*Our School Vision: Experiencing life in all its fullness,
we grow to be the best that we can be — Based on John*

10:10

Dear Parents and Carers,

At this time of year, it is always a pleasure to reflect on the year that has just passed. In true All Souls style, it has been an exceptional calendar year. The children, as always, have shone in all that they have done, and the school has continued to go from strength to strength. It has truly been an outstanding year in every respect.

Last Sunday, at the All Souls All Age Service, I was asked a thought-provoking question: *What, as an Executive Headteacher, brings me joy?* The answer is the deep sense of community and belonging that comes from being part of All Souls School. The way our children, parents, and staff work tirelessly together to make All Souls the wonderful school, that it is, fills me with immense pride. I could not be prouder to lead and guide such a remarkable community.

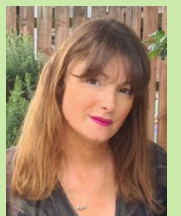

The beautiful performances by the school choir earlier this week are a true testament to all that we stand for and represent. Their perseverance and ability to sing in such harmony are a real credit to them. However, they are not the only ones who have shone. Every child - whether through their role in the Christmas show, the compassion they have shown to friends and classmates, or the wisdom they have demonstrated in their learning - deserves to be celebrated.

All that remains is for me to wish you all a very joyful Christmas and my very best wishes for the year ahead.

Kind regards,

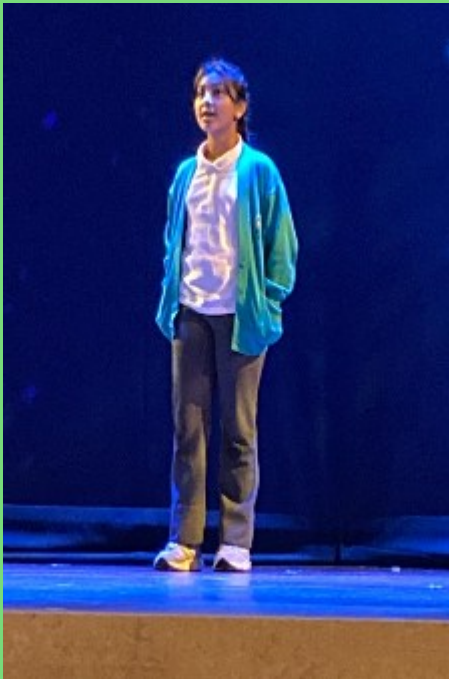

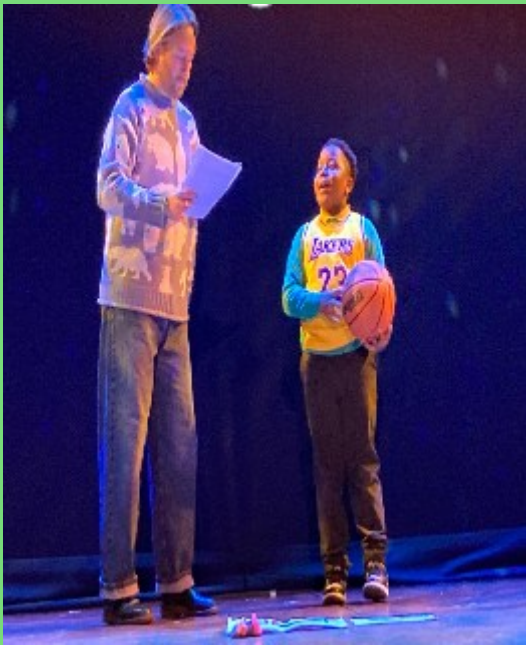

Alix Ascough

Executive Headteacher
