we grow to be the best that we can be — Based on John

Dear Parents and Carers,

It was so lovely to see so many parents engaged in the life of the school this week. We have had lots of well attended meet the teacher meetings after school and, yesterday, lots of you joined the school to celebrate Harvest Festival together in All Souls Church. This was the choir's first outing of this academic year, and despite a short window of practice time, they were in full voice and sounded amazing. Thank you once again for the incredible generosity shown by everyone in the gifts donated for our chosen charity Little Village.

As promised in last week's newsletter, I can also announce that we raised an amazing £241.05 in our Macmillan bake sale last Friday. Our community is clearly living out our values of Compassion and Thankfulness at the moment.

As the nights are beginning to draw in and it is becoming a little cooler, please can you ensure that the children are bringing a coat to school as the weather can become changeable. Can we also please remind children and parents about adhering to the school's uniform policy, particularly when it comes to footwear which should be plain black trainers or shoes.

Finally, can we please remind everyone that we are a healthy school. Crisps, sweets and snacks should not be included in packed lunches (one treat is allowed on a Friday), be given as a snack for after school clubs or be handed out or consumed whilst still in the playground at the end of day. Thank you for your co-operation with this matter.

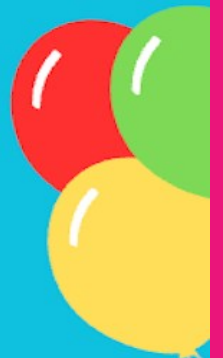

I hope you all have a lovely weekend.

Jo Plesniak
Head of School

We are pleased to introduce you all to our new play club providers who will be taking over the provision after October half term. Bookings and payments will be done through their app. More details to follow in next week's newsletter.

I am sure you would all like to join me in wishing Ms McCarter well as she begins her maternity leave this weekend. It's time for her to slow down and take a breath before a new chapter begins for her and Mr Roman..

While Ms McMccarter is on maternity leave, Ms Eirini Lymperi will stepping into the role of SENDCo, alongside being The Village lead. Look out for her in the playground, next week, if you have any questions or just want to introduce yourself to her as a parent of one of our SEND children - I know many of you have already had the chance to meet already.
