

Dear Parents and Carers,

It has been another busy week, at All Souls, with children across the school taking part in a wide range of activities.

Last Friday, the children in Y3 visited Paddington Rec to take part in a workshop all about life in the Stone Age. The children looked at a range of artefacts, hunted and foraged for food and even had the chance to make fire! A great time was had by all.

Tuesday and Wednesday was all about Remembrance with a school service where the children presented poppy wreaths made by each class, shared prayers and observed the national 2 minute silence. Then, on Wednesday, the children in Y6 had the honour of being invited to take part in their own service of remembrance at Westminster Abbey, reflecting on the lives of the soldiers, Major William Booth and Walter Tull, who they have been learning about as part of the Not Forgotten Project.

In Y4 and Y5, the children taking part in the Heroes project had the chance to meet a West End actor on Tuesday and spent the afternoon working with them on their upcoming performances. Then, yesterday, children from across the school took part in the Bi-Borough panathlon event.

Finally today, the whole school took part in our annual fund raising event for Children in Need by paying £1 to wear their pyjamas to school. It has been a busy week indeed!

After all this excitement, I hope you all have a restful weekend, when it comes.

Jo Plesniak
Head of School

This week, the children have been taking part in different remembrance activities. On Tuesday, the whole school came together to observe the national 2 minutes silence at 11:00am on the 11th day of the 11th month. Then, on Wednesday, the children in Y6 attended a special service at the Tomb of the Unknown Warrior at Westminster Abbey.

I feel really proud of myself

Yesterday, Ms Lymperi took some of the children from both the mainstream and The Village to take part in the B1 borough Panathlon. The children had a wonderful time and had the chance to participate in a range of different sporting activities.

It's the first medal I ever won!

It was fun, it was the best, I want to go again.

Congratulations to the following children who have been voted by their classmates to be on **Eco Team** this year. On Monday, Mr Gonzalo, who is leading on Eco Team, took the children to Crabtree Fields to help plant some bulbs so the local community can enjoy some bright and cheerful Spring flowers in a few months time.

We are here to help...

If you have any worries or concerns about something that has happened at school regarding your child, a member of staff or another parent, please do come and talk to a member of the Senior Leadership Team, who are on hand in the playground, every day. Parents are reminded not to approach other parents or their children directly. If you wish to make a formal complaint, the school has a set of procedures to follow which you will find in the Complaints Policy on the school website. Complaints are initially investigated by The Head of School. If the matter is not resolved, then the next stage of the process is an investigation by the Executive Headteacher. If a resolution is not yet reached, only then will the complaint be brought to a committee of governors. Parents are kindly reminded to follow the procedures, set out in the policy, and not to contact members of the governing board directly.
