14<sup>th</sup> July 2026

Good afternoon.

The weather forecast for tomorrow predicts temperatures of up to **31°C**. We will continue to do everything possible to keep students comfortable in school, including keeping blinds closed and ensuring regular access to drinking water. However, please be aware that we do not have air conditioning throughout the building, and some classrooms have reached around **28°C** today.

If you feel that the heat may affect your child's health or wellbeing, we are happy to support parents who wish to collect their child early tomorrow, **Thursday 9th July**, between **1:30pm and 2:30pm**. After this time, the usual collection time of **3:15pm** will apply. The absence will be authorised on this occasion.

At present, there are no changes to **Home to School Transport** arrangements. Should this change, the transport provider will contact families directly with further information.

The **Key Stage 3 Beach Event** and **Post-16 Festival** will go ahead as planned. Please ensure your child brings a **water bottle, sun cream**, and a **sun hat or other suitable protective hat**.

Kind Regards

Nicola Cryer  
Headteacher
