Hot, sunny weather forecast for next week

In line with guidance from the DfE for schools during hot weather (forecast is for temperatures on 30 degrees plus), the following decisions have been taken for next week:

- Children may come dressed in PE Kit instead of their school uniform
- Children doing Forest School will still need to bring their Forest School Kit with them to change into as they still need their arms and legs covered for this activity, but as it is in a shaded area, it should be cooler there.
- Children should have had long-lasting sunscreen applied **before** coming into school **and** bring more to apply later in the day.
- All children need to have a sunhat to protect their face and neck.
- Children may bring sunglasses in to wear outside

Congratulations to our cook, Steph, for winning Relish's Highest Uptake Improvement Award at their recent conference.

First Maths Challenge

Well done to the 15 children who have taken part in the Mathematical Association's 'First Maths Challenge' last week. The challenge is a series of increasingly difficult reasoning and problem solving questions to be solved in 45 minutes. We have submitted our school results into the international competition and wait to find out if any children reach the second round. Bronze, Silver and Gold Certificates have been shared in worship today.

School Meals this term when parents are invited

- Y6 Leavers' Lunch (£3.90) - Tuesday 7th July at 12:00 book for each visitor staying for lunch (£3.90). This is available to book on your child's Arbor page, listed under School Products.
