Help obtain government funding for your child's school in England!

Did you know the government gives additional funding to schools for those children entitled to free school meals (pupil premium)?

Schools use this money to obtain additional staff and resources that help improve the quality of education.

To find out whether your child qualifies for pupil premium, and hence whether their school would receive additional funding, please fill in the details requested on this site.

In addition, the following pupils will be protected against losing their free school meals (pupil premium) as follows:

- Pupils who were eligible on 1 April 2018, or who became eligible since then, continue to receive free meals, even if their household is no longer eligible under the benefits/low-earnings criteria, up until March 2025 and then until the end of their phase of education
- New applicants for free school meals on or after 1 April 2018, who are in receipt of Universal Credit and have earnings above the earned income threshold, will not be eligible for free school meals

The Universal Credit rollout is currently expected to complete in March 2025

We have made a couple of enhancements to the website, for further information please see the FAQ 's, the enhancements are:

- A parent of a child attending any LGfL school can now use this website to check their eligibility.
- A Certificate of Eligibility is available through our website for any child eligible for a free school meal that is attending a school in England. The Certificate of Eligibility should be taken to your child's school.

The above information can also be found on our school website.

Request from the Office

It would be really helpful if you could let us know your child's name when emailing or calling when you have different surnames (or a different surname in your email address). Whilst Mrs Russell knows when names are different in most cases, especially where families have been with us for a while, it is really helpful to remove the need to check. Thank you.

School information can be provided in different languages, large print, simple text only or Braille. Please speak to Mrs Ellis or the Office if you have a particular requirement.
