

High Legh Primary School

No. 3 14th October 2022

Head teacher: Mrs Louise Tottle Telephone: 01925 753713

email: head@highlegcheshire.sch.uk

If you have any queries or concerns please do not hesitate to get in touch with either your child's teacher or myself.

This harvest festival we are celebrating our amazing county that produces delicious food.

Children will be going up to the church to have a school celebration. As part of our harvest celebrations we would like to donate to Warrington Food bank to help those people who live locally and are going through crisis and need support with food.

It is sad to think a few years ago we couldn't find any charities that wanted food parcels and now we find the need has risen dramatically, sadly, many people near us are finding the situation of feeding their families a huge struggle. Please donate as much as you can, it is important that our children have the opportunity to help others. Below is a list of items that the charity finds most useful, however, you can send in other items such as breakfast cereals, pasta, rice, pasta sauces, biscuits and snacks. Please do not send in any fresh produce and for all tins to be in date. Thank You.

TEA, COFFEE, SUGAR, UHT MILK (GREEN OR BLUE), CUSTARD, JAM, RICE PUDDING, TINNED MEAT, TINNED VEG, TINNED FISH AND CARRIER BAGS, CARRIER BAGS....AND EVEN MORE CARRIERS BAGS PLEASE!

Please start bringing in your donations from Monday 17th October.

Thank You

Hydrogen Pipeline Public Consultation

Hynet North West Hydrogen Pipeline is having a consultation to explain proposed work. The consultation is from 12th September to 10th November. There is an event on at High Legh Village Hall on 31st October 9.30am to 12.30pm

To look at the interactive map find out more go to:

feedback.hynethydrogenpipeline.co.uk

email: info@hynethydrogenpipeline.co.uk

Coats

We still have children arriving without coats – children are getting wet when it is raining – please ensure that now we are in the autumn/winter months that your child brings a coat into school every day.

Otherwise, they may miss playing out with their friends or get very wet in the process of playing outside.

Sickness

We still have sickness in school. The past 2 days has seen between 11 and 14 children off. All classes except Y6 are affected.

We also have had 6 members of staff off this week- with a range of illnesses but 2 of them had the vomiting illness.

We continue to do a deep clean in school at night, we do need your support in keeping your child off school for 48 hours even if they make a recovery and bounce back; as this sickness seems to be very contagious.

48 hours is the guidance from the NHS

Teachers2parents

We are still having teething issues with our new App. The payments of trips and dinners seem to be working well. However, our clubs became very muddled- apologies. We could only see where permission had been granted not where a club had been booked. We also had some parents that booked but didn't give permission. We will look into making this just a one step process.

Parent Governor Voting forms

Parent voting forms for a new parent governor have gone out to families, please can you send these back in by Friday 21st October. Each parent has a vote so up to 2 votes can go on one slip.

PTA

We have a new PTA.

If you have any questions, ideas or want to offer your help then please do get in contact with them.

Our Co-Chairs are Laura Boyd (child in Y4) and Ruth Ande (child in Y4)

Secretary is Nicola Crossley (child in Y2)

Treasurer is Elise brown (child in Y1)

Communications officer- Emma Crewe (child in Y1 and Y4)

PTA Disco- Thursday 3rd November 3.30pm-5pm

This is the first event run by our new PTA.

The disco is for all our children, you can buy a ticket for your child to go on Teachers2parents App.

There will be a disco, sweet stall, unlimited water and cordial, popcorn, candy floss, pocket money stand, tuck shop and face paint /tattoo/nail bar. Children need pocket money for these items.

Children can bring a change of clothes/Halloween costume for the disco. Children change in class straight after school with help from their teacher and their teacher then takes them to the hall.

We ask that at pick up all the parents wait outside the front door, children collect all their belongings from class and wait in the hall. Teachers then hand over children from the front door.
