Dear Parent/Carer.

At Oakfield Park School, we believe that giving our young people opportunities to request, choose, and prepare food during the morning, as well as take part in Food Technology lessons, is a wonderful way to help them grow in confidence, communication, and independence.

Unfortunately school is unable to fund this provision without your help therefore to help us continue offering these valuable experiences, we kindly ask for a contribution of **£3.00 per week**. We are happy for you to pay weekly or for the full term whichever is most convenient. Next term is 11 weeks, £33.00.

All payments are now made digitally through the **School Money App**. *The app can be downloaded from your apps store for free.*

If you're having any difficulty making payments or would like to talk to someone, please feel free to contact our school office on 01977 613423. We're always here to help.

Yours faithfully

Nicola Cryer
