Dear Parents and Carers,

Our school car park is not fit for purpose and we have over 100 staff on site each day. We struggle to get all the Home to School Transport vehicles safely alongside the parents and carers who are collecting their children.

This makes the car park unsafe at times and we would like to request that all parents and carers do not enter the carpark until **9:15am for drop off** and at **3:15pm for collection**.

From September we will prioritise the Home to School Transport vehicles to increase capacity in the car park for when parents/carers arrive on site.

If you have children at another school who need to be collected at the same time, please email reception@oakfieldpark.wakefield.sch.uk and state your child's name who attends Oakfield Park and the school which your other child/ren attend so we can liaise with them.

We want to ensure the safety of all our students and staff alongside supporting you.

Thank you in advance.

Kind regards,

Yours faithfully

Nicola Cryer
