Mothers Day Service in church 2:15pm

If your child will be collected straight from church please complete this form to let us know [Parents taking children home straight from Mothers Day Church Service - 13 March – Fill in form](#)

### Miss Garratt

As Miss Garratt starts her maternity leave we wish her and her family the very best and hope to see her and the baby very soon. We will miss her very much while she is away.

### Cathedral Trip - Thursday

As part of the Cathedral visit, our children will be observing a Holy Communion service (Eucharist) and will have the opportunity to receive a blessing if they want to. Please let us know on the electronic form (link below) whether or not you give permission for your child to receive a blessing.

[Leicester Cathedral Trip - Consent for your child to receive a blessing - Fill in form](#)

The deadline for completion of the form is by the end of the day on Monday 9th March. If we haven't received your response by then we will assume that you do not want your child to receive a blessing.

We are not aware that any of our pupils have been confirmed, but if your child has been and you would like them to take communion as part of the service, please let the office know via email.

If any parents are available for the day on Thursday and would like to come on the trip as a parent helper, please let the office know by Monday.

### Payments Due

<u>Who?</u>	<u>Where</u>	<u>Due before</u>
Beavers/Pangolins	The Deep	5 May (both instalments) (Instalments total £50)

### Young Engineers

See attachment to Newsletter email

**LET YOUR CHILD DISCOVER THE WORLD OF MECHANICS**

**BRICKS CHALLENGE GALILEO TECHNIC**

**BOOK INTO STEM WORKSHOPS**

Introducing the Bricks Challenge & Galileo Technic programs, perfect for imaginative minds aged 6-11 years.

Through fun, hands-on projects, children discover the exciting world of mechanics and engineering. They'll learn key principles, such as the workings of gears, transmissions, and forces, while building models from amusement park rides to robots.

We make complex subjects accessible, and nurture creativity, preparing your child for a future filled with scientific discovery.

- Learn key principles of engineering and physics
- Develop critical problem-solving and creative thinking skills.
- Engage in fun, hands-on learning with building bricks.
- Nurture a love for science and discovery.
