Every Tuesday  
At the Brig 2-4 pm

All sessions will be free  
No need to book  
please feel free to drop in

Please note that this is not a respite project  
All adults need to be **accompanied by an appropriate carer**

Opportunity for adults with additional needs to meet up and leave their homes, to meet a local peer group and to experience new, fun activities.

**Come and have a cup of tea and a chat.**

The only agenda we have is to combat loneliness, isolation and boredom - we are simply about fun and friendship.
