Parents Evening

Our next Parents Evening will be held after school on Wednesday 18th March. Appointments are filling up quickly so please book as soon as you can. Book via your child's Arbor page - it can be easier to use a laptop or PC to do this rather than using the app.

World Book Day

We are excited to be celebrating World Book Day on Thursday 5th March! This year, our theme will be based around a wonderful story: The Cafe at the Edge of the Woods by Mickey Please. To join the fun, children are invited to come to school dressed as a woodland creature (real or fictional), a book character or simply themselves. Throughout the day, we will be sharing stories, exploring the book's themes and taking part in some exciting reading activities.

Reporting illness

If your child is absent from school due to illness please report that to the office at the start of the school day. If you choose to email us, please make sure that you also let us know what is wrong with your child as we need to monitor reasons for absence so that we know if something is affecting several children. In some instances (specific illnesses) we also need to notify the Public Health Authority.

Deposits for The Deep

Several parents have part-paid the deposit. Whilst we are happy to accept instalments, the full deposit amount of **£75.00** must be paid by **Tuesday 3rd March**.

Mental Health Week

Children at St. Hardulph's have been thinking about wellbeing as part of Children's Mental Health week, this week. Children across the school have been exploring how to reduce our stress and cognitive load, thinking about 'What makes our cup overflow?' and 'How can we empty our cup so we don't feel overwhelmed?' Children have created mixed media artwork and completed mindfulness activities.

Safer Internet Day 2026

This week we have taken part in Safer Internet Day which this year was based around 'Exploring the safe and responsible use of AI'. Across school we have talked about different types of technology, what a voice assistant is and created a balanced argument about AI.
