In assembly this week we were thinking about why living peacefully together and praying together makes us stronger. The children discussed working together can often makes things easier and more enjoyable than working alone. Our mission was to try to bring peace to our community by listening, helping and praying together.

We had a lovely start of term Mass on Friday. The theme being start of year and our 'School Mission'. Father Jose spoke to the children about three things they could have in their school bags, love, joy and good thoughts. Our mission was to try to have love in our hearts, joy on our faces and good thoughts in our minds as we enter the gate each day.

Education Sunday

This Sunday, 13th September, we celebrate Education Sunday. We give thanks to God for the gift of education and for everyone who supports our children's learning, including teachers, governors, families and parish communities. We pray for wisdom, joy and guidance in the year ahead.

Parent Governor Election

If you feel called to serve, we are currently seeking Parent Governors to join our Governing Board.

Please see the information on pages 11 and 12.

If you would like further details, please speak to me or email:

School Vacancies

We currently have vacancies in year 4. Please share this information with any families who wish their child to attend a Catholic faith school.

October Two Week Holiday Trial Academic Year 2026-2027

A reminder that the dismissal timings have changed as we are extending the school day to cover the lost learning time for the additional weeks holiday at October half term. Please note this is a trial for one year and we will seek parental feedback as to your thoughts on the impact this has during this academic year.

The school day continues to begin at 8:30 a.m.

From September 2026 dismissal times will be as follows:

- Nursery morning session: 11:35 a.m.
- Nursery afternoon session: 3:30 p.m.
- Reception: 3:20 p.m.
- Year 1: 3:25 p.m.
- Year 2 and Saint John Paul Class: 3:30 p.m.
- Year 3: 3:25 p.m.
- Years 4, 5 and 6: 3:30 p.m.

Annual Parental Questionnaire

Thank you to those parents who completed the questionnaire last week. We had 122 responses. I have written to all parents with a summary about your views and suggestions. We really appreciate you taking the time to complete the questionnaire and staff and governors will all give due consideration to all responses. As always if you have any concerns, please raise this with your child's class teacher or a member of the Senior Leadership Team, Ms. Gaynor, Mr. Nicklin or myself.

Curriculum Meetings

Our final curriculum meeting will be for Year 4 on Tuesday 15th September at 3p.m. in their classroom. **Please note the change of date.** Curriculum newsletters will be emailed out to parents next week.

RSE Consultation

Following the introduction of the new statutory requirements for Relationships, Sex and Health Education (RSHE), we are currently reviewing our RSE curriculum and policy to ensure that they meet the updated requirements while continuing to reflect the Catholic ethos and teachings of our schools.

The parental consultation will run for six weeks, from Monday 7th September to Friday 16th October 2026.

We warmly encourage all parents and carers to take part by reviewing the proposed curriculum content and resources and sharing their views with us.

To support the consultation, parents and carers are reminded that they always have access to the **Ten Ten Parent Portal**, where you can view the curriculum content, lessons and resources that will be used with the children. A link to the portal, together with your username and password, has been sent directly to the email address linked to your ParentPay account. If you have not received these details, please contact the school office. If you have any questions, comments or feedback during the consultation period, please email the relevant school:

Infant School: rse@sjinf.brent.sch.uk

Junior School: rse@sjjnr.brent.sch.uk

Thank you for taking the time to engage with this important consultation and for working in partnership with us as we continue to provide RSE that meets statutory requirements and reflects our Catholic faith, values and school mission, **'We follow Christ's footsteps in love.'**

School Dinner Menu

I have included the current school menu on page 13 for you to refer to if you have any queries on our menu.

Mobile Phone Policy

As I am sure that you are aware the guidance on the pupil use of mobile phones in schools has changed. This does not currently change anything for our pupils as we always only permitted non camera phones for Year 6 pupils who were travelling independently to or from school. We have always collected their mobile phones and never permitted in school use. **Our updated policy does request that our school is a mobile free area. This means parents should not be on their phones on the school premises.** Thank you for your support with this important safeguarding issue. The full policy is available on the school website on the policies section.

OPAL Please could children bring in their wellies, a spare plain white t-shirt or spare polo top and a pair of socks which will remain in school. This is in case children get wet or muddy during water play. Please ensure that the items all have their names on and are in a plastic bag also with their name written on. Many thanks.

School Equipment

Thank you to those of you who have sent in the requested items for your children. If you have not done so yet please send in a glue stick and a box of tissues which will be used in your child's class.

