School Mass

On Wednesday we celebrated whole school mass. Fr Jude led the mass on the theme of creation. During the homily Fr Jude questioned the children on creation and their answers were incredible. The behaviour of the children was also exemplary, especially Reception who have only just joined us. An additional thanks to the Year 6 House Leaders who sat with the Reception children to keep them company. Thank you to Mrs McLoughlin for organising the mass and the Faith Leaders for reading and delivering their prayers so clearly.

Macmillan Fundraiser

Today the school hosted a fundraiser for Macmillan Cancer Support. Everybody wore green and white and donated £1.00. We hosted a tea and cake event after Mention's Assembly. It was great to see so many parents, grandparents, family members and carers to support this worthwhile cause. Can I thank Mrs Jones for organising the event and supplying the cakes; our lovely staff and parent volunteers for making the hall look lovely, helping to serve cakes, drinks, sell raffle tickets and tidy up afterwards - a real team effort! As always, thank you for your support in coming to the event and donating so generously. We will be able to give a total raised next week., as well as announce our prize winners!

Emmaus Annual Standards Review

We had a visit on Tuesday from our Emmaus Primary Executive Leader, Gary Bevin, who checks on standards throughout the school.

I'm delighted to say that he was really impressed with the school. He commented on the relationships, the work the children are carrying out and the extremely high standards that our staff expect. **We were informed that we are currently the number 1 school in the Academy for academic results.**

In the News Assembly: Allergies

On Wednesday the assembly focused on Benedict's Law. This is a new law that requires all schools to undertake training and issue policies on allergies. We talked about the different food allergies that children have and the result of an anaphylactic shock. We looked at the signs of a child having an allergic reaction and what to do if it happens.
