has agreed to make a change to the red Nursery jumper. The updated Nursery jumper will feature a new train logo, designed to complement and align with the current school logo. I have been in contact with both School Days and S.D. Kells, and they are now in the process of updating the logo on their uniform stock.

There will be a transitional period for this change. Any families who currently have red Nursery jumpers featuring the teddy logo may continue to wear them until June 2028. (This date may be extended). Parents should feel no pressure to replace existing jumpers before this date.

Following parent feedback, loose navy shorts have also been added to the school uniform list for both boys and girls. These may be worn during the months of May, June, and September. If we experience an unusually warm spell outside of these months, staff will notify parents in advance to advise when children may wear shorts.

We appreciate your continued support as we work to ensure our school uniform is comfortable, practical, and reflective of our school identity. If you have any further questions, please do not hesitate to contact us.

Kindest regards,

F Pryce