Secondary School Admissions Meeting

There will be a meeting to support Year 6 secondary school applications on **Monday 14th September at 9 am in the Junior Hall**. I would encourage Year 5 parents to also attend in order to understand the application process. It is also a good idea for Year 5 parents to visit secondary schools this year to help to inform your decision this time next year. We have invited representatives from Brent Catholic secondary schools to speak to you and staff from Saint Gregory's Catholic Science College, Saint Claudine's Catholic School for girls, Newman Catholic College and Sacred Heart Language College.

Year 6 Secondary School

Year 6 applications for admission to secondary school need to be submitted by October 31st 2026. I include the link below to further information on the Brent website.

Online Safety

Each week we will include an information sheet which helps us navigate the online world. This week the National Online Safety guide is about what parents and carers need to know about 'Parental Controls on phones' please see pages 14 and 15.

Safeguarding

Safeguarding is everyone's responsibility and we try our best to support you particularly in terms of the dangers that children may encounter online. If you have any concerns, please contact me.

All school staff and Governors have regular training. I remind you of the Designated Safeguarding Staff who have had additional higher level training in safeguarding.

Weekly Attendance Award

Many pupils across both schools did not return on time last week which is very disappointing. It is not a good start for your child to begin their new class later than others just to extend the holiday period. Please adhere to the term time holiday dates otherwise you risk a fine.

Congratulations to last week's winners.

Prayer for Education Sunday

Loving God,
Thank you for the gift of our school
and for everyone who learns, works and grows here.

Bless our children, families, teachers and staff.
Help us to use our gifts wisely,
to be kind and caring,
and to help one another each day.

Guide us as we learn and grow together,
and help us always to follow Christ's footsteps in love,
showing love, respect and compassion to everyone we meet.

May our school always be a place
where every child feels valued,
every person is welcomed,
and we grow together in faith, hope and love.

Amen.

Have a lovely weekend.

Mrs. Whelan

St Joseph's Infants
EYFS Creation and Covenant
Linking School, Parish and Home

Religious Education	
Topic Theme: Creation and Covenant	
Children will explore how we 'begin': in our families, in our Church and at school.	
Key Ideas	Monitoring opportunities:
In this unit, children will learn that God made the world and everything in it because He is loving and kind. They will hear and explore the Creation story from the Bible and discover that God made each person special and loved. Children will begin to understand that God wants us to care for His world, for each other, and to live in friendship with Him. They will explore these ideas through stories, songs, play, and prayer.	Children's development will be monitored through observation and the collection of work samples for their portfolio.
Affective and Spiritual Dispositions	
<i>It is hoped that pupils will:</i> • Developing a sense of awe and gratitude for God's creation. • Responding with joy and curiosity to the beauty of the natural world. • Growing in the awareness that each child is created and loved by God. • Feeling secure in God's love and friendship. • Beginning to trust in God's promises.	
Activities to try at home	
Parents are the first educators of their child in faith. Children's learning in religious education occurs best when school and family are engaged in talking about the same topics. You could help your child by trying one or more of these activities while this topic is being taught: • Look over photo albums and recall stories of your family. • Look at their Baptismal Certificate or photos of their Baptism. Explain who their Godparents are. • Celebrate the friends you have who are from different cultures. Speak positively about difference.	
An idea for prayer at home	
	When you next collect your child from school take some time to talk about the Church and to prayerfully think about the religious items it contains. Allow your child to light a candle and together pray for a special intention.

Creation and Covenant

Linking School, Parish and Home KS1

Religious Education

Key Idea: Creation and Covenant

The religious education unit for Autumn 1 is called Creation and Covenant, it is the 'beginning' branch. In this unit, children will learn that God made the world and everything in it because He is loving, powerful, and good. They will explore the stories of **Creation** from the Bible and begin to understand how God created people to be in a special friendship with Him.

Children will discover how God made a **covenant**, or a special promise, with His people and how He asks us to love and care for others and the world around us. They will hear stories of **Abraham**, **Noah**, and **Moses**, learning how these important people trusted God and kept His promises.

Through prayer, discussion, art, and storytelling, children will reflect on how they are part of God's family and how they can respond to His love by being kind, caring, and faithful in their own lives.

