## Friday 6th June 2025

Learning, living and growing in God's World.

*"I have come that they may have life and have it to the full." (John 10:10)*

### News from school this week

**Our British Value this half term is: Tolerance**

**Our Home School Value is: Creativity**

This week, Elevate MAT CEO Nigel Ashley visited both schools to introduce himself to the children and explain a little about his role. The children had lots of questions for him! Mr Ashley also discussed Elevate's ethos of high expectations and relentless determination and the children reflected on how this will help them achieve their aspirations and goals.

### Important messages

Our Home School Value this half term is Creativity Please see pages 3 & 4 For the home school values worksheets.

We had an exciting start to the week with a visit from Gladiator Champion and Hackness school pupil Joseph Fishburn. A big thank you to Joseph for visiting and talking to the children. Please see our Facebook page for photos.

Please could all communication relating to absence be made via the school office as teachers are not always able to check messages on Class DoJo.

We are experiencing increased requests for our Breakfast and After School Clubs. If you have a space reserved please could you let the office know if you no longer require your space. We will follow up with families if children with reserved spaces are not regularly attending to ensure we can provide these services to as many families as possible.

Please can all ParentPay balances be kept up to date. Please could all balances be kept in credit to continue to use these services. Thank you.

### Clubs & Fixtures

**Breakfast Club Mon—Fri 8am—8:40am.**

**After School Club Mon— Wed 3:10pm—4:30pm**

**Thurs 3:10pm—**

**4:15pm**

**Band Wed Lunchtime**

**Multi-Skills Mon 3:10pm—4:10pm.**

**Choir Wed 3:10pm—4pm.**

**Football Fri 3:10pm—4:10pm.**

### Attendance: our target is 96%

**Overall  
school  
attendance  
for this term**

**Well done to Year 1 for 100% attendance this week.**

**Our target attendance is 96%.**

**If your child is poorly or not in school please call the school office on. 01723 882212.**

A Facebook page has been set up from Hackness & Wykeham school If you would like to follow the page it can be found by search Hackness and Wykeham Church of England Schools Federation. Please note, this does not replace our usual communication channels.

**FOHSA Pre-loved School Uniform.**

If anyone has any pre-loved uniform the Friends of Hackness are always

# CREATIVITY

HOME SCHOOL VALUES

This term we will be focussing in school on the value CREATIVITY. We hope your family will find these ideas helpful as you explore the value and have fun together.

## TALK TOGETHER about Creativity

Ancient paintings hidden deep inside dark caves, huge stones arranged on hill sides and plains, buried bowls and pots and intricate jewellery show us that from earliest times human beings have wanted to design and **create** beautiful things.

Each of us is **creative** but we all have different gifts and abilities. Some of us love to paint, others to cook: some like to make music, others to build models .....

- Talk together about each others **creative** gifts. Are there some gifts that you share as a family or are you all different?
- Is there something **creative** you have always wanted to try but never had the opportunity?
- Do you have a favourite piece of art? (It could be a picture, sculpture, piece of instrumental music, song or perhaps a poem.)

## THINK TOGETHER Words of Wisdom

"**Creativity** requires us to use all our senses and still imagine more"

Anon

## READ TOGETHER...

### Psalms 148

People who believe in God often talk about him as the **Creator**. They believe that God made human beings in his own image which means that each of us is also **creative**.

3000 years ago people wrote poems and songs to God praising him for the wonders of the universe. Some of these are in the Bible. They are called Psalms. In these verses from Psalm 148 the writer imagines the whole of **creation** praising the Lord God.

Praise the Lord!  
Praise him, sun and moon;  
Praise him, shining stars;  
Praise him, highest heavens;  
Praise him, hills and mountains,  
Fruit trees and forests;  
All animals, tame and wild,  
Reptiles and birds.  
Let them all praise the name of the Lord.

igible story taken from Psalm 148, Good News Bible ©

## QUIZ Animal Antics

My first is in crab but not in rabbit,  
My second in tiger but not in civet.  
My third is in beetle but not in wombat  
My fourth is in camel and also in rat.  
My fifth is in tapir but not in impala,  
My sixth is in ai but not in koala.  
My seventh is in otter but not in anteater,  
And my eighth is in elephant but not in cheetah.  
What am I?

Do you know what all these animals look like?  
If not, look in the school library or Google the animal.

## FAMILY FOCUS

### Sensory Walk

In order to really appreciate **creation** and be **creative** ourselves, we rely upon our senses.

Go on a family walk in the countryside or park.

What can you hear, see, smell and touch?

Make a simple map of your walk and collect things from the ground (little sticks, stones, feathers, crispy leaves etc) to fix on to your map to help you remember what you have experienced with your senses at different places on the journey.

## HOME-SCHOOL CHALLENGE

### Wonders of Creation

Philosophers in Ancient Greece in the first and second centuries BC talked about the seven wonders of the world. They chose places such as the Egyptian pyramids, the Hanging Gardens of Babylon and the Colossus in Rhodes.

Many years later another group of people compiled a list of the seven natural wonders of the world. They chose the Great Barrier Reef (near Australia), the Grand Canyon (in USA), Mount Everest and others.

This month's challenge is for you to decide on the 7 wonders of **creation**. What will you choose? Your list could include a tiny insect, a beautiful flower or a huge sea creature. Think carefully. Either draw the wonders or take photos and write on the back of each why you have chosen them.

Bring your pictures or photos to school and in each class we will talk about the wonders of **creation** and decide which are really amazing!

## HALL OF FAME

### Andy Goldsworthy

Many artists are inspired by the natural world to **create** beautiful pieces of art of their own. Andy Goldsworthy uses natural materials that he finds to make sculptures and pictures. These often include brightly-coloured flowers, icicles, leaves, mud, pinecones, snow, stone, twigs and thorns. This creative artist became particularly famous for his rock balancing sculptures. On stony beaches many people make stone towers of their own.

Why don't you try making one next time you visit the coast?

Leaves polished and greased, pinned to the ground with thorns.

## FASCINATING FACTS

### About creation

70% of the earth's surface is covered by oceans

The largest desert in the world, the Sahara Desert, covers 1/3 of Africa

The longest river in the world is the Nile at 4160 miles. In the UK the Severn is longest at just 220 miles

75% of the freshwater on earth is frozen in glaciers

The earth is 50 times bigger by volume than the moon

It is estimated there are 10000 species of birds and 5000 species of mammals on earth

# Animal Service

Bring your Meerkats,  
and your cats,  
your dogs,  
your hamsters too...  
bring all your creatures  
great and small...  
or your teddy if this  
works best for you!

at St. Margaret's Church  
Harwood Dale  
**Wednesday 18<sup>th</sup> June**  
**at 6.30pm**

Bring a chair as we will be  
gathering in the Churchyard  
if the weather is fine!  
If wet we will be in the Church

# Transitions Webinar

**Thursday 12th June  
4pm - 5pm**

This workshop is for young people in year 6 and their parents and carers.

The webinar will focus on how to prepare going from year 6 into year 7.  
We will cover:

- What transition is
- Explore the ways that this may affect us
- Things we can do to help with transition
- Share top tips and strategies

## Joining Information

To join the webinar please scan the QR code on the right and follow the instructions to join using Microsoft Teams. You can also join using the following details:

**Meeting ID: 379 122 143 805**  
**Passcode: pw2xk6qb**

If you have any issues logging on or any questions prior to the workshop please contact
