Dear Parents and Carers,

Despite the challenges of the dreary weather at the moment, using our value of perseverance and adopting a 'can do attitude', lots of the children were out on trips this week. EYFS have been visiting a local café in small groups and Year 1 had an exciting time at the London Aquarium, where they saw lots of different sea creatures linking to their work in science and literacy this term. At different points in the week, the children in Y2 and Y5 were out on field trips for Geography in the local area observing and collecting data. Yesterday afternoon, Y3 visited The British Museum as part of their History work at the moment. We are so lucky to have access to so much enrichment in London and it really helps to bring classroom work to life for the children.

Next week is our annual 'Wellbeing and Safety Week'. Over the next 5 days, the children will think about how to support their mental health and wellbeing, the importance of online safety, safety on the railways and an anti-bullying refresher. Unfortunately, there was some confusion over our Online Safety Day which will now be on Tuesday, including Mary Rebelo's regular online safety updates in our Parent Workshop. This was a hot topic of conversation amongst the parents at the Headteachers' coffee morning this week, so we really recommend as many parents attend as possible, as this is always such a useful session.

Finally, a reminder that it is the Valentines Disco on Wednesday and children may wear home clothes on that day in exchange for paying £1 towards our school fundraising efforts. Thank you to all the children who have decorated hearts for the event. They are going to look amazing and there is a prize for the best ones in KS1 and 2.

Have a lovely weekend everyone!

Jo Plesniak
Head of School

Parents: Donations of cakes and snacks that could be sold on the day would be very much appreciated. Thank you for your support.

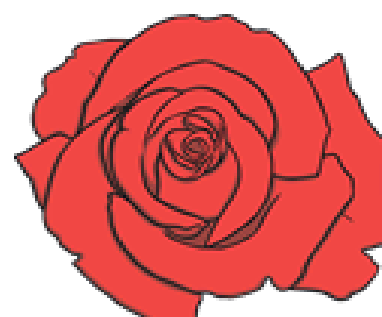

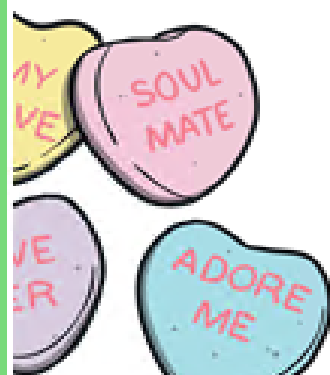

You are invited to All Souls School's **Valentines Disco!**