Attitudes and Spiritual Dispositions

Spiritual Outcomes: *It is hoped that pupils will develop:*

- A sense of the truths contained in Scripture.
- An appreciation of/for our connection to the Jewish people
- Respect for the faith and practices of the Jewish people
- An openness to learning from other faiths

Activities to try at home

You are the first educator of your child in faith. Your child's learning in religious education will be much greater if you and the school are engaged in talking about the same ideas and beliefs.

- Talk to your children about what they have: foster a sense of appreciation and thankfulness for the many blessings and privileges they enjoy.

An idea for prayer at home

Prayer Activity

Heavenly Father, thank You that You are our Creator God Who made the heavens and earth and filled them with such richness and beauty. Thank You for Your immutable Word and the truths that it contains. Thank You for my salvation by grace through faith in Jesus Christ, by Whom all things were made and in Whom all things hold together. In Jesus' name I pray, AMEN.

Creation and Covenant

Linking School, Parish and Home

Ks2

Key Idea: Creation and Covenant

This branch explores how God created the world out of love and how we are called to care for it and for each other. It tells the story of how God made a covenant – a special promise – with His people, starting with Abraham. God promises to be with His people, and they are asked to follow Him in faith and trust.

Attitudes and Spiritual Dispositions

Spiritual Outcomes: *It is hoped that pupils will develop:*

- An understanding that God is the creator of everything and all creation is good.
- An understanding about the importance of caring for creation.
- An appreciation that God remains faithful even when His people make mistakes.
- We are part of God's ongoing story and are called to live in friendship with Him and others.

Activities to try at home

You are the first educator of your child in faith. Your child's learning in religious education will be much greater if you and the school are engaged in talking about the same ideas and beliefs.

Discuss with your children ways in which they think they could help look after God's creation. Come up with a list of different ways and encourage them to try and do one of the suggestions each day.

An idea for prayer at home

Prayer Activity

Dear God,
 Thank You for the beautiful world You made.
 Thank You for the sun, the stars, the animals, and all the people.
 Thank You for loving us and making a special promise to always be with us.
 Help us to take care of Your creation and to keep our promises too.
 Teach us to be kind, faithful, and full of love, just like You.
 Amen.

Friday 10th September 2026

Dear Parents,

As you know the Infant and Junior school are in a hard federation. Two vacancies have arisen in the Infant and Junior Schools for new Parent Governors. Parents of all registered pupils at the schools are entitled to stand and vote for the candidate of their choice. There will be one vote for each family.

You may nominate another parent with their approval or you may put yourself forward for election. Names should be received at the school by **12 noon Friday 25th February 2026**. Candidates will be expected to write a statement of support of no more than one side of A4 paper outlining their reasons for wishing to stand and the skills they feel that they have to offer for circulation to parents. This should be submitted together with the nomination. If necessary, there will be a ballot period and information about this will be circulated in due course.

Before you decide to nominate someone, or indeed yourself, you may want to know a bit more of what is involved. Governors need not be experts in the field of education. What they do need is an interest in the school and in the welfare of the children and the time and willingness to get involved. The skills that you hold in your personal or professional life can be very useful to the Board of Governors. Governors also need the ability to be able to build relationships with a range of people, to be able to work as part of a team and to be able to question and to make connections between different types of information. All governors are expected to be able to read straightforward budget reports and data on school standards.

Our Board of Governors expects Governors to be available to:

- attend at least two meetings a term
- visit the school formally from time to time for monitoring visits
- commit to attend training courses as required by your role.

If you are interested in becoming a Parent Governor, but would like more information about the role and the level of commitment please contact Mrs. Whelan who will be happy to give you more details.

Further information about the role is attached and you can also go to www.rcdow.org.uk, click on education and then school governors.

Yours faithfully,

A Turner

Ms. A. Turner

Governing Board Clerk Saint Joseph's Infant and Junior Schools

The Role of Elected Parent Governors – Guidance from Westminster Diocese

Parents of pupils attending the school may elect one or more of their number to serve as a school governor. The precise number will be prescribed in the Instrument of Government. Elected parent governors, like elected teacher governors, are full members of the governing body. With the foundation governors appointed by the Bishop, representative governors, and the head teacher, they form the school's governing body which has responsibility for many issues including setting the aims of the school and ensuring that its identity as a Catholic School is sustained in every area of its life and underpins its curriculum planning. Within this framework of Catholic Education, follows responsibility for Religious Education, National Curriculum, managing the delegated budget, appointing teaching and non-teaching staff. Fuller details of governors responsibilities are given in 'School Governors: A Guide to the Law – Voluntary Aided Schools' available free of charge from the DFEE.

