Wednesday 15th October 2025

Dear Parent / Guardian,

Over the next two days there will be some disruption to the drop off and pick up arrangements to Years 4, 5 & 6; to allow for the delayed surfacing works to be completed.

As you are aware the surfacing works were scheduled to have taken place during August but due to the building delays of the new classroom, insurances of the contractors would not allow the dual works to take place until the extension was completed. I know that many of our school community will echo my keen push for the pathway to be finally completed for the safety of all our families.

As there will be no access to the path running alongside Years 4, 5 and 6, we have some slight adjustments to drop off and collections as detailed below:

Thursday & Friday end of school day pick up:

Year 4 to exit school at the end of the school day via the hall door.

Year 5 & 6 will be dismissed from the back playground shelter area. The children will wait within the shelter teachers will dismiss from the path leading into the shelter.

Year 6 children who have consent to walk home, will be dismissed at 3:30pm as normal.

Friday Drop Off:

Please can all children from Years 4, 5 and 6 enter via the door leading into the school hall.

Once again, I cannot express my sincere thanks to you all for your support and patience during this time of disruption.

Yours sincerely,

Mrs Gibbons
Headteacher

Together in truth and faith we learn and grow as God's family
