

Dear Parents and Carers,

My goodness, what an unusual week this has been! I would like to begin by thanking all of the school staff for travelling to and from school every day in such extreme weather conditions. Once the majority of children left at 12pm, everyday from Wednesday, staff were busy in school supervising keyworker children, attending training sessions, completing assessments and reports - the list goes on. Thank you too, to all the parents for supporting the school with the 12pm finish, I am sure like me, you are all looking forward to some cooler weather next week.

When we all return to school on Monday, there will be sign up sheets in the playground for you to meet with your child's teacher and receive their end of year report, the week beginning Monday 6th July. I would again like to thank all the teachers for the time they have taken to complete the reports; they clearly know your children so well.

Although the temperatures are set to fall next week, they will still reflect a normal British summer. On sunny days, please continue to make sure the children are wearing sun cream, and that they have hats and water bottles.

Finally a reminder, that next Thursday is our summer fair from 3:30pm. Thank you to those parents who have volunteered to help run stalls - please continue to send in donations. As part of the fund-raising, children will be able to pay £1 to wear their home clothes on Thursday.

Have a lovely weekend and we are looking forward to seeing you back in school on Monday.

Jo Plesniak
Head of School

**KEEP
CALM**
Your
**School
Needs You!**

We are delighted to announce the date for this year's Summer Fair which will be after school on Thursday 2nd July. Thank you to our dedicated PTA team for being at the helm once again. We would really welcome some other parents to help support in setting up, tidying away and approaching local businesses for donations. Please speak to Laura, Chelsea or Natalie in the playground if you are able to support in any way. We are asking for donations for the tombola, the raffle, the teddy stall, cakes and face painting volunteers.

Remember children, if you design a poster for the fair you could win a free ice cream!

All Souls World Cup Day

On Wednesday 8th July, we will be celebrating the World Cup and will have a series of activities overseen by some Sixth Form volunteers from Westminster City Boys school, as well as our very own appointed Y6 World Cup Organisers. All children are encouraged to come to school in football kits or sports clothes. Children in Key Stage Two will be taking part in various football games throughout the day.
