we grow to be the best that we can be* – Based on John

10:10

Dear Parents and Carers,

It was lovely to welcome everyone back after the half term break - you will be pleased to hear that all the classes have settled back into their routines and have been working hard this week on all their new topics for this term.

We have some exciting creative enrichment projects happening in some classes this term. The children in Y3 have begun a music project on a Wednesday afternoon and will be performing to parents at the end of term. Meanwhile, the children in Y5 have 'an artist in residence' working with them every Thursday afternoon, supporting them in various fine art skills such as print making and sketching. We hope to provide an opportunity for parents to see some of their work too in the coming weeks.

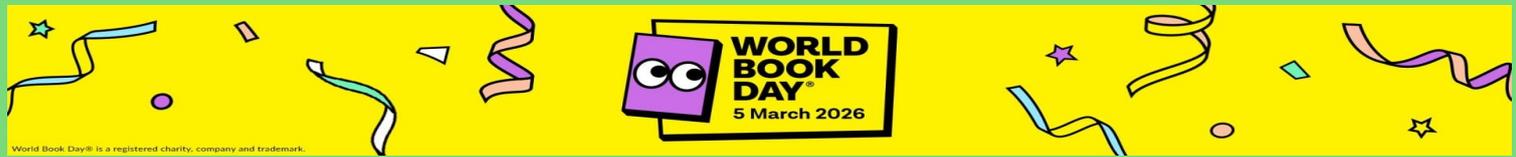

It is a busy time for the children in Year 6 who are starting their final countdown to SATs in May. A letter is going out to parents about their revision timetable and we ask for your support with this over the coming weeks. Monday will be an exciting day for Year 6 too as they find out where they are heading to for secondary school. I have cleared my diary on Monday and Tuesday morning to meet with parents if they have any questions.

I am ending this week's newsletter with some exciting news. Congratulations, and our very best wishes, go to Mrs Legg and her family, as she is expecting their second child who is due towards the end of the summer term.

Have a lovely weekend everyone!

Jo Plesniak  
Head of School

World Book Day® is a registered charity, company and trademark.

A reminder, to you all, that next Thursday is World Book Day. We will be holding our parade in RHH at 9:10am, where parents will be most welcome to come and see all those who have chosen to dress up as a character from one of their favourite books. There will be lots of reading based activities across the school on the day too as we celebrate together our love of reading. Below is a

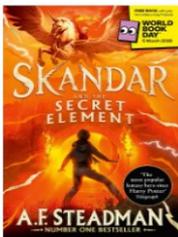

website to give you some quick and simple ideas for a costume if your child wants to take part, along with the 2026 World Book Day books that the children can have for free with their WBD voucher that they will receive on Thursday. Mrs Legg is also running a parent workshop on Tuesday to give

advice and support about developing fluency in your child's reading.

# Don't let your child catch it

– get them vaccinated with the MMR vaccine

**Measles symptoms include:** high fever; sore, red, watery eyes; coughing; aching and feeling generally unwell; a blotchy red brown rash, which usually appears after the initial symptoms.

**The number of young people catching measles has risen. It's never too late to be vaccinated. You need two doses of MMR one month apart to be fully protected against measles, mumps and rubella.**

It's time to make measles a disease of the past.

If you have symptoms of measles, stay at home and phone your GP or NHS 111 for advice. **STAY AWAY** from GP surgeries and A&E departments – you could spread the illness to others.

Butterflies 94%	Year One 93%	Year Two 90%	Year Three 91%	Year Four 95%	Year Five 96%
Year Six 95%	Willow 88%	Sycamore 94%			

**Well done to Year 5 for their excellent attendance this week.**

**Please use the email [absent@allsoulsprimary.co.uk](mailto:absent@allsoulsprimary.co.uk) to let us know if your child is unwell or is unable to attend school**
