Dear Parents and Carers,

We begin this week's newsletter with some wonderful news to share with you all. We are delighted to announce that on Tuesday 14th October at 12:43 pm, Ms McCarter gave birth to a beautiful baby boy weighing 7.7 lbs (3.44kg). His name is still to be confirmed. I am sure you will all wish to join us in sending huge congratulations to Mum and Dad, and to say 'Welcome to the World' to the new baby. Here is a message from the new parents:

'We cannot thank the All Souls community - staff, parents and children - enough for your kindness and generosity in the lead up to the birth of our son earlier this week. The gifts, cards, kind words and prayers have meant the world to us. We are aware that we are a slight bit biased, but he is absolutely perfect and we look forward to introducing him to you all.' Miss McCarter and Mr Roman.

Meanwhile, back at school, the children have all been busy practising their poems ready for the recital next Thursday at 2:45pm. Year 2 have also been developing their artistic talents and will be holding a special gallery presentation for parents, next Friday, instead of ERIC. Can I also remind parents that we have an important PTA meeting on Tuesday morning at 9:10am (see inside the newsletter for more information) and our new after school play club providers will be on hand in Riding House Hall on Wednesday morning to answer any questions, you might have, around the booking process.

Have a lovely weekend everyone,
Jo Plesniak
Head of School

Join the All Souls CE Primary School PTA!

For many years, All Souls has had an active PTA with parents working together to fundraise for all the amazing enrichment activities that all the children benefit from such as visiting theatre companies, our zoo membership, the science workshops last year, the Reading Road Map books, residential and trips, the list goes on and on. Recently, the pool of parents we all rely on has got smaller and smaller. We really need to make a fresh start with a new committee and most importantly some more parents who are prepared to get involved. Without our PTA we would be in danger of missing out on enriching the lives of all your children.

Why Join the PTA?

- Help shape your child's school experience
- Support events, trips, and new resources
- Meet other parents and make friends
- Share your skills and ideas
- Make a real difference — even a small contribution helps!

How You Can Get Involved

- Attend meetings (in person or online)
- Volunteer at school events
- Share fundraising ideas
- Lend a hand — whenever you can!
