## Introduction

The school has an attractive and vibrant uniform which has been chosen in part by parents and children. We believe our school uniform provides a strong sense of identity and sense of belonging to a community. **All children are expected to wear the correct uniform.** Much of the uniform is available on the high street. However, some items are only available from the school website ordering service - mapac.

Their website can be accessed through the school website

[www.allsoulsprimary.co.uk](http://www.allsoulsprimary.co.uk) - click on the uniform icon or you can contact them directly on [www.mapaconline.com](http://www.mapaconline.com).

We have been mindful when choosing our uniform that it can all be sourced at a reasonable cost. The school regularly benchmarks the cost of its school uniform to ensure it is reasonably priced. Pre-owned uniform is also available free of charge from the school office or from the PTA for a small donation.

## Purchasing the school uniform

See stockist information or speak to a member of office staff.

## Labelling clothing

All uniform should be clearly labelled with your child's name. In the event that clothing is mislaid, if it has a name it will be returned to the wearer. Everything else is placed in the lost property box in the lower playground foyer. This box is cleared

at the end of each long term; items are placed on tables in the playground for collection. Items not collected are donated to a clothing collection charity.

## Jewellery and Hair

Items of jewellery are unsuitable for primary school pupils to wear during the school day. Rings, necklaces, brooches and earrings should be left at home. A number of pupils have pierced ears. Please ensure that these pupils wear only small studs to school. Earrings can be dangerous for the wearer, and for other children, if they catch them during physical activity, particularly P.E. and Games. Any other piercing is not permitted e.g. nose and eyebrow. Hair that is shoulder length or longer (on girls or boys) needs to be tied back or secured with an Alice band for health and safety reasons. **Small hair bands, scrunches and slides should be green, yellow, grey or black.**

## Monitoring

The school carries out regular uniform and PE uniform checks. Children who fail to wear the correct uniform will be sent home with a letter. If the correct uniform fails to be worn on a number of occasions, parents will be called to a meeting with the Head of School. The school will support families who are struggling with the cost of uniform by providing good quality pre-worn uniform.
