*Our School Vision: Experiencing life in all its fullness,
we grow to be the best that we can be — Based on John*

10:10

Dear Parents and Carers,

It is incredible to think that we are just finishing our sixth week of this term; the time seems to have flown by! The children are truly settled in to their new classes and have all been working hard and learning well. This week was the final week for Project Touchline which Y1 -4 have all thoroughly enjoyed participating in.

For the next 2 weeks, the children in each class will be learning about inspirational and important figures in Black History as part of our Black History Month work. We will hold our annual BHM sharing assembly straight after half term which parents are most welcome to attend.

Following on from my letter about our new online health and safety system 'Medical Tracker', can I please remind parents of all children, who have asthma, that we should have 2 blue pumps in school for them along with a spacer to ensure that the dosage, when needed, is administered in the most effective way.

Can I also ask parents not to send children into school with any kind of watch which is capable of taking photographs. This is not something that should ever be worn in school and is in breach of our safeguarding policy.

Finally, we are holding an important PTA meeting on **Tuesday 21st October at 9:10am in RHH**, which we would like as many parents as possible to attend, as we will be proposing a new committee structure and sharing some exciting news about our Winter Fair.

I hope you all have a lovely weekend.

Jo Plesniak
Head of School

This week, we finished our work with Project Touchline after 5 weeks of Collective Worships, rugby lessons and prayer club – all of which helped everyone in the school community to think better about how we can use our school values in every day life.

Years 1, 2, 3 and 4 have had weekly rugby lessons. Here they have learnt a series of games such as Lions and Rabbits and Sharks and Seals. In these games, the children have not only developed their rugby skills but have also thought carefully about how to show our values – for example they shake hands to show compassion after winning a game and use wisdom to ensure they play the game safely.

A highlight of the project has been the lunch time prayer club. This has been open to any child in Year 1 to 6 who has chosen to attend. It proved so popular that we had to split the group into two.

Project Touchline is all about legacy, so we are very much planning to continue the good work. Prayer Club will continue in some form, so do look out for more information about that, and we hope the children will continue playing the rugby games in the playground. Of course, we will also continue to use our school values in every area of our school life so that we can continue to live out our school vision.

For a real treat, and to see for yourselves what we've been up to, you can watch this video:

<https://youtu.be/YX9QpUwmRMs>

During the project, we learnt about how to use our school Christian values of perseverance, wisdom, thankfulness and compassion to help us develop our rugby skills. In the sessions, we showed humility to our partners and team members through hand shaking and sharing, helping us to practice equality and respect. We played lots of different games that kept us active and helped us learn the rules of rugby. It was great applying our values to a sport, helping us to be mindful of ourselves as a team.

Josephine and Umar (Year 4)

We are pleased to introduce you all to our new play club providers, who will be taking over the provision after October half term. Bookings and payments will be done through their app. Demonstrations and support with booking will be on Wednesday 22nd October in RH Hall between 9:00-9:30am. Please note booking will no longer be done through the office, so it is important that parents understand the new procedures.

A DAY IN THE LIFE OF OUR AFTER SCHOOL CLUB

Our after-school clubs offer the ideal childcare solution for busy families, providing a safe and supportive space where children can thrive.

Each day is designed to spark imagination, build confidence, and celebrate individuality through experiences they genuinely enjoy.

Built around our Whole of Child approach, our vibrant daily schedules feature a variety of exciting activities across the categories below!

Adventure Squad

Activities include:

- ✦ Mini Olympics
- ✦ Foot Golf
- ✦ Scavenger Hunts
- ✦ Outdoor Challenges

Chill Zone

Activities include:

- ✦ Board Games
- ✦ Mindful Activities
- ✦ Yoga
- ✦ Jewellery Making

Creative Crew

Activities include:

- ✦ Arts & Crafts
- ✦ LEGO Building
- ✦ Cookery
- ✦ Science Fun

Head to our website and
