BASC Weekly News

We have really tested the limits of our creativity this week! Miss Warne lead a competition on Minecraft, for both the iPads and Xbox, where the children had the chance to work as teams and create their own worlds. Some of the other children enjoyed creating marble runs and pushed each other to add extra elements such as a loop de loop. Even Ms Sharp got creative, leading an activity in pasta jewellery! The children decorated their pasta pieces with paint and glitter, then threaded the pieces onto string to create necklaces and bracelets. We had so much fun!