At the time of election, the elected parent governor must have a child on the roll of the school and may continue as a governor even if the child leaves the school before the completion of the four-year term of office. Although elected by the parent body, the parent governor is not mandated to represent their views at meetings and should be alert to the importance of advising parents to contact the head teacher directly in those issues for which he/she has professional responsibility. Like all governors the elected parent governor brings his/her own perspective and experience to the governing body, and in company with fellow governors must aim to offer the school the following:

- an understanding and promotion of the Catholic School's Aims and Identity.
- time to prepare for and attend governors meetings and other school events.
- a concern for the whole school and its role in the parish and local community.
- willingness to learn about developments in education from the head teacher and staff and by attendance at Diocesan and LA training for governors.
- an understanding of the governing body's relationship with the head teacher.
- willingness to be a good team member, working harmoniously with fellow governors and school staff.
- an ability to maintain confidentiality in many areas of governors' work.

Please note all Governors will have to comply with our safeguarding policy including completing a DBS/Disclosure and Barring check.

How to Set up PARENTAL CONTROLS to limit age-inappropriate CONTENT Android Phone

The settings on an Android device allow you to prescribe certain rules for when your child is using it. For example, you can block specific types of content to reduce the risk of your child being exposed to age-inappropriate material (music with explicit lyrics, for instance, and games, TV shows or movies that are unsuitable for young people). There are two ways to access parental controls on an Android phone: through Google Play or via the Google Family Link app. You can also lock your changes behind a PIN, so your child (or anyone else) can't change them back.

Set up parental controls with Google Family Link

- 1 On your phone, install Google Family Link for Parents
- 2 Tap Open and review the information
- 3 Tap Get Started
- 4 Tap Next to set up your child's device
- 5 On your child's phone, download Google Family Link for Children & Teens and enter the Family Link setup code provided
- 6 On your phone, open the Family Link app
- 7 Tap your child's name
- 8 Tap Manage Settings
- 9 Tap Controls on Google Play
- 10 Tap the content you would like to restrict
- 11 Choose how to filter or restrict access

Set up parental controls with Google Play

- 1 Open the Play Store app
- 2 Tap Menu (represented by three horizontal lines)
- 3 Tap Settings
- 4 Tap Parental Controls
- 4 Enable Parental Controls
- 4 Create Pin
- 4 Tap the content you would like to restrict
- 4 Choose how to filter or restrict access

How to Set up PARENTAL CONTROLS for PRIVACY iPhone

The privacy settings on your child's Apple device give you control over the information stored on it. This allows you to select which apps can access features and information on your child's device: for example, you might wish to block a social networking app from connecting to the camera reel, or specify which apps can use the device's location data.

How to make changes to privacy settings

You can block certain apps from obtaining information from your child's device. You can also prevent your child (or anyone other than you) from altering these settings.

1 Open 'Settings'

2 Tap 'Screen Time'

3 Tap 'Content & Privacy Restrictions'

4 Scroll to 'Privacy'

5 Choose the settings you wish to restrict

6 After you've made any changes, select 'Use Screen Time Passcode' to lock your changes with a PIN

How to prevent changes to other settings/features

You can also stop changes being made to the iPhone's other settings or features by anyone but you. For example, you can prevent your child from altering their passcode, accounts or mobile data settings.

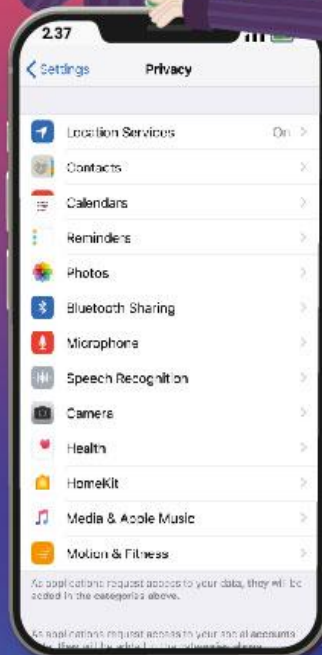

1 Open 'Settings'

2 Tap 'Screen Time'

3 Tap 'Content & Privacy Restrictions'

4 Scroll to 'Allow Changes'

5 Select 'Allow' or 'Don't Allow' on the settings for which you wish to enable or disable changes
