

Dear Parents and Carers,

It is hard to believe that we only have two weeks of the academic year left. This term has been fulfilled with our recent science week (which turned into two weeks due to the hot weather closures). The children have loved the Explorer Dome sessions which were kindly paid for by the PTA. We are looking forward to sharing with you some of our work from the week on Open Evening on 9th July from 4.30 to 6.30pm.

VALUE OF THE TERM

SUCCESS

We recognise and are proud to celebrate, the achievements of all.

'Please grant success to the journey I have begun.' Genesis 24:42

In a couple of weeks we say farewell and good luck to our amazing Year 6 children who will be moving on to secondary school. This week it has been a pleasure to enjoy some wonderful activities with them, including a Polar experience at Snozone, Milton Keynes and a trip to London to see Wicked.

Staffing Update:

Sadly at the end of the year, we will be saying farewell to a few members of staff who are moving on to new adventures. Mrs Ball (nursery teacher) is leaving us to start a role at a nursery closer to her home and Mrs Cross (Year 2 teacher) will be taking up a role in another local school. Mrs Lazenby will also be finishing having supported a maternity cover position this term in Year 6. I would like to wish them all the best for the future.

In addition, we say goodbye to some of our teaching assistants. Mrs Stephens is moving to Cornwall in the summer and felt the commute was too much! Mrs Saville who is going to be working as part of the health visitor teams. From our wider support team, Mrs Mitchell and Mrs Wilson (lunchtime supervisors) are stepping down after many years supporting in the hall and Mrs Hewitt (School Librarian) is retiring at the end of term. I would like to thank them all for their dedication to the school over many years.

For September we have appointed a number of new teachers to join the team:

Mrs Joanna Ryan, an experienced teacher who will be joining the Year 6 team while Miss Tovey remains on maternity leave.

Miss Rosie Marriott, an experienced teacher who is moving to the area with her partner who is in the RAF.

Mrs Susan Wills, an experienced early years teacher.

Miss Isabella Meeks, who has undertaken her teacher training with us over the last twelve months.

Mrs Jasmine Archer, who has now been appointed as a qualified teacher following her school based apprenticeship.

Below you will find how classes have been allocated for September 2026. I look forward to welcoming parents and carers to our open evening where your child's current and future teacher will be available to talk to.

Best Wishes

Mark Smith

Headteacher

Charity Fundraiser

Ezra Wright from Hazel Class has decided he wants to take on a charity challenge.

He has picked a wonderful charity called Flying Seagull Project which we were lucky enough to watch at the Big Festival last year. This projects travels around the world doing show (circus, games etc) for children who are displaced or affected by conflict.

Ezra will be running, cycling and walking 90km over the next 4 weeks to try and raise funds.

If anyone would like to sponsor Ezra, please use the link below.

Scooters and Bicycles in School

Please could all parents remind children that scooters and bicycles ARE NOT to be ridden on school grounds, they must be dismounted at the school gate and walked in.

We had an incident last week where a grandparent who had come to collect at pick up was knocked into by a child riding a scooter and this resulted in a nasty fall which needed a visit to the hospital.

It has also come to our attention that there have been several 'near misses' between cars and children on bikes and scooters and, concerningly, there have been occasions where children have been without a helmet. We want to encourage all parents to speak to their children about the seriousness of road and cycling safety, and how crucial it is for all children to be wearing helmets when they are cycling and scooting.

If there are any families who are struggling to source helmets for their children, please reach out to Alaina Tabern (Child and Family Support Worker) who can support with signposting to other agencies who may be able to help secure cycling safety equipment. Please feel free to email Alaina at atabern@st-john.oxon.sch.uk.

Summer Reading Challenge 2026

This year's Summer Reading Challenge theme is: **Read to the Beat!**

The Summer Reading Challenge encourages children to keep reading during the school summer holidays and to choose anything they enjoy to read! It's free to take part and children can sign up at their local library or sign up on the official challenge website to take part online. The website is **summerreadingchallenge.org.uk**. Children can set a reading goal and get tips for accessing books for free at home. Libraries offer lots of free activities and events throughout the summer.

What is the Summer Reading Challenge?

1 in 4 children cannot read well by the age of 11. This hugely limits their life choices and skills. The Reading Agency is on a mission to change this. The Summer Reading Challenge encourages children to keep reading during the summer holidays, ensuring they are ready for a great start to the new term in the Autumn. Children set a reading goal and collect rewards for reading anything they enjoy.

The 2026 theme is all about harnessing the universal appeal of music to inspire a new generation of readers.

Read to the Beat! Is created in partnership with Universal Music Group UK. Every year, the Summer Reading Challenge plays a vital role in keeping children excited about books. This year's collection is particularly special as it celebrates the universal language of music – from drumming and dancing to orchestras, opera, rap, K-pop and everything in between.

This year's challenge is brought to life with illustrations by award-winning author and illustrator, Harry Woodgate.

The 2026 SRC collection features 55 captivating titles for different reading levels, spanning early readers, and middle grade titles, as well as dyslexia-friendly titles. With a rich mix of fiction, non-fiction, poetry, and graphic novels. The collection has been carefully curated to get young readers tapping their feet and turning pages. The books will be available to borrow for free from public libraries.

How the Challenge Works

Sign-up: Children are invited to borrow and read any six library books of their choice (including audiobooks, comics, and e-books) over the summer break. The challenge officially launches in England and Wales on **Saturday 4th July 2026** (earlier in Scotland).

Collect Rewards: As participants read, they collect special stickers and character cards for each of their reading goals.

Completion: Readers who complete six books receive a special stickers and character finisher's medal.

Don't forget younger siblings either. The Summer Reading Mini Challenge, designed for children aged three and under, uses the same sticker and collector card format to bring families with pre-schoolers into the library fold – building the reading habit from the very beginning.

Andrew Bayliss, the Manager of Carterton Library, will be visiting the school assembly on Monday 29th June to talk to the children about the Summer Reading Challenge.

Andrew and his colleagues would love you and your children to visit Carterton Library. Other local libraries will be taking part too. Remember the challenge is free!

Attendance and Punctuality

Whole School Attendance Target:

96%

Currently whole school attendance

96.4%

35 children from Reception to Year 6 have under 90% attendance.

This means that 35 children have missed the equivalent of 4 weeks of school this year.

That is:

20 days of learning

20 days they have missed playing with their friends.

In Reception and Year 1 this is 20 phonic sounds they have missed that are vital for learning to read.

Every day, at least six children are late for school and miss early morning skills practise such as phonics or number practise.

In school every minute or every day counts in supporting your children to thrive socially and academically. Please support us by only keeping them off school if they are absolutely too unwell to attend.

Classes with the highest attendance last week

Bronze winner	Silver winners	Gold winners
Oak Class 98.0%	Elm, Holly and Silver Birch Classes 98.6%	Hazel Class 99.0%

THE OXFORD & CAMBRIDGE SINGING SCHOOL

The Singing School was established in 2013 to provide children with the opportunity to sing great classical music with world class coaches in a relaxed and fun environment and to develop their confidence and ability in singing and performing.

This summer at Somerville College, we will be learning some beautiful seasonal music, and, as always on our courses, we will be giving sessions on vocal technique, music theory, music appreciation and history.
